To Caroline flint or whom it may concern,  
I am writing to voice my objections on the proposed closure of the weatherby railway foot crossing. This crossing is regularly used by me, my daughter attends football sessions at the club on the other side of this crossing. Closure would mean a very long walk, perhaps an extra 20 minutes. It is, a much needed crossing especially for people who are elderly but really anyone on foot wanting to get to or from the town. Please do not close it. Yours sincerely  
Gwen Blyth
