Subject: Newmarket Railway Pedestrian Crossing Closure

Subject..
Weatherby Pedestrian Crossing.

To whom it may concern.

I wholly object to the proposed closure of the Weatherby Crossing here in my local area.

I use the crossing on a regular basis. It is a much needed pathway linking the south side of Newmarket to town.

It is so well used, I can say that I, more often than not, meet others crossing every time I use it, dog walkers, families/pushchairs, elderly folk.

I have lived in this area for the past 22 years and in that time, have only known of one tragedy on that particular crossing. Sad as it was, this was not an accident, it was an intentional act.

The closure would have a huge impact on locals, especially those who have recently purchased houses and flats close by to the crossing, of which there are many newly built properties.

I appeal for a re-think on this matter.

I cannot imagine the turmoil it would create for those people who rely on the crossing, however, a footbridge would be preferable than a straight closure.

I hope you can take my points into consideration and I look forward to hearing a suitable solution in due course.

Thank you.

R. Bayliss.
