Subject: RVR - Rother Valley Railway

Dear Sir,

I am writing to express my concern over the proposed Rother Valley Railway expansion project, to build a line between Robertsbrige and Bodiam, cutting directly through some magnificent and unspoilt countryside.

I grew up in the area and was very lucky to be able to explore much of it on horseback. It would be an environmental and ecological crime to allow any railway line to bisect this countryside.

Please accept this email as a **STRONG** objection to any RVR plans.

Yours faithfully,

Hattie Klotz
