TRANSPORTANDWORKSACT

Rother Valley Railway - Transports & Works Act Compulsory Purchase Order

Dear Sirs

Rother Valley Railway

Transports & Works Act Compulsory Purchase Order

for the construction of a railway line from Robertsbridge to Bodiam

I am writing to object to the above order on the grounds of road safety because of the increased traffic that will be generated in the area, the environmental damage that will be caused to the countryside by its construction plus the increased risk of flooding.

I see no benefit to the community in allowing this to happen.

Yours truly

Roger R Waters
