Subject: COMPULSORY PURCHASE ORDER (TWA0) - MOAT FARM, SALEHURST, EAST SUSSEX

Dear Sir/Madam,

I am writing on behalf of my very good friends, Alex and Emma Ainslie. They have informed me about someone wanting to reopen a disused railway line, which would cut their farm, Moat Farm, Salehurst, literally in half. I cannot believe that this potential venture could be viable since it would be a tourist attraction, rather than a commercial enterprise and therefore it is not necessary. Also, the farm, occupying much of the Robertsbridge area is one of the most beautiful parts of England, with many undisturbed habitats of flora and fauna, which is a serious matter for Planning Law and conservation as a whole.

I am sure you have many objections to this ridiculous idea and I very much hope it can be ended very soon.

Many thanks
Kind regards

Melanie Keen
