Subject: Rother Valley Railway (Bodiam to Robertsbridge Junction) Order

This is an objection to the above Order.

The grounds are:-

1. A total of three new level crossings, one of which will be across the busy A21. This will cause huge disruption to motorists and is contrary to the Government's and Network Rail's policy to remove as many level crossings as possible as they are deemed to be dangerous.
2. Noise, smoke and diesel fume pollution from the trains and emissions from cars held up at the level crossings.

The objector is:-

Mr David C Rudling
