13th April 2017

Dear Sir / Madam,

Network Rail Essex and Others Level Crossing Reduction Order

Thank you for the Formal Notices 1146, 1149 & 1152 for the crossing T01 No.131 which includes the diversion of footpath 145 that crosses our property.

Although we are prepared in principle to accept the diversion of footpath 145 where it crosses our land, which we believe was a request of Thurrock Council, we must object to Notice 1146 and the proposed use of plot 21.

The Grounds of the objection, is that plot 21 is not required to create the proposed diversion. Plot 22 could be extended westwards to our property boundary (where there is an existing entrance) and the footpath continued along the Public Highways land. Please see attached plan.

We also feel that if the entrance onto our land of footpath 145 is moved southwards to the end of plot 22, users of the footpath would be more likely to stay on the new designated route, rather than take a short cut across the fields, along the line of the old footpath, trespassing onto our land.

Our contact details are correct on the previous correspondence, but it would be quicker for a reply if a copy could also be sent directly to our management offices at the address above.

We look forward to receiving your comments.

Yours faithfully,

Kelvin Weatherill.

Angela Foster

OBJ/15

Please see the attached letter with plan regarding Formal Notices 1146, 1149 & 1152 for the crossing T01 No.131 which includes the diversion of footpath 145 that crosses our property.

I have also sent a hard copy by post.

Regards

Kelvin Weatherill
