Subject: re:E41 Paget Road Wivenhoe and E42 Sand Pit Alresford pedestrian crossings

25 April 2017

Sir,

I wish to object as strongly as possible to the proposed closure by Network Rail of these two crossings. I use the Paget Road crossing several times every week, and would find any change seriously inconvenient. Nor do I believe that there is any safety need for the change. I believe that there has never been an accident at Paget Road since it was opened a very long time ago.

Yours sincerely,

Hugh Brogan

Professor Emeritus, University of Essex.
