Dear Mr Grayling,
Re: E41 Paget Rd Wivenhoe + E42 Sand Pit
Alresford Pedestrian crossings.

I am writing to request that the proposal to close the above crossings be rejected. I use both crossings numerous times over the course of a year, mainly when walking my dog. Alternative routes are less satisfactory (hills in the case of E41, a narrow roadway on a bridge over the railway in the case of E42) and can present problems to a person such as myself,  who walks with the aid of a stick. Both crossings, according to my understanding, have good safety records.

Thank you for your attention to this matter.
Yours truly,

(Mr) R.W. WILLIS.
