Regarding: ESSEX LEVEL CROSSINGS ORDER // Paget Road Crossing, Wivenhoe

As a Wivenhoe resident and frequent user of the Paget Road Crossing, I wholly object to the closing of this right of way.

My grounds of objection are that the crossing is not actually dangerous in practice, as NR themselves have conceded, and it provides me with a vital and more direct route between my house and lower Wivenhoe, the waterfront, the Wivenhoe trail and the Wivenhoe Sailing Club.

In more than two and half years of using the Paget Road crossing, since I moved to Wivenhoe, I have never once found it be dangerous, or unsafe. I am a daily commuter from Wivenhoe, but the closing of the crossing is unforgivable.

I understand the Paget Rd crossing has by far the highest number of opposing respondents in the consultation, of all the Essex crossings proposed for closure, and therefore would like to request a public inquiry be held in respect to its fate.

Kind regards,

Daniel Stoker
