Subject: Network rail essex and Others Level Crossing Reduction Order

I am writing in reference to a letter received from BK Bruton Knowles reference AWP/LE/32028

I am Margaret Newell, [REDACTED] and owner of a parcel of land in Debden Road, Newport.

I am writing to object to your proposal to divert a public footpath through my property.

- 1) I think it should be shared between the adjoining property [REDACTED] Newport, Essex.
- 2). There is an existing foot path easily accessed by White Horse Lane which joins the foot path which is now closed due to the closure of the level crossing E09 Elephant
- 3). My parcel of land has permission to convert an existing farm build into housing so it is not just a field.
- 4). Your idea to make residents of the village walk to Newport Station and over the very high railway bridge, follow down station road cross another busy road then onto my property does not make sound sense to me.

I look forward to receiving your comments.

Margaret Newell
