Paths for everyone (<https://www.sustrans.org.uk/pathsforeveryone>)

(<https://www.sustrans.org.uk/pathsforeveryone>)

Following a review of the National Cycle Network, we set out our recommendations for creating a UK-wide network of traffic-free paths for everyone. Read our 'Paths for everyone (/pathsforeveryone)' report.

About the National Cycle Network (<https://www.sustrans.org.uk/ncn/map/national-cycle-network/about-network>)

(<https://www.sustrans.org.uk/ncn/map/national-cycle-network/about-network>)

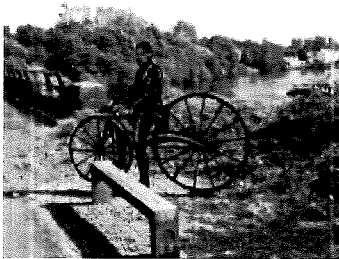

The National Cycle Network is a series of traffic-free paths and quiet, on-road cycling and walking routes, that connect to every major town and city. Learn more about its history, ownership and maintenance.
