- Details of how the project would be funded are contained in CD1.15 – The Strategic Business Case. This dates from 2016. Are the figures in relation to the Scheme proposed updated by the Leigh Expansion Hildenborough Embankment Schemes (LEHES – Appendix C to Tim Connell SoC) ?
- CD1.15 also contains numbers of dwellings that would be protected by the various options considered. Where were these figures derived from ?
- The appendices to CD1.15 appear to be missing. Can these be supplied ?
