Subject: Rother Valley Railway- Transport and Works Act application

Dear Secretary of State

I am writing to you in support of the RVR Transport and Works Act application.

Having read the various independent reports regarding the proposed railway extension to Robertsbridge I believe there are many benefits for approving this application.

The RVR have had to satisfy concerns raised from various agencies (Highways, Enviromental, Local Water Authority etc). These concerns were satisfactorily addressed prior to the Rother District Council granting planning consent.
