Dear Sirs

**Application 18/P/3919/AIN - Bristol International Airport, North Side Road,
Felton, BS48 3DP**

The Council has considered the proposed plans for the re-siting of staff car parking and the erection of a modular single storey reception area and is concerned at the number of public car parking spaces which it appears will be lost as a result of this proposal. Whilst acknowledging that the proposal falls within permitted development, it would be useful to know how these lost spaces are to be recovered elsewhere within the airport boundary.

Yours faithfully

(via email)
