Dear Sir/Madam

**Town and Country Planning (General Permitted Development) (England) Order 2015
(as amended) - Schedule 2, Part 8, Class F**

Application No: 18/P/3919/AIN
Description: Consultation request under the provisions of Part 8 (Class F) of The Town And Country Planning (General Permitted Development) (Amendment) (England) Order 2015 for proposed staff waiting area comprising of a modular single storey building and internal road configuration. THIS IS NOT A PLANNING APPLICATION
Location: Bristol Airport, North Side Road, Felton, Wrington

I refer to your consultation for the above which was received on 26 July 2018. I would advise that the Local Planning Authority has considered this matter and wishes to make the following observations:

- 1 Whilst acknowledging that the proposal is permitted development Wrington Parish Council has raised concerns that a large number of existing car parking spaces will be lost as a result of this development. It is therefore requested that you show how you intend to replace these spaces.

Yours faithfully

Mike Cole
Principal Planning Officer
