

NOTICE OF DECISION
Town and Country Planning Act 1990

Amec Foster Wheeler Environment &
Infrastructure UK Limited
Redcliff Quay
120 Redcliff Street
Bristol
BS16HU

Application Number 16/P/1455/F
Category Full Planning
Permission

Application No: 16/P/1455/F
Applicant: Bristol Airport
Site: Bristol International Airport, North Side Road, Felton, Wrington, BS48 3DY
Description: Development of a five storey multi-storey car park on existing car park providing a total of 1,878 spaces over two phases with associated pedestrian walkway, lighting and landscaping.

North Somerset District Council in pursuance of powers under the above mentioned Act hereby **GRANTS CONSENT** for the above development in accordance with the plans and particulars received and subject to the following condition(s):-

- 1 The development hereby permitted shall be begun before the expiry of three years from the date of this permission.

Reason: In accordance with the provisions of Section 91 of the Town and Country Planning Act 1990.

Approved Documents

- 2 The development hereby permitted shall be carried out in accordance with the approved plans and documents listed Below:

Planning Statement June 2016
Design and Access Statement June 2016
Geo-environmental Report May 2016
Landscape and Visual Appraisal June 2016
Ecological Supporting Statement June 2016
Transport Statement June 2016
Drainage Design Note May 2016
Heritage Statement -June 2016
Arboricultural Assessment May 2016
External Lighting Strategy - September 2011

Drawing Numbers: P01; P1-01 Rev 1; P1-02 Rev 0; P1-03 Rev 0; P2-101 Rev 1; P2-01 Rev 3; P3-01 Rev 2; P3-101 Rev 1; P5-01 rev 1; P5-101 Rev 2;

Reason: For the avoidance of doubt and in the interest of proper planning.

Lighting

- 3 No means of illumination on or within the multi-storey car park hereby permitted unless until details of the position, height (including lighting columns), type and the levels of illumination shown in a lighting contour plan, have been submitted to and approved in writing by the Local Planning Authority. The lighting shall thereafter be installed and operated in accordance with the agreed specifications.

Reason: To reduce the impact of artificial lighting in accordance with Policies CS3, CS4 and CS6 of the North Somerset Core Strategy.

Landscaping

- 4 The landscape scheme shown in Figure 22 of the 'Landscape and Visual Appraisal' dated June 2016 shall be carried out in accordance with the approved plans and specifications in the first planting season (October to March inclusive) following completion of the works or when the car park is brought in to use, whichever occurs first.

To ensure that landscaping schemes if fully implemented in a timely manner in accordance with Policy CS5 of the North Somerset Core Strategy.

- 5 Trees, hedges and plants shown in the landscaping scheme to be retained or planted which, during the development works or a period of five years following full implementation of the landscaping scheme, are removed without prior written consent from the Local Planning Authority or die, become seriously diseased or are damaged, shall be replaced in the first available planting season with others of such species and size as the Authority may specify.

Reason: To ensure as far as possible that the landscaping scheme is fully effective and in accordance with Policy CS5 of the North Somerset Core Strategy.

Ground Contamination

- 6 If, during development, contamination is found to be present at the site then no further development unless otherwise agreed in writing with the Local Planning Authority shall be carried out until the developer has submitted a remediation strategy to the Local Planning Authority detailing how this contamination shall be dealt with and obtained written approval of the strategy from the Local Planning Authority. The remediation strategy shall be implemented as approved.

Reason: To ensure the proposed development will not cause pollution or harm to public health in accordance with Policy CS3 of the North Somerset Council Core Strategy.

Materials

- 7 No work shall be commenced until samples of the materials to be used in the development have been submitted to and approved, in writing, by the Local Planning Authority. The development shall be carried out in the approved materials unless otherwise agreed in writing.

Reason: To ensure that the materials are acceptable in the interests of the appearance of

the area and in accordance with section 7 and paragraph 17 of the National Planning Policy Framework, policy CS12 of the North Somerset Core Strategy.

Advice note(s)

For advice about how to comply with the conditions above visit www.n-somerset.gov.uk/planningconditions

Date: 11 November 2016

Signed 
Director of Development & Environment

Please use our [online contact form](http://www.n-somerset.gov.uk/contactplanning) on our website at www.n-somerset.gov.uk/contactplanning if you require further information on this decision.

NOTES RELATING TO A DECISION TO APPROVE PERMISSION

These notes are intended as helpful advice. PLEASE READ THEM CAREFULLY. Make sure everyone has a copy that needs it, including your builder or contractor.

Scope of this decision notice

This decision notice grants planning permission only. It should not be taken to imply that the scheme meets the requirements of any other agency that may be involved. Please make sure that you have obtained all the approvals you need before starting work. If you are in any doubt you should obtain professional advice.

Building Regulations

Before you start construction work you need to obtain separate approval under Building Regulations. You can contact the team on 01275 884550 or submit your application on our [website](#).

Conditions

This approval is subject to conditions. They are an integral part of the decision and are important because they describe how the council requires you to carry out the approved work or operate the premises. It is your responsibility to comply fully with them.

Please pay particular attention to those conditions that have to be met before work commences. There is a fee for requests for written confirmation that conditions have been complied with. Details of these fees can be found on our website at www.n-somerset.gov.uk/planningconditions. When sending us information please include the decision reference number and relevant condition number. Depending on the complexity of the issues involved it can take up to 12 weeks for conditions to be discharged. It is therefore important that you submit any required details to us early.

Appeals

If you are aggrieved by the decision of your Local Planning Authority to impose any of the conditions (or to only approve part of an application for Advertisement Consent), then you can appeal to the Secretary of State for the Environment in accordance with the provisions of Town and Country Planning Act 1990. If you want to appeal against your local planning authority's decision then you must do so **within 6 months** of the date of this notice.

Appeals must be made using a form, which you can get from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. Alternatively, your appeal can be submitted electronically using the Planning Portal at www.planningportal.gov.uk/pes.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances that excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions imposed, having regard to the statutory requirements, to the provisions of a Development Order or to directions given under it. In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Prepare for floods

If the scheme to which this approval relates is at risk of flooding you should prepare a flood plan to help keep people safe and protect your property. You can find out if your property is at risk of

flooding and how to prepare a flood plan on the [Government's website](#). You should also sign up for [flood warnings](#).

Works which affect a Public Highway

Any works/events carried out by or for a developer which affects the public highway in any way must be co-ordinated in accordance with the New Roads and Street Works Act 1991 and the Traffic management Act 2004 to minimize disruption to users. Developers are required to inform undertakers of their proposed works, to jointly identify any affected apparatus, and to agree diversion or protection measures and corresponding payment.

Developers are also required to liaise/seek permission of North Somerset Council's Street Works Section (01934 888802 or streetworks@n-somerset.gov.uk) at least one month in advance of the works and this must be in line with the requirements of the NRSWA 1991 and TMA 2004. The developer must endeavor to ensure that undertaker connections/supplies are coordinated to take place whenever possible at the same times using the same traffic management. It should be noted that where road closures or formal restrictions are required to undertake works, a minimum of three months' notice will be required.

Public Rights of Way

The grant of planning permission does not entitle developers to interfere or obstruct any public right of way (PROW). The obstruction of a PROW is an offence. If required an application can be made to North Somerset Council to divert the PROW and should be made well ahead of any development.

It is also an offence to drive a mechanically propelled vehicle without lawful authority on any PROW. The grant of planning permission should not be treated as a grant of lawful authority. Please contact the PROW Team for further advice on 01934 888802.

Changes to Plans:

Should you wish to change your plans for any reason, including the need to meet the requirements of other legislation (for example Building Regulations) it is important that you notify us (i.e. 'the planners') before carrying on with work. Amendments to your approved plans may require a fresh application and could even prove to be unacceptable. Details of how to seek formal approval of amendments to a planning approval can be found on our [website](#) or by visiting the planning portal.

Enforcement:

The council has powers to enforce compliance with planning permission and there are penalties for failure to comply. In cases where terms and conditions of planning permission are not adhered to and the Council finds it necessary to take enforcement action, it almost invariably results in delay and additional expense to the applicant. In extreme cases, it can mean that newly erected buildings have to be demolished.

Street Naming

When you receive consent for the building of new a development(s)/property or creating additional flats/units within an existing dwelling, for reasons of public safety and for the allocation of an official postal address, please contact the Street Naming and Property Numbering Section, Town Hall, Weston-super-Mare, BS23 1UJ; Tel: 01275 88761; email: strnames@n-somerset.gov.uk. Learn more on our [website](#).

Access to further information

Further guidance on Planning and Building regulation information and services can be accessed on our website and on the Planning Portal at www.planningportal.gov.uk.

We strongly encourage the submission of planning applications via the Planning Portal. We also provide an online planning service on our website that allows you to monitor and review all applications we receive. This can help you keep you up-to-date with planning matters in your area.

This publication is available in large print, Braille or audio formats on request. Help is also available for people who require council information in languages other than English. Please contact us using our www.n-somerset.gov.uk/contactplanning
