Subject: Robertsbridge railway transport and works act

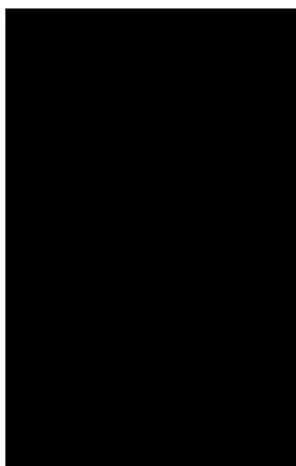

Dear Sir,

I would like to record my support for the plan to reinstate the railway line between Robertsbridge and Tenterden.

Although I don't live in the area, I do visit regularly and it seems to me that these towns rely on the money tourists can bring in. It would be a shame if a NIMBY attitude fostered by the sort of people who are not reliant on the local economy is allowed to disrupt this project.

My details are:

Mrs Nicola Attwood

Yours faithfully,

Mrs Attwood
