Subject: Rother Valley Railway (Bodiam to Robertsbridge Junction) Order

Dear Secretary of State for Transport,

We would like to write this email of support for the Rother Valley railway (Bodium to Robertsbridge junction order).

It would be wonderful to have a local steam train. My father is not in the best of health but is a real steam train enthusiast and we will be one of your first visitors. I'm sure other local residents will also be delighted by the new railway.

We also feel that this is a fantastic opportunity to promote tourism and bring visitors to the area opening Bodium up to visitors from London.

This will also bring a badly needed boost to Tenterden and Robertsbridge high streets.

I do hope that you will ultimately decide to grant permission for this project.

Yours faithfully,
Lucy Walter and Philip Walter
