Dear Ms Taplin,

With reference to paragraph 2 below - Mr Higbee's Proof of Evidence, could I also refer the Inspector to Mrs Ellie Evans – Volterra (Economic Impacts) OBJ/1002/EE/1, OBJ/1002/EE/2 and OBJ/1002/EE/3.

Many thanks indeed.

Kind regards,
Sally-Ann Hart

Subject: RVR Transport and Works Act 1192 S-A Hart response to Mr Richard Turney referral to documents RVR 19 Consultation and RVRW21 Thomas Higbee

Dear Ms Taplin,

1. RVR 19 Consultation

Mr Richard Turney referred me to the attached Report on Consultation document as regards my comment that I was disappointed that the Applicant had not consulted with Hastings Chamber of Commerce.

Looking at the attached document, paragraph 3.2 states that a presentation was made to Hastings Business Forum. Appendix 15 indicates 25 March 2015 as the date the presentation to Hastings Chamber of Commerce. I would like to note that a presentation is not a consultation. What was presented? Were details of a level crossing over the A21 given?

In addition, I note that at paragraph 4 detailing the responses to the consultation, there is no apparent response from Hastings Business Forum or Hastings Chamber of Commerce - whichever organisation the presentation was made to.

I also note that in Appendix 2 Schedule of Stakeholder Consultation, Hastings Borough Council was not consulted, nor the MP (or candidates) for Hastings and Rye Constituency, which surprises me.

I am doubtful that the extent of consultation with Hastings and Rye has been sufficient.

2. RVR-W2-1 Thomas Higbee Proof of Evidence

I cannot comment on Mr Higbee's economic impact and would refer the Inspector to the Transport for the South East's Economic Connectivity Review of the South East (July 2018) (Review) -
