Updated Socio-Economic Cost Benefit Analysis Result Charts Reflecting the September 2021 BEIS Carbon Values (INQ054)

Updated versions of Figures 4.1 and 4.2 from the Economic Impact Assessment Addendum (CD2.22, Pages 36 to 37) that summarise the results of the socio-economic cost benefit analysis with the new BEIS central series carbon values are set out below. These are labelled Figure 1: Updated Socio Economic Cost Benefit Analysis with No Offsetting of Carbon Emissions and Figure 2: Updated Socio Economic Cost Benefit Analysis with Offsetting of Carbon Emissions.

Figure 1: Updated Socio Economic Cost Benefit Analysis with No Offsetting of Carbon Emissions

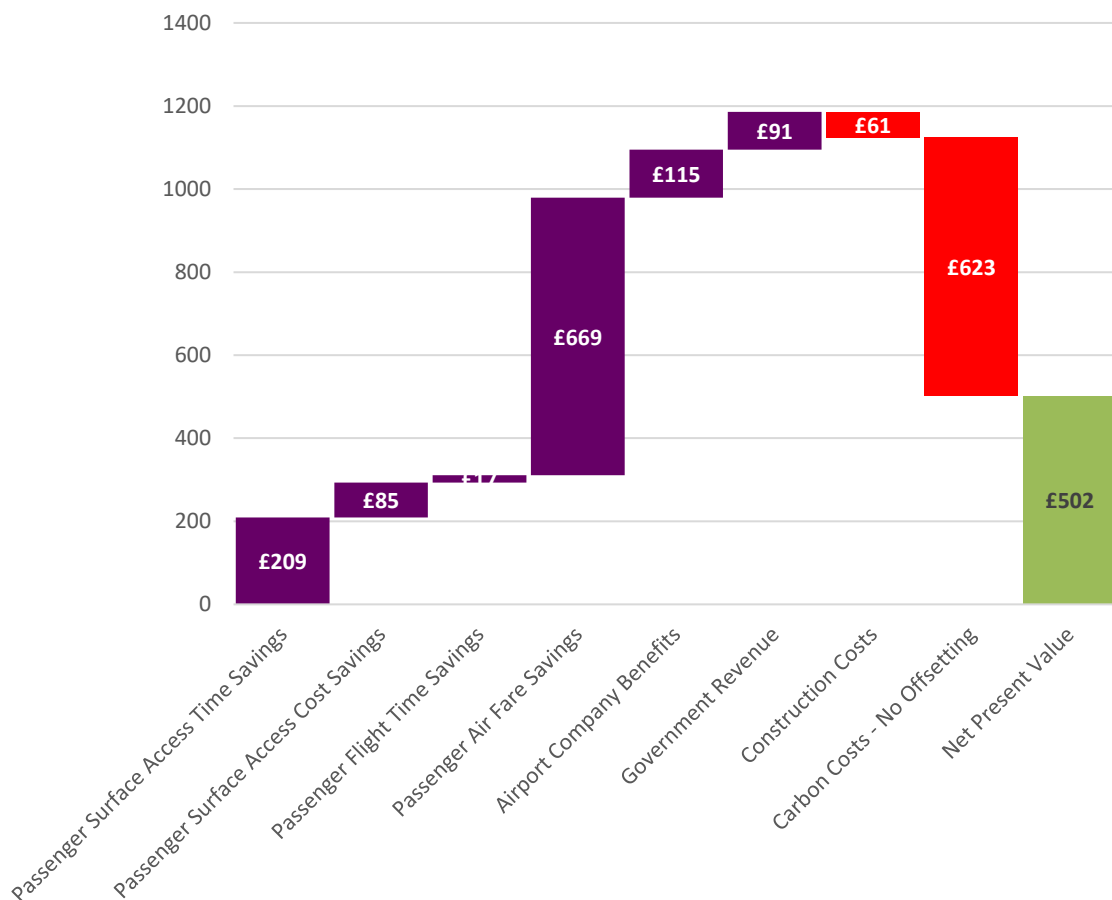

Figure 2: Updated Socio Economic Cost Benefit Analysis with Offsetting of Carbon Emissions
