- (c) that any such works shall be completed to the satisfaction of the Minister [or a strategic highways company].

(3) If at any time the Minister [or a strategic highways company] is satisfied that a trunk road or land with respect to which functions are delegated under subsection (1) above is not in proper repair and condition, he [or the company] may give notice to the council requiring them to place it in proper repair and condition within such time as may be specified in the notice, and if the notice is not complied with the Minister [or a strategic highways company] may do anything that seems to him [or the company] necessary to place the road or land in proper repair and condition.

(4) A delegation to a council under subsection (1) above may be determined by notice given by the Minister [or a strategic highways company] to the council during the first 9 months of any calendar year, or the functions so delegated may be relinquished by a notice given by the council to the Minister [or a strategic highways company] during any such period; and the notice shall take effect as from 1st April in the calendar year following that in which it is given.

(5) The Minister [or a strategic highways company] may enter into an agreement with a county council, [a metropolitan district council] or a London borough council—

- (b) for the carrying out by [the council] of any work of improvement of, or other dealing with, any trunk road or any such land as is mentioned in subsection (1) above;

and subsection (2) above applies to the discharge of the functions of a council under any such agreement and to the conditions to be included in any such agreement as it applies to the discharge of functions delegated under subsection (1) above to any such council and to the conditions to be attached to any such delegation.

(6) Where—

- (a) any functions have been delegated by the Minister [or a strategic highways company] to a county council under subsection (1) above, or

(7) Plant or materials belonging to a council by whom functions fall to be exercised by virtue of a delegation, or agreement or arrangements under this section may be used by them for the purposes of those functions subject to the terms of the delegation, or agreement or arrangements.

(8) Nothing in this section limits the power of the Minister [or a strategic highways company] to enter into and carry into effect agreements with any person for any purpose connected with the construction, improvement or maintenance of, or other dealing with, a trunk road or otherwise connected with his [or the company's] functions relating to trunk roads under this or any other Act; but no such agreement shall provide for the delegation of powers or duties of the Minister [or a strategic highways company] except in accordance [with—

Transfer of Functions

Functions of the Minister, so far as exercisable in relation to Wales, transferred to the National Assembly for Wales, by the National Assembly for Wales (Transfer of Functions) Order 1999, SI 1999/672, art 2, Sch 1.

Part II**Trunk Roads, Classified Roads, Metropolitan Roads, Special Roads***Trunk Roads***10 General provision as to trunk roads**

(1) Subject to the provisions of this section, all such highways and proposed highways as immediately before the commencement of this Act were trunk roads within the meaning of the Highways Act 1959 continue to be, and to be known as, trunk roads.

(2) The Minister shall keep under review the national system of routes for through traffic in England and Wales, and if he is satisfied after taking into consideration the requirements of local and national planning, including the requirements of agriculture, that it is expedient for the purpose of extending, improving or reorganising that system either—

(a) that any highway [or any proposed highway—

(i) to be constructed by the Minister [or a strategic highways company], or

(ii) in relation to which the Minister has entered or proposes to enter into an agreement under section 38(3A),]

should become a trunk road, or

(b) that any trunk road should cease to be a trunk road,

he may by order direct that that highway or proposed highway shall become, or, as the case may be, that that road shall cease to be, a trunk road as from such date as may be specified in that behalf in the order.

[(2A) Subsection (2) is subject to section 33(4) of the Planning Act 2008 (exclusion of powers to make or confirm orders in relation to highways for which development consent required).]

(3) The power of the Minister under this section to direct that a highway or proposed highway shall become a trunk road shall include power to direct that a highway or proposed highway which he considers suitable for the purpose of relieving a main carriageway of the trunk road from local traffic shall become part of the trunk road, whether or not the highway or proposed highway is separated from the remainder of the road by intervening land.

[(3A) The power to direct that a highway or proposed highway become a trunk road includes the power to direct that a strategic highways company is the highway authority for that trunk road.]

(4) . . . the power under this section to direct that a [proposed highway] shall become a trunk road may be exercised in relation to any cycle track or footpath proposed to be constructed . . . on land separated by intervening land from the trunk road in connection with which it is to be used.

(5) Parts I and III of Schedule 1 to this Act have effect as to the making of an order under this section; and Schedule 2 to this Act has effect as to the validity and date of operation of any such order.

(6) If objection to an order proposed to be made under this section is duly made in accordance with Part I of Schedule 1 to this Act by a council who are responsible for the maintenance of a highway to which the order relates, or who will become so responsible by virtue of the order, and is not withdrawn, the order shall be subject to special parliamentary procedure.

(7) If an order under this section directing that a [proposed highway] shall become a trunk road is revoked or varied by a subsequent order made at any time before the date on which the highway is opened for the purposes of through traffic, the revoking or varying order shall not be deemed for the purposes of section 2 above to be an order directing that a trunk road shall cease to be a trunk road.

(8) In addition to the case where a trunk road ceases to be a trunk road by virtue of an order made under this section, a trunk road shall cease to be a trunk road if the road is transferred from the Minister [or a strategic highways company] to some other highway authority to become part of a special road provided by that authority.

(9) No highway which is within the City shall be, or become, a trunk road, and without prejudice to the generality of the foregoing provision, none of the following bridges, that is to say, Blackfriars Bridge, London Bridge, Southwark Bridge and Tower Bridge, and no highway carried by any of those bridges, shall be, or become, a trunk road.

11 Local and private Act functions with respect to trunk roads

(1) As from the date when a highway becomes a trunk road, any functions of construction, maintenance or improvement exercisable as respects that highway by a council under a local or private Act are to be deemed to have become exercisable by the Minister alone [or a strategic highways company alone, whichever is highway authority for the trunk road (“the trunk road authority”),] and while the highway remains a trunk road they shall continue to be so exercisable.

(2) Where the Minister is satisfied that there has been conferred on a council by a local or private Act a function substantially similar to one conferred by a provision of this Act specified in Schedule 3 to this Act, he may, after consultation with the council, by order direct that, in relation

to a trunk road, the function conferred by the local or private Act is to be exercisable in accordance with the following conditions:

- (a) where the provision of the local or private Act is similar to a provision of this Act specified in Part I of the said Schedule 3, that it is to be exercisable by the [trunk road authority] only;
- (b) where the provision of the local or private Act is similar to a provision of this Act specified in Part II of the said Schedule, that, in so far as it is exercisable by a council, it is to be exercisable by that council . . . , as well as by the [trunk road authority];
- (c) where the provision of the local or private Act is similar to a provision of this Act specified in Part III of the said Schedule, that, in so far as it is exercisable by a council, it is to be exercisable by that council with the consent of the [trunk road authority] . . . , as well as by the [trunk road authority].

(3) Where the Minister makes an order under this section in relation to a function conferred by a provision of a local or private Act, and the provision of this Act by which a function substantially similar to the first-mentioned function is conferred is, in relation to a trunk road, subject to any modification, the provision of the local or private Act shall, in relation to a trunk road, be subject to a similar modification, and the Minister may by the same order specify the modification to which the provision of the local or private Act is accordingly to be subject.

26 Compulsory powers for creation of footpaths[, bridleways and restricted byways]

(1) Where it appears to a local authority [or a strategic highways company] that there is need for a footpath[, bridleway or restricted byway] over land in their area and they are satisfied that, having regard to—

- (a) the extent to which the path or way would add to the convenience or enjoyment of a substantial section of the public, or to the convenience of persons resident in the area, and
- (b) the effect which the creation of the path or way would have on the rights of persons interested in the land, account being taken of the provisions as to compensation contained in section 28 below,

it is expedient that the path or way should be created, the authority [or company] may by order made by them [or it] and submitted to and confirmed by the Secretary of State, or confirmed by them [or it] as an unopposed order, create a footpath[, bridleway or restricted byway] over the land.

An order under this section is referred to in this Act as a “public path creation order”; and for the purposes of this section “local authority” has the same meaning as in section 25 above.

(2) Where it appears to the Secretary of State in a particular case that there is need for a footpath[, bridleway or restricted byway] as mentioned in subsection (1) above, and he is satisfied as mentioned in that subsection, he may, after consultation with each body which is a local authority for the purposes of this section in relation to the land concerned, make a public path creation order creating the footpath[, bridleway or restricted byway].

(3) A local authority [and a strategic highways company] shall, before exercising any power under this section, consult any . . . local authority or authorities in whose area the land concerned is situated.

[(3A) The considerations to which—

- (a) the Secretary of State is to have regard in determining whether or not to confirm or make a public path creation order, and
- (b) a local authority [and a strategic highways company] are to have regard in determining whether or not to confirm such an order as an unopposed order,

include any material provision of a rights of way improvement plan prepared by any local highway authority whose area includes land over which the proposed footpath[, bridleway or restricted byway] would be created.]

(4) A right of way created by a public path creation order may be either unconditional or subject to such limitations or conditions as may be specified in the order.

(5) A public path creation order shall be in such form as may be prescribed by regulations made by the Secretary of State, and shall contain a map, on such scale as may be so prescribed, defining the land over which a footpath[, bridleway or restricted byway] is thereby created.

(6) Schedule 6 to this Act shall have effect as to the making, confirmation, validity and date of operation of public path creation orders.

31 Dedication of way as highway presumed after public use for 20 years

(1) Where a way over any land, other than a way of such a character that use of it by the public could not give rise at common law to any presumption of dedication, has been actually enjoyed by the public as of right and without interruption for a full period of 20 years, the way is to be deemed to have been dedicated as a highway unless there is sufficient evidence that there was no intention during that period to dedicate it.

[(1A) Subsection (1)—

- (a) is subject to section 66 of the Natural Environment and Rural Communities Act 2006 (dedication by virtue of use for mechanically propelled vehicles no longer possible), but
- (b) applies in relation to the dedication of a restricted byway by virtue of use for non-mechanically propelled vehicles as it applies in relation to the dedication of any other description of highway which does not include a public right of way for mechanically propelled vehicles.]

(2) The period of 20 years referred to in subsection (1) above is to be calculated retrospectively from the date when the right of the public to use the way is brought into question, whether by a notice such as is mentioned in subsection (3) below or otherwise.

(3) Where the owner of the land over which any such way as aforesaid passes—

- (a) has erected in such manner as to be visible to persons using the way a notice inconsistent with the dedication of the way as a highway, and
- (b) has maintained the notice after the 1st January 1934, or any later date on which it was erected,

the notice, in the absence of proof of a contrary intention, is sufficient evidence to negative the intention to dedicate the way as a highway.

(4) In the case of land in the possession of a tenant for a term of years, or from year to year, any person for the time being entitled in reversion to the land shall, notwithstanding the existence of the tenancy, have the right to place and maintain such a notice as is mentioned in subsection (3) above, so, however, that no injury is done thereby to the business or occupation of the tenant.

(5) Where a notice erected as mentioned in subsection (3) above is subsequently torn down or defaced, a notice given by the owner of the land to the appropriate council that the way is not dedicated as a highway is, in the absence of proof of a contrary intention, sufficient evidence to negative the intention of the owner of the land to dedicate the way as a highway.

(6) An owner of land may at any time deposit with the appropriate council—

- (a) a map of the land . . . , and
- (b) a statement indicating what ways (if any) over the land he admits to have been dedicated as highways;

and, in any case in which such a deposit has been made, . . . declarations [in valid form] made by that owner or by his successors in title and lodged by him or them with the appropriate council at any time—

- (i) within [the relevant number of] years from the date of the deposit, or
- (ii) within [the relevant number of] years from the date on which any previous declaration was last lodged under this section,

to the effect that no additional way (other than any specifically indicated in the declaration) over the land delineated on the said map has been dedicated as a highway since the date of the deposit, or since the date of the lodgment of such previous declaration, as the case may be, are, in the absence of proof of a contrary intention, sufficient evidence to negative the intention of the owner or his successors in title to dedicate any such additional way as a highway.

[(6A) Where the land is in England—

- (a) a map deposited under subsection (6)(a) and a statement deposited under subsection (6)(b) must be in the prescribed form,
- (b) a declaration is in valid form for the purposes of subsection (6) if it is in the prescribed form, and
- (c) the relevant number of years for the purposes of sub-paragraphs (i) and (ii) of subsection (6) is 20 years.

(6B) Where the land is in Wales—

- (a) a map deposited under subsection (6)(a) must be on a scale of not less than 6 inches to 1 mile,
- (b) a declaration is in valid form for the purposes of subsection (6) if it is a statutory declaration, and
- (c) the relevant number of years for the purposes of sub-paragraphs (i) and (ii) of subsection (6) is 10 years.]

[(6C) Where, under subsection (6), an owner of land in England deposits a map and statement or lodges a declaration, the appropriate council must take the prescribed steps in relation to the map and statement or (as the case may be) the declaration and do so in the prescribed manner and within the prescribed period (if any).]

(7) For the purposes of the foregoing provisions of this section “owner”, in relation to any land, means a person who is for the time being entitled to dispose of the fee simple in the land; and for the purposes of subsections (5)[, (6), (6C) and (13)] “the appropriate council” means the

council of the county [, metropolitan district] or London borough in which the way (in the case of subsection (5)) or the land (in the case of [subsections (6), (6C) and (13)]) is situated or, where the way or land is situated in the City, the Common Council.

[(7A) Subsection (7B) applies where the matter bringing the right of the public to use a way into question is an application under section 53(5) of the Wildlife and Countryside Act 1981 for an order making modifications so as to show the right on the definitive map and statement.

(7B) The date mentioned in subsection (2) is to be treated as being the date on which the application is made in accordance with paragraph 1 of Schedule 14 to the 1981 Act.]

(8) Nothing in this section affects any incapacity of a corporation or other body or person in possession of land for public or statutory purposes to dedicate a way over that land as a highway if the existence of a highway would be incompatible with those purposes.

(9) Nothing in this section operates to prevent the dedication of a way as a highway being presumed on proof of user for any less period than 20 years, or being presumed or proved in any circumstances in which it might have been presumed or proved immediately before the commencement of this Act.

(10) Nothing in this section or section 32 below affects [section 56(1) of the Wildlife and Countryside Act 1981 (which provides that a definitive map and statement] are conclusive evidence as to the existence of the highways shown on the map and as to certain particulars contained in the statement), . . .

[(10A) Nothing in subsection (1A) affects the obligations of the highway authority, or of any other person, as respects the maintenance of a way.]

(11) For the purposes of this section “land” includes land covered with water.

[(12) For the purposes of subsection (1A) “mechanically propelled vehicle” does not include a vehicle falling within section 189(1)(c) of the Road Traffic Act 1988 (electrically assisted pedal cycle).]

[(13) The Secretary of State may make regulations for the purposes of the application of subsection (6) to land in England which make provision—

- (a) for a statement or declaration required for the purposes of subsection (6) to be combined with a statement required for the purposes of section 15A of the Commons Act 2006;
- (b) as to the fees payable in relation to the depositing of a map and statement or the lodging of a declaration (including provision for a fee payable under the regulations to be determined by the appropriate council).

(14) For the purposes of the application of this section to land in England “prescribed” means prescribed in regulations made by the Secretary of State.

55 Extinguishment of liability to maintain or improve bridges comprised in trunk roads or special roads

- (1) Where a highway comprising a bridge becomes a trunk road, and the bridge is transferred to the Minister [or a strategic highways company (“the trunk road authority”)] under this Act, then, if immediately before the transfer the bridge was not a highway maintainable at the public expense, any liability of the owners of the bridge for the maintenance or improvement of it or of the highway carried by it is thereupon extinguished
- (2) Where the liability of the owners of a bridge is extinguished under subsection (1) above, the owners shall pay to the [trunk road authority] such sum as may be agreed between them and the [authority] or, in default of agreement, as may be determined by arbitration to represent the value to the owners of the extinguishment of their liability.

“bridge” includes so much of the approaches thereto as supports or protects the surface of the trunk road or special road;

“owners”, in relation to a bridge, means the persons who, immediately before the transfer of the bridge to the [trunk road authority] or the special road authority, were responsible for the maintenance of it, and includes any persons who, in pursuance of any agreement with the persons so responsible, were then discharging that responsibility on their behalf.

Transfer of Functions

Enforcement of liability for maintenance

56 Proceedings for an order to repair highway

(1) A person (“the complainant”) who alleges that a way or bridge—

(a) is a highway maintainable at the public expense or a highway which a person is liable to maintain under a special enactment or by reason of tenure, enclosure or prescription, and

(b) is out of repair,

may serve a notice on the highway authority or other person alleged to be liable to maintain the way or bridge (“the respondent”) requiring the respondent to state whether he admits that the way or bridge is a highway and that he is liable to maintain it.

(2) If, within 1 month from the date of service on him of a notice under subsection (1) above, the respondent does not serve on the complainant a notice admitting both that the way or bridge in question is a highway and that the respondent is liable to maintain it, the complainant may apply to the Crown Court for an order requiring the respondent, if the court finds that the way or bridge is a highway which the respondent is liable to maintain and is out of repair, to put it in proper repair within such reasonable period as may be specified in the order.

(3) The complainant for an order under subsection (2) above shall give notice in writing of the application to the appropriate officer of the Crown Court and the notice shall specify—

- (a) the situation of the way or bridge to which the application relates,
- (b) the name of the respondent,
- (c) the part of the way or bridge which is alleged to be out of repair, and
- (d) the nature of the alleged disrepair;

and the complainant shall serve a copy of the notice on the respondent.

(4) If, within 1 month from the date of service on him of a notice under subsection (1) above, the respondent serves on the complainant a notice admitting both that the way or bridge in question is a highway and that the respondent is liable to maintain it, the complainant may, within 6 months from the date of service on him of that notice, apply to a magistrates' court for an order requiring the respondent, if the court finds that the highway is out of repair, to put it in proper repair within such reasonable period as may be specified in the order.

(5) A court in determining under this section whether a highway is out of repair shall not be required to view the highway unless it thinks fit, and any such view may be made by any 2 or more of the members of the court.

(6) If at the expiration of the period specified in an order made under subsection (2) or (4) above a magistrates' court is satisfied that the highway to which the order relates has not been put in proper repair, then, unless the court thinks fit to extend the period, it shall by order authorise the complainant (if he has not the necessary power in that behalf) to carry out such works as may be necessary to put the highway in proper repair.

(7) Any expenses which a complainant reasonably incurs in carrying out works authorised by an order under subsection (6) above are recoverable from the respondent summarily as a civil debt.

(8) Where any expenses recoverable under subsection (7) above are recovered from the respondent, then, if the respondent would have been entitled to recover from some other person the whole or part of the expenses of repairing the highway in question if he had repaired it himself, he is entitled to recover from that other person the whole or the like part, as the case may be, of the expenses recovered from him.

(9) Where an application is made under this section for an order requiring the respondent to put in proper repair a footpath or bridleway which, in either case, is a highway maintainable at the public expense and some other person is liable to maintain the footpath or bridleway under a special enactment or by reason of tenure, enclosure or prescription, that other person has a right to be heard by the court which hears the application, but only on the question whether the footpath or bridleway is in proper repair.

57 Default powers of highway authorities in respect of non-repair of privately maintainable highways

(1) Where a person is liable under a special enactment or by reason of tenure, enclosure or prescription to maintain a footpath or bridleway which, in either case, is a highway maintainable at the public expense, and the highway authority for the highway repair it in the performance of their duty to maintain it, they may, subject to subsection (3) below, recover the necessary expenses of doing so from that person in any court of competent jurisdiction.

(2) Where a person is liable as aforesaid to maintain a highway other than such a footpath or bridleway as is referred to in subsection (1) above the highway authority for the highway may, if in their opinion the highway is not in proper repair, repair it and, subject to subsection (3) below, recover the necessary expenses of doing so from that person in any court of competent jurisdiction.

(3) The right of recovery conferred by the foregoing provisions of this section is not exercisable—

- (a) in a case where a highway authority repair a footpath or bridleway in obedience to an order of a court made under section 56 above, unless not less than 21 days before the date on which the application was heard by the court the authority gave notice to the person liable to maintain the path or way of the making of an application with respect to it and of the time and place at which the application was to be heard by the court (so however that there is no obligation to give notice to him under this paragraph if he was the person on whose application the order of the court was made);
- (b) in any other case, unless the highway authority, before repairing the highway, have given notice to the person liable to maintain it that the highway is not in proper repair, specifying a reasonable time within which he may repair it, and he has failed to repair it within that time.

(4) Where a highway authority exercise a right of recovery from any person under the foregoing provisions of this section, then, if that person would have been entitled to recover from some other person the whole or part of the expenses of repairing the highway if he had repaired it himself, he is entitled to recover from that other person the whole or the like part, as the case may be, of the expenses recovered from him by the highway authority.

58 Special defence in action against a highway authority for damages for non-repair of highway

(1) In an action against a highway authority in respect of damage resulting from their failure to maintain a highway maintainable at the public expense it is a defence (without prejudice to any other defence or the application of the law relating to contributory negligence) to prove that the

authority had taken such care as in all the circumstances was reasonably required to secure that the part of the highway to which the action relates was not dangerous for traffic.

(2) For the purposes of a defence under subsection (1) above, the court shall in particular have regard to the following matters:—

- (a) the character of the highway, and the traffic which was reasonably to be expected to use it;
- (b) the standard of maintenance appropriate for a highway of that character and used by such traffic;
- (c) the state of repair in which a reasonable person would have expected to find the highway;
- (d) whether the highway authority knew, or could reasonably have been expected to know, that the condition of the part of the highway to which the action relates was likely to cause danger to users of the highway;

(1) Subject to subsection (3) below, where it appears to the highway authority for a highway maintainable at the public expense, by a certificate of their proper officer, that having regard to the average expense of maintaining the highway or other similar highways in the neighbourhood extraordinary expenses have been or will be incurred by the authority in maintaining the highway

by reason of the damage caused by excessive weight passing along the highway, or other extraordinary traffic thereon, the highway authority may recover from any person ("the operator") by or in consequence of whose order the traffic has been conducted the excess expenses.

(2) In subsection (1) above "the excess expenses" means such expenses as may be proved to the satisfaction of the court having cognizance of the case to have been or to be likely to be incurred by the highway authority by reason of the damage arising from the extraordinary traffic; and for the purposes of that subsection the expenses incurred by a highway authority in maintaining a highway are (without prejudice to the application of this section to a by-pass provided under this Act for use in connection with a cattle-grid) to be taken to include expenses incurred by them in maintaining a cattle-grid provided for the highway under this Act.

and where a sum has been so agreed or determined the operator is liable to pay that sum to the highway authority and is not liable to proceedings for the recovery of the excess expenses under subsection (1) above.

(4) [. . .]

(5) Proceedings for the recovery of any sums under this section shall be commenced within 12 months from the time at which the damage has been done or, where the damage is the consequence of any particular building contract or work extending over a long period, not later than 6 months from the date of completion of the contract or work.

- (e) to a subway constructed under section 69 above;
- (f) to a footbridge constructed under section 70 above;
- (g) to a highway of a description not mentioned in any of the preceding paragraphs of this definition whose use by vehicular traffic is prohibited by a traffic order but whose use by other traffic is not prohibited or restricted or regulated by such an order; and
- (h) to a local Act walkway.

(2) In this Part of this Act—

“local Act walkway” means a way or place which is declared in pursuance of a local enactment to be a walkway, city walkway or pedestrian way;

“pedestrian planning order” means an order made under [section 249(2) [or (2A)] of the Town and Country Planning Act 1990]; and

“traffic order” means an order made under section 1 to 6 of the Road Traffic Regulation Act [1984] (traffic regulation orders) or under section 9 of that Act (experimental traffic orders); and

“walkway consent” means—

- (a) in relation to a walkway as defined in section 35(2) above, the consent—

(4) In the following provisions of this Part of this Act “walkway” includes both a walkway as defined in section 35(2) above and a local Act walkway.

(5) Any reference in this Part of this Act to a highway to which this Part of this Act applies includes a reference to a local Act walkway which but for this subsection—

- (a) is not a highway; or
- (b) is a highway only for certain purposes.

(6) The use of a highway by vehicular traffic is to be taken as prohibited for the purposes of this Part of this Act where its use by such traffic is prohibited over the whole width of the highway even if the prohibition is contained in a traffic order which does not prohibit certain vehicles or certain classes of vehicle using the highway or part of it at certain times or on certain days or during certain periods.

(7) In this Part of this Act “frontagers” means the owners and occupiers of any premises adjoining the part of a highway on, in or over which an object or structure would be placed or on which facilities for recreation or refreshment or both have been, are being or would be provided; but frontagers have an interest under this Part of this Act only in proposals to place objects or structures or provide or operate facilities wholly or partly between their premises and the centre of the highway.

the court may by order authorise it to be stopped up or, as the case may be, to be so diverted.

(2) . . .

(3) If an authority propose to make an application under this section for an order relating to any highway (other than a classified road) they shall give notice of the proposal to—

- (b) if the highway is in England, the council of the parish (if any) in which the highway is situated or, if the parish does not have a separate parish council, to the chairman of the parish meeting; and
- (c) if the highway is in Wales, the council (if any) of the community in which the highway is situated;

and the application shall not be made if within 2 months from the date of service of the notice by the authority notice is given to the authority by the district council [or Welsh council] or by the parish or community council or, as the case may be, by the chairman of the parish meeting that the council or meeting have refused to consent to the making of the application.

(4) An application under this section may be made, and an order under it may provide, for the stopping up or diversion of a highway for the purposes of all traffic, or subject to the reservation of a footpath[, bridleway or restricted byway].

(8) An order under this section authorising the diversion of a highway—

- (a) shall not be made unless the written consent of every person having a legal interest in the land over which the highway is to be diverted is produced to and deposited with the court; and
- (b) except in so far as the carrying out of the diversion may necessitate temporary interference with the highway, shall not authorise the stopping up of any part of the highway until the new part to be substituted for the part to be stopped up (including, where a diversion falls to be carried out under orders of 2 different courts, any necessary continuation of the new part in the area of the other court) has been completed to the satisfaction of 2 justices of the peace acting [in the same local justice] area as the court by which the order was made and a certificate to that effect signed by them has been transmitted to the clerk of the applicant authority.

(9) Every order under this section shall have annexed to it a plan signed by the chairman of the court and shall be transmitted by [a] [designated officer for the court] to the proper officer of the applicant authority, together with any written consents produced to the court under subsection (8) above.

118 Stopping up of footpaths[, bridleways and restricted byways]

(1) Where it appears to a council as respects a footpath[, bridleway or restricted byway] in their area (other than one which is a trunk road or a special road) that it is expedient that the path or way should be stopped up on the ground that it is not needed for public use, the council may by order made by them and submitted to and confirmed by the Secretary of State, or confirmed as an unopposed order, extinguish the public right of way over the path or way.

An order under this section is referred to in this Act as a “public path extinguishment order”.

(2) The Secretary of State shall not confirm a public path extinguishment order, and a council shall not confirm such an order as an unopposed order, unless he or, as the case may be, they are satisfied that it is expedient so to do having regard to the extent (if any) to which it appears to him or, as the case may be, them that the path or way would, apart from the order, be likely to be used by the public, and having regard to the effect which the extinguishment of the right of way would have as respects land served by the path or way, account being taken of the provisions as to compensation contained in section 28 above as applied by section 121(2) below.

(3) A public path extinguishment order shall be in such form as may be prescribed by regulations made by the Secretary of State and shall contain a map, on such scale as may be so prescribed, defining the land over which the public right of way is thereby extinguished.

(4) Schedule 6 to this Act has effect as to the making, confirmation, validity and date of operation of public path extinguishment orders.

(5) Where, in accordance with regulations made under paragraph 3 of the said Schedule 6, proceedings preliminary to the confirmation of the public path extinguishment order are taken concurrently with proceedings preliminary to the confirmation of a public path creation order[, public path diversion order or rail crossing diversion order] then, in considering—

- (a) under subsection (1) above whether the path or way to which the public path extinguishment order relates is needed for public use, or
- (b) under subsection (2) above to what extent (if any) that path or way would apart from the order be likely to be used by the public,

the council or the Secretary of State, as the case may be, may have regard to the extent to which the public path creation order[, public path diversion order or rail crossing diversion order] would provide an alternative path or way.

(6) For the purposes of subsections (1) and (2) above, any temporary circumstances preventing or diminishing the use of a path or way by the public shall be disregarded.

[(6A) The considerations to which—

- (a) the Secretary of State is to have regard in determining whether or not to confirm a public path extinguishment order, and

- (b) a council are to have regard in determining whether or not to confirm such an order as an unopposed order,

Modification

Modification: this section has effect, in relation to England, as if references to a local authority or council include references to a National Park authority and as if the relevant Park were the authority's area, by virtue of the Environment Act 1995, s 70, Sch 9, para 11 (as amended by the Countryside and Rights of Way Act 2000, s 57, Sch 6, Pt II, para 26).

119 Diversion of footpaths[, bridleways and restricted byways]

(1) [Where it appears to a council as respects a footpath[, bridleway or restricted byway] in their area (other than one that is a trunk road or special road) that, in the interests of the owner, lessee or occupier of land crossed by the path or way or of the public, it is expedient that the line of the path or way, or part of that line, should be diverted (whether on to land of the same or] of another owner, lessee or occupier), the council may, subject to subsection (2) below, by order made by them and submitted to and confirmed by the Secretary of State, or confirmed as an unopposed order,—

- (a) create, as from such date as may be specified in the order, any such new footpath[, bridleway or restricted byway] as appears to the council requisite for effecting the diversion, and
- (b) extinguish, as from such date as may be [specified in the order or determined] in accordance with the provisions of subsection (3) below, the public right of way over so much of the path or way as appears to the council requisite as aforesaid.

An order under this section is referred to in this Act as a “public path diversion order”.

(2) A public path diversion order shall not alter a point of termination of the path or way—

- (a) if that point is not on a highway, or
- (b) (where it is on a highway) otherwise than to another point which is on the same highway, or a highway connected with it, and which is substantially as convenient to the public.

[(3) Where it appears to the council that work requires to be done to bring the new site of the footpath[, bridleway or restricted byway] into a fit condition for use by the public, the council shall—

- (a) specify a date under subsection (1)(a) above, and
- (b) provide that so much of the order as extinguishes (in accordance with subsection (1)(b) above) a public right of way is not to come into force until the local highway authority for the new path or way certify that the work has been carried out.]

(4) A right of way created by a public path diversion order may be either unconditional or (whether or not the right of way extinguished by the order was subject to limitations or conditions of any description) subject to such limitations or conditions as may be specified in the order.

(5) Before determining to make a public path diversion order [on an application under section 119ZA below or] [on the representations of an owner, lessee or occupier of land crossed by the path or way, the council may require *him* [the person who made the application or representations] to enter into an agreement with them to defray, or to make such contribution as may be specified in the agreement towards,—

- (a) any compensation which may become payable under section 28 above as applied by section 121(2) below, or
- (b) where the council are the highway authority for the path or way in question, any expenses which they may incur in bringing the new site of the path or way into fit condition for use for the public, or

- (c) where the council are not the highway authority, any expenses which may become recoverable from them by the highway authority under the provisions of section 27(2) above as applied by subsection (9) below.

(6) The Secretary of State shall not confirm a public path diversion order, and a council shall not confirm such an order as an unopposed order, unless he or, as the case may be, they are satisfied that the diversion to be effected by it is expedient as mentioned in subsection (1) above, and further that the path or way will not be substantially less convenient to the public in consequence of the diversion and that it is expedient to confirm the order having regard to the effect which—

- (a) the diversion would have on public enjoyment of the path or way as a whole,
- (b) the coming into operation of the order would have as respects other land served by the existing public right of way, and
- (c) any new public right of way created by the order would have as respects the land over which the right is so created and any land held with it,

so, however, that for the purposes of paragraphs (b) and (c) above the Secretary of State or, as the case may be, the council shall take into account the provisions as to compensation referred to in subsection (5)(a) above.

[(6A) The considerations to which—

- (a) the Secretary of State is to have regard in determining whether or not to confirm a public path diversion order, and
- (b) a council are to have regard in determining whether or not to confirm such an order as an unopposed order,

include any material provision of a rights of way improvement plan prepared by any local highway authority whose area includes land over which the order would create or extinguish a public right of way.]

(7) A public path diversion order shall be in such form as may be prescribed by regulations made by the Secretary of State and shall contain a map, on such scale as may be so prescribed,—

- (a) showing the existing site of so much of the line of the path or way as is to be diverted by the order and the new site to which it is to be diverted,
- (b) indicating whether a new right of way is created by the order over the whole of the new site or whether some part of it is already comprised in a footpath[, bridleway or restricted byway], and
- (c) where some part of the new site is already so comprised, defining that part.

(8) Schedule 6 to this Act has effect as to the making, confirmation, validity and date of operation of public path diversion orders.

(9) Section 27 above (making up of new footpaths[, bridleways and restricted byways]) applies to a footpath[, bridleway or restricted byway] created by a public path diversion order with the substitution, for references to a public path creation order, of references to a public path diversion order and, for references to section 26(2) above, of references to section 120(3) below.

[119B Diversion of certain highways for purposes of crime prevention, etc]

[(1) This section applies where it appears to a council—

- (a) that, as respects any relevant highway for which they are the highway authority and which is in an area designated by the Secretary of State by order under section 118B(1)(a) above, the conditions in subsection (3) below are satisfied and it is expedient, for the purpose of preventing or reducing crime which would otherwise disrupt the life of the community, that the line of the highway, or part of that line should be diverted (whether on to land of the same or another owner, lessee or occupier), or
- (b) that, as respects any relevant highway for which they are the highway authority and which crosses land occupied for the purposes of a school, it is expedient, for the purpose of protecting the pupils or staff from—
 - (i) violence or the threat of violence,
 - (ii) harassment,
 - (iii) alarm or distress arising from unlawful activity, or
 - (iv) any other risk to their health or safety arising from such activity,

that the line of the highway, or part of that line, should be diverted (whether on to land of the same or another owner, lessee or occupier).

(2) In subsection (1) above “relevant highway” means—

- (a) any footpath, bridleway or restricted byway,
- (b) any highway which is shown in a definitive map and statement as a footpath, a bridleway, or a restricted byway, but over which the public have a right of way for vehicular and all other kinds of traffic, or
- (c) any highway which is shown in a definitive map and statement as a byway open to all traffic,

but does not include a highway that is a trunk road or a special road.

(3) The conditions referred to in subsection (1)(a) above are—

- (a) that premises adjoining or adjacent to the highway are affected by high levels of crime, and
- (b) that the existence of the highway is facilitating the persistent commission of criminal offences.

(4) Where this section applies, the council may by order made by them and submitted to and confirmed by the Secretary of State, or confirmed as an unopposed order—

- (a) create, as from such date as may be specified in the order, any such—
 - (i) new footpath, bridleway or restricted byway, or
 - (ii) in a case falling within subsection (2)(b) or (c) above, new highway over which the public have a right of way for vehicular and all other kinds of traffic,

as appears to the council requisite for effecting the diversion, and

- (b) extinguish, as from such date as may be specified in the order or determined in accordance with the provisions of subsection (8) below, the public right of way over so much of the highway as appears to the council to be requisite for the purpose mentioned in paragraph (a) or (b) of subsection (1) above.

(5) An order under subsection (4) above is in this Act referred to as a “special diversion order”.

(6) Before making a special diversion order, the council shall consult the [local policing body] for the area in which the highway is situated.

(7) A special diversion order shall not alter a point of termination of the highway—

- (a) if that point is not on a highway, or
- (b) (where it is on a highway) otherwise than to another point which is on the same highway, or a highway connected with it.

(8) Where it appears to the council that work requires to be done to bring the new site of the highway into a fit condition for use by the public, the council shall—

- (a) specify a date under subsection (4)(a) above, and
- (b) provide that so much of the order as extinguishes (in accordance with subsection (4)(b) above) a public right of way is not to come into force until the local highway authority for the new highway certify that the work has been carried out.

(9) A right of way created by a special diversion order may be either unconditional or (whether or not the right of way extinguished by the order was subject to limitations or conditions of any description) subject to such limitations or conditions as may be specified in the order.

(10) The Secretary of State shall not confirm a special diversion order made by virtue of subsection (1)(a) above, and a council shall not confirm such an order as an unopposed order unless he or, as the case may be, they are satisfied that the conditions in subsection (3) above are satisfied, that the diversion of the highway is expedient as mentioned in subsection (1)(a) above and that it is expedient to confirm the order having regard to all the circumstances, and in particular to—

- (a) whether and, if so, to what extent the order is consistent with any strategy for the reduction of crime and disorder prepared under section 6 of the Crime and Disorder Act 1998,
- (b) the effect which the coming into operation of the order would have as respects land served by the existing public right of way, and

- (c) the effect which any new public right of way created by the order would have as respects the land over which the right is so created and any land held with it,

so, however, that for the purposes of paragraphs (b) and (c) above the Secretary of State or, as the case may be, the council shall take into account the provisions as to compensation contained in section 28 above as applied by section 121(2) below.

(11) The Secretary of State shall not confirm a special diversion order made by virtue of subsection (1)(b) above, and a council shall not confirm such an order as an unopposed order unless he or, as the case may be, they are satisfied that the diversion of the highway is expedient as mentioned in subsection (1)(b) above and that it is expedient to confirm the order having regard to all the circumstances, and in particular to—

- (a) any other measures that have been or could be taken for improving or maintaining the security of the school,
- (b) whether it is likely that the coming into operation of the order will result in a substantial improvement in that security,
- (c) the effect which the coming into operation of the order would have as respects land served by the existing public right of way, and
- (d) the effect which any new public right of way created by the order would have as respects the land over which the right is so created and any land held with it,

so, however, that for the purposes of paragraphs (c) and (d) above the Secretary of State or, as the case may be, the council shall take into account the provisions as to compensation contained in section 28 above as applied by section 121(2) below.

(12) A special diversion order shall be in such form as may be prescribed by regulations made by the Secretary of State and shall contain a map, on such scale as may be so prescribed—

- (a) showing the existing site of so much of the line of the highway as is to be diverted by the order and the new site to which it is to be diverted,
- (b) indicating whether a new right of way is created by the order over the whole of the new site or whether some part of it is already comprised in a highway, and
- (c) where some part of the new site is already so comprised, defining that part.

(13) Schedule 6 to this Act has effect as to the making, confirmation, validity and date of operation of special diversion orders.

(14) Section 27 above (making up of new footpaths[, bridleways and restricted byways]) applies to a highway created by a special diversion order with the substitution—

- (a) for references to a footpath[, bridleway or restricted byway] of references to a footpath, a bridleway, a restricted byway or a highway over which the public have a right of way for vehicular and all other kinds of traffic,
- (b) for references to a public path creation order of references to a special diversion order, and
- (c) for references to section 26(2) above of references to section 120(3) below.

(15) Neither section 27 nor section 36 above is to be regarded as obliging a highway authority to provide on any highway created by a special diversion order a metalled carriage-way.]

[135 Authorisation of other works disturbing footpath[, bridleway or restricted byway]]

[(1) Where the occupier of any agricultural land, or land which is being brought into use for agriculture, desires to carry out in relation to that land an excavation or engineering operation, and the excavation or operation—

- (a) is reasonably necessary for the purposes of agriculture, but
- (b) will so disturb the surface of a footpath[, bridleway or restricted byway] which passes over that land as to render it inconvenient for the exercise of the public right of way,

he may apply to the highway authority for an order that the public right of way shall be subject to the condition that he has the right to disturb the surface by that excavation or operation during such period, not exceeding three months, as is specified in the order (“the authorisation period”).

(2) The highway authority shall make an order under subsection (1) above if they are satisfied either—

- (a) that it is practicable temporarily to divert the path or way in a manner reasonably convenient to users; or

(3) An order made by a highway authority under subsection (1) above—

consent to the making of the order has been given by the occupier of that land, and by any other person whose consent is needed to obtain access to it;

- (b) may include such conditions as the authority reasonably think fit for the provision, either by the applicant or by the authority at the expense of the applicant, of facilities for the convenient use of any such diversion, including signposts and other notices, stiles, bridges, and gates;
- (c) shall not affect the line of a footpath[, bridleway or restricted byway] on land not occupied by the applicant;

and the authority shall cause notices of any such diversion, together with a plan showing the effect of the diversion and the line of the alternative route provided, to be prominently displayed throughout the authorisation period at each end of the diversion.

(4) An order made by a highway authority under subsection (1) above may include such conditions as the authority reasonably think fit—

- (a) for the protection and convenience during the authorisation period of users of the path or way;
- (b) for making good the surface of the path or way to not more than its minimum width before the expiration of the authorisation period;
- (c) for the recovery from the applicant of expenses incurred by the authority in connection with the order.

(5) An order under this section shall not authorise any interference with the apparatus or works of any statutory undertakers.

(6) If the applicant fails to comply with a condition imposed under subsection (3)(b) or (4)(a) or (b) above he is guilty of an offence and liable to a fine not exceeding level 3 on the standard scale.

169 Control of scaffolding on highways

(1) Subject to subsection (6) below no person shall, in connection with any building or demolition work or the alteration, repair, maintenance or cleaning of any building, erect or retain on or over a highway any scaffolding or other structure which obstructs the highway (hereafter in this section referred to as a “relevant structure”) unless he is authorised to do so by a licence in writing issued for the purposes of this section by the highway authority (hereafter in this section referred to as “a licence”) and complies with the terms of the licence; and a licence may contain such terms as the authority issuing it thinks fit.

(2) If a person applies to a highway authority for a licence in respect of any relevant structure and furnishes the authority with such particulars in connection with the structure as the authority reasonably demand, it is the duty of the authority to issue a licence to him in respect of the structure unless the authority consider—

- (a) that the structure would cause unreasonable obstruction of a highway; or
- (b) that a relevant structure erected otherwise than as proposed by the applicant would cause less obstruction of a highway than the structure proposed by him and could conveniently be used for the work in question.

(3) If on an application for a licence in connection with a highway the highway authority refuse to issue a licence or issue a licence containing terms to which the applicant objects, the applicant may appeal to a magistrates’ court against the refusal or terms; and on such an appeal the court may—

- (a) in the case of an appeal against a refusal, direct the highway authority to issue a licence in pursuance of the application;
 - (b) in the case of an appeal against the terms of the licence, alter the terms.
- (4) Subject to subsection (6) below, it is the duty of a person to whom a licence is issued by a highway authority in respect of a relevant structure—
- (a) to ensure that the structure is adequately lit at all times between half an hour after sunset and half an hour before sunrise;
 - (b) to comply with any directions given to him in writing by the authority with respect to the erection and maintenance of traffic signs in connection with the structure; and
 - (c) to do such things in connection with the structure as any statutory undertakers reasonably request him to do for the purpose of protecting or giving access to any apparatus belonging to or used or maintained by the undertakers.

In this subsection and in section 171(2) below “statutory undertakers” means any of the following, namely, any body who are statutory undertakers within the meaning provided by section 329(1) below, [any universal service provider in connection with the provision of a universal postal service], . . . [any licensee under a street works licence] [and the operator of [an electronic communications code network]] [or a driver information system].

(5) A person who contravenes the provisions of subsection (1) above otherwise than by failing to comply with the terms of a licence or who fails without reasonable excuse to comply with the terms of a licence or to perform a duty imposed on him by subsection (4) above, is guilty of an offence and liable to a fine not exceeding [level 5 on the standard scale].

(6) Nothing in the preceding provisions of this section applies to a relevant structure erected before 14th February 1977 or erected or retained by the British Railways Board, [Canal & River Trust] or [Transport for London or any of its subsidiaries (within the meaning of the Greater London Authority Act 1999)] in the exercise of powers conferred on the body in question by any enactment; and nothing in paragraph (a) or (b) of subsection (4) above applies to a relevant structure if no part of it is less than 18 inches in a horizontal direction from a carriageway of the relevant highway and no part of it over a footway of the relevant highway is less than 8 feet in a vertical direction above the footway.

(7) No civil or criminal proceedings lie in respect of any obstruction of a highway which is caused by a relevant structure if the structure is on or over the highway in accordance with a licence and the person to whom the licence is issued performs the duties imposed on him in respect of the structure by subsection (4) above; and a highway authority by whom a licence is issued do not incur any liability by reason of the issue of the licence.

[171A Works under s 169 or s 171: charge for occupation of the highway]

[171A Scaffolding, building materials and excavations: charge for occupation of highway for unreasonable period]

[(1) The Minister may make provision by regulations requiring a person carrying out any of the following works in a highway maintainable at the public expense—

- (a) erecting or retaining a relevant structure within the meaning of section 169(1) above, or*
- (b) depositing building materials, rubbish or other things, or making a temporary excavation, as mentioned in section 171(1) above,*

to pay a charge to the highway authority if the duration of the works exceeds such period as may be prescribed and the works are not completed within a reasonable period.

(2) For this purpose “a reasonable period” means such period as is agreed by the authority and the person executing the works to be reasonable or, in default of such agreement, is determined by arbitration to be reasonable in the circumstances.

In default of agreement, the authority’s view as to what is a reasonable period shall be acted upon pending the decision of the arbitrator.

(3) The regulations may provide that if a person applying to the highway authority for a licence under section 169 or consent under section 171 submits together with his application an estimate of the likely duration of the works, the period stated in the estimate shall be taken to be agreed by the authority to be reasonable unless they give notice, in such manner and within such period as may be prescribed, objecting to the estimate.

(4) *The regulations may also provide that if it appears to the person carrying out the works that by reason of matters not previously foreseen or reasonably foreseeable the duration of the works—*

- (a) is likely to exceed the prescribed period,*
- (b) is likely to exceed the period stated in his previous estimate, or*
- (c) is likely to exceed the period previously agreed or determined to be a reasonable period,*

he may submit an estimate or revised estimate accordingly, and that if he does so any previous estimate, agreement or determination shall cease to have effect and the period stated in the new estimate shall be taken to be agreed by the authority to be reasonable unless they give notice, in such manner and within such period as may be prescribed, objecting to the estimate.

(5) *The amount of the charge shall be determined in such manner as may be prescribed by reference to the time taken to complete the works and the extent to which the surface of the highway is affected by the works.*

Different rates of charge may be prescribed accordingly to the description of works, the place and time at which they are executed and such other factors as appear to the Minister to be relevant.

(6) *The regulations may make provision as to the time and manner of making payment of any charge.*

(7) *The regulations shall provide that a highway authority may reduce the amount, or waive payment, of a charge in any particular case, in such classes of case as they may decide or as may be prescribed, or generally.*

(8) *In this section “prescribed” means prescribed by the Minister by regulations.]*

[(1) The Secretary of State may make provision by regulations requiring a person who—

(5) In default of agreement, the authority’s view as to what is a reasonable period shall be acted upon pending the decision of the arbitrator.

(6) The regulations may prescribe exemptions from the requirement to pay charges.

(7) The regulations may provide—

(a) that in prescribed circumstances (including in particular where an application is made for a licence under section 169 or consent under section 171) a person who intends to do or who does an activity mentioned in subsection (1)(a) to (c) shall give to the authority, in such manner and within such period as may be prescribed, notice containing an estimate of the likely duration of the relevant period, and

(b) that the period stated in the notice shall be taken to be agreed by the authority to be reasonable unless the authority give notice, in such manner and within such period as may be prescribed, objecting to the estimate.

(a) that the authority are to set the rate of charge, up to a prescribed maximum, and

(b) that different rates of charge may be set according to such factors as the authority consider relevant.

(12) The regulations may make provision for the determination of the duration of the relevant period for the purposes of the regulations.

(13) And they may, in particular, make provision for the relevant period to be treated as beginning or ending on the giving of, or as stated in, a notice given by the person mentioned in subsection (1) to the authority, in the prescribed manner, in accordance with a requirement imposed by the regulations.

(14) The regulations may make provision requiring a person who does an activity mentioned in subsection (1)(a) to (c) to provide the authority, in such manner and within such period as may be prescribed, with such information as the authority may specify in a notice to that person, being information required for the purposes of—

- (a) determining whether a charge is payable by him;
- (b) calculating the amount of any charge payable by him.

(15) The regulations may make provision as to the time and manner of making payment of charges.

(16) The regulations shall provide that a highway authority may reduce the amount, or waive payment, of a charge—

- (a) in any particular case,
- (b) in such classes of case as they may decide or as may be prescribed, or
- (c) in all cases or in all cases other than a particular case or such class of case as they may decide or as may be prescribed.

(17) The regulations may make provision as to—

- (a) the application by local highway authorities of sums paid by way of charges, and
- (b) the keeping of accounts, and the preparation and publication of statements of account, relating to sums paid by way of charges.

(18) The regulations may create in respect of any failure to give a notice, or to provide information, required by the regulations a criminal offence triable summarily and punishable with a fine not exceeding level 4 on the standard scale.

(19) The regulations may make provision about their application to a series of deposits of things.

(20) And they may, in particular, provide that a series of deposits of things is to be treated as a single deposit of things—

- (a) beginning at the time the first in the series was deposited, and
- (b) ending at the time the last in the series was removed.

(21) The regulations may make provision corresponding to that mentioned in subsections (19) and (20) in relation to the erection of relevant structures and the making of excavations.

184 Vehicle crossings over footways and verges

(1) Where the occupier of any premises adjoining or having access to a highway maintainable at the public expense habitually takes or permits to be taken a mechanically propelled vehicle across a kerbed footway or a verge in the highway to or from those premises, the highway authority for the highway may, subject to subsection (2) below, serve a notice on the owner and the occupier of the premises—

- (a) stating that they propose to execute such works for the construction of a vehicle crossing over the footway or verge as may be specified in the notice; or
- (b) imposing such reasonable conditions on the use of the footway or verge as a crossing as may be so specified.

(2) A highway authority is not entitled by virtue of subsection (1) above to construct a vehicle crossing on, or on any part of, the site of a made-up vehicle crossing which has been constructed either under this section or under section 40 of the Highways Act 1971 (which this section replaces) or before the commencement of the said section 40, or to impose conditions on the use of such a crossing.

(3) Where any land is being, or is to be, developed in accordance with a planning permission granted, or deemed to have been granted, under [the Town and Country Planning Act 1990], and it appears to the highway authority for a highway maintainable at the public expense that the development makes it necessary—

- (a) to construct a crossing over a kerbed footway or a verge in the highway so as to provide an access for mechanically propelled vehicles to or from the carriageway of the highway from or to premises adjoining or having access to the highway; or
- (b) to improve or otherwise alter a made-up vehicle crossing that provides such an access as is mentioned in paragraph (a) above (whenever constructed),

that authority may serve on the owner and the occupier of the premises a notice stating that they propose to execute such works for the construction or, as the case may be, alteration of the crossing as may be specified in the notice.

(4) Unless the development giving rise to a notice under subsection (3) above consists solely of the provision of a new means of access to or from a highway from or to premises, there may be specified in a notice under that subsection works for the construction as part of the vehicle crossing proposed to be constructed or altered, as the case may be, of acceleration and deceleration lanes.

(5) In determining whether to exercise their powers under subsection (1) or (3) above, a highway authority shall have regard to the need to prevent damage to a footway or verge, and in determining the works to be specified in a notice under subsection (1)(a) or (3) an authority shall have regard to that and the following other matters, namely—

- (a) the need to ensure, so far as practicable, safe access to and egress from premises; and
- (b) the need to facilitate, so far as practicable, the passage of vehicular traffic in highways.

(6) Schedule 14 to this Act has effect with respect to the making of objections to a notice under subsection (1) or (3) above and to the date on which such a notice becomes effective.

(7) Where a notice under subsection (1)(a) or (3) above has become effective, the highway authority by whom the notice was served may execute such works as are specified in the notice, subject to such modifications (if any) as may have been made by the Minister, and may recover the expenses reasonably incurred by them in so doing from the owner or occupier of the premises in question.

(8) A notice under subsection (1) or (3) above shall inform the person on whom it is served of his right to object to the notice and (except in the case of a notice under subsection (1)(b)) shall state the effect of subsection (7) above.

(9) Where a person who is carrying out, or proposes to carry out, such a development as is referred to in subsection (3) above offers to execute the works specified in a notice under that subsection, the highway authority by whom the notice was served may authorise him to execute those works in accordance with plans approved by them.

...

(10) If a person authorised under subsection (9) above to execute any works fails to execute them to the satisfaction of the highway authority before the development is completed, the authority may execute the works or alter the works executed by that person and recover the expenses reasonably incurred by them in so doing from him.

(11) Any person may request the highway authority for a highway maintainable at the public expense to execute such works as are specified in the request for constructing a vehicle crossing over a footway or verge in the highway, and the authority may approve the request with or without modification, or may propose alternative works or reject the request; and in determining how to exercise their powers under this subsection an authority shall have regard to the matters mentioned in subsection (5) above.

(12) An authority to whom a request under subsection (11) above is made shall notify the person making the request of their decision and if they approve, with or without modification, the works proposed in the request or propose alternative works, they shall supply him with a quotation of the cost of the works as approved or proposed by them, and he may, on depositing with them the amount quoted, require them to execute those works.

(13) As soon as practicable after such a deposit has been made with an authority the authority shall execute the works as approved or proposed by them.

(14) ...

(15) The expenses recoverable under subsection (7) or (10) above and the cost of the works for the purposes of subsection (12) above include [the cost of any measures needing to be taken in relation to undertaker's apparatus, in accordance with section 84, of the New Roads and Street Works Act 1991,] in consequence of the construction of the crossing.

(16) Nothing in this section imposes on any person other than a highway authority any obligation to maintain a vehicle crossing.

(17) If a person knowingly uses a footway or verge as a crossing in contravention of any condition imposed under subsection (1)(b) above, or knowingly permits it to be so used, he is guilty of an offence and liable to a fine not exceeding [level 3 on the standard scale].

Part XI Making Up of Private Streets

Introductory

203 Interpretation of Part XI

(1) In this Part of this Act (and elsewhere in this Act) “the private street works code” means sections 205 to 218 below; and “the advance payments code” means sections 219 to 225 below.

(2) In this Part of this Act “private street” means a street that is not a highway maintainable at the public expense, and—

- (a) includes any land that is deemed to be a private street by virtue of a declaration made under section 232 below, and
- (b) for the purpose of the application of the advance payments code or section 229 below in relation to any building, includes—
 - (i) any land shown as a proposed street on plans deposited with respect to that building either under building regulations or on an application for planning permission under [the Town and Country Planning Act 1990], and
 - (ii) ...

but the fact that a part of a street is a highway maintainable at the public expense does not prevent any other part of it from being a part of a private street for the purposes of this Part of this Act.

(3) In this Part of this Act—

“contributory place” has the same meaning as in section 343 of the Public Health Act 1936;

“fronting” includes adjoining, and “front” is to be construed accordingly;

“industrial premises” means premises used or designed or suitable for use for the carrying on of any such process or research as is specified in section 66(1) of the Town and Country Planning Act 1971, and includes premises used for purposes ancillary to the carrying on of any such process or research;

“local Act” includes a provisional order confirmed by Parliament and the confirming Act so far as it relates to that order;

“paving, metalling and flagging” includes all methods of making a carriageway or footway;

“place of public religious worship” means a place of public religious worship which belongs to the Church of England or to the Church in Wales (within the meaning of the Welsh Church Act 1914), or which is for the time being certified as required by law as a place of religious worship;

“street works” means any works for the sewerage, levelling, paving, metalling, flagging, channelling and making good of a street, and includes the provision of proper means for lighting a street;

“street works authority” means—

(a) as respects a street outside Greater London, the council of the county [or metropolitan district] in which the street is situated,

(b) as respects a street in a London borough, the council of the borough, and

(c) as respects a street in the City, the Common Council.

(4) For the purposes of the advance payments code and of section 229 below, the frontage of a building or proposed building on a street shall be deemed to be the frontage that the building itself and any land occupied or, as the case may be, proposed to be occupied, with the building and for the purposes of it has or will have on the street.

(5) In ascertaining a majority in number of owners for the purposes of any provision of this Part of this Act, joint owners are to be treated as one owner.

(3) Where a notice is served on an owner of premises under subsection (2)(c) above it shall be accompanied by a statement of the sum apportioned on those premises by the provisional apportionment as proposed to be amended.

(4) Within one month from the date of the first publication of a notice under subsection (2)(a) above, objections may be made and, if made, shall be heard and determined in like manner, and subject to the like provisions with respect to the persons entitled to be heard and otherwise, as objections under section 208 above.

The advance payments code

219 Payments to be made by owners of new buildings in respect of street works

(1) Subject to the provisions of this section, where—

- (a) it is proposed to erect a building for which plans are required to be deposited with the local authority in accordance with building regulations, and
- (b) the building will have a frontage on a private street in which the street works authority have power under the private street works code to require works to be executed or to execute works,

no work shall be done in or for the purpose of erecting the building unless the owner of the land on which it is to be erected or a previous owner thereof has paid to the street works authority, or

secured to the satisfaction of that authority the payment to them of, such sum as may be required under section 220 below in respect of the cost of street works in that street.

(2) If work is done in contravention of subsection (1) above, the owner of the land on which the building is to be erected and, if he is a different person, the person undertaking the erection of the building is guilty of an offence and liable to a fine not exceeding [level 3 on the standard scale], and any further contravention in respect of the same building constitutes a new offence and may be punished accordingly.

Proceedings under this subsection shall not be taken by any person other than the street works authority.

(3) Where the person undertaking the erection of the building is not the owner of the land on which it is to be erected and is charged with an offence under subsection (2) above, it shall be a defence for him to prove that he had reasonable grounds for believing that the sum required under section 220 below had been paid or secured by the owner of the land in accordance with subsection (1) above.

(4) This section does not apply—

- (a) where the owner of the land on which the building is to be erected will be exempt, by virtue of a provision in the private street works code, from liability to expenses incurred in respect of street works in the private street in question;
- (b) where the building proposed to be erected will be situated in the curtilage of, and be appurtenant to, an existing building;
- (c) where the building is proposed to be erected in a parish or community and plans for the building were deposited with the district council or, according to the date of deposit, the rural district council before the date on which the New Streets Act 1951, or the advance payments code (either in this Act or in the Highways Act 1959) was applied in the parish or community or, as the case may require, in the part of the parish or community in which the building is to be erected;
- (d) where an agreement has been made by any person with the street works authority under section 38 above providing for the carrying out at the expense of that person of street works in the whole of the street or a part of the street comprising the whole of the part on which the frontage of the building will be, and for securing that the street or the part thereof, on completion of the works, will become a highway maintainable at the public expense;
- (e) where the street works authority, being satisfied that the whole of the street or such a part thereof as aforesaid is not, and is not likely within a reasonable time to be, substantially built-up or in so unsatisfactory a condition as to justify the use of powers under the private street works code for securing the carrying out of street works in the street or part thereof, by notice exempt the building from this section;
- (f) where the street works authority, being satisfied that the street is not, and is not likely within a reasonable time to become, joined to a highway maintainable at the public expense, by notice exempt the building from this section;
- (g) where the whole street, being less than 100 yards in length, or a part of the street not less than 100 yards in length and comprising the whole of the part on which the frontage of the building will be, was on the material date built-up to such an extent that the aggregate length of the frontages of the buildings on both sides of the street or part constituted at least one half of the aggregate length of all the frontages on both sides of the street or part;

- (h) where (in a case not falling within paragraph (g) above) the street works authority, being satisfied that the whole of the street was on the material date substantially built-up, by notice exempt the building from this section;
- (i) where the building is proposed to be erected on land belonging to, or in the possession of—
 - (i) the British Railways Board, . . . , [Canal & River Trust], [Transport for London], . . . any wholly-owned subsidiary (within the meaning of the Transport Act 1968) or joint subsidiary (within the meaning of section 51(5) of that Act) of any of those bodies [other than Transport for London, or any of its subsidiaries (within the meaning of the Greater London Authority Act 1999)];
 - (ii) the council of a county, district or London borough . . . or the Common Council;
 - (iii) the [new towns residuary body] or a new town development corporation;
- (j) where the building is to be erected by a company the objects of which include the provision of industrial premises for use by persons other than the company, being a company the constitution of which prohibits the distribution of the profits of the company to its members, and the cost of the building is to be defrayed wholly or mainly by a government department;
- (k) where the street works authority, being satisfied—
 - (i) that more than three-quarters of the aggregate length of all the frontages on both sides of the street, or of a part of the street not less than 100 yards in length and comprising the whole of the part on which the frontage of the building will be, consists, or is at some future time likely to consist, of the frontages of industrial premises, and
 - (ii) that their powers under the private street works code are not likely to be exercised in relation to the street, or to that part of it, as the case may be, within a reasonable time,

by resolution exempt the street, or that part of it, from this section.

[(4A) In subsection (4)(c) above, “district council” is to be read in relation to plans deposited on or after 1st April 1996 for a building to be erected in Wales as “Welsh council”]

- (b) in relation to Wales, the Welsh Ministers so far as exercising functions in relation to anything transferred (or to be transferred) to them as mentioned in section 36(1)(a)(i) to (iii) of the New Towns Act 1981.]

(5) Where a sum has been paid or secured under this section by the owner of the land in relation to a building proposed to be erected on it, and thereafter a notice is served under subsection (4) above exempting the building from this section, or a resolution is passed under

paragraph (k) of that subsection exempting the street or part of a street on which the building will have a frontage from this section, the street works authority shall refund that sum to the person who is for the time being owner of the land or shall release the security, as the case may be.

Where the said sum was paid, and after the payment but before the service of the said notice or the passing of the said resolution, as the case may be, the land in respect of which it was paid was divided into 2 or more parts each having a frontage on the private street in question, the sum is to be treated for the purposes of this subsection as apportioned between the owners of the land according to their respective frontages.

(6) For the purposes of this section “the material date” is—

- (a) in relation to a building proposed to be erected in an area which before 1st April 1974 was a rural district or a contributory place within a rural district, the date on which the New Streets Act 1951 or the advance payments code (either in this Act or in the Highways Act 1959) was applied in that area;
- (b) in relation to a building proposed to be erected anywhere else, 1st October 1951.

220 Determination of liability for, and amount of, payments

(1) In a case to which section 219 above applies the street works authority shall, within 6 weeks from the passing of any required plans relating to the erection of a building deposited with them or, in a case to which subsection (2) [or (2A)] below applies, with the district council [or Welsh council], serve a notice on the person by or on whose behalf the plans were deposited requiring the payment or the securing under section 219 above of a sum specified in the notice.

In this subsection and [subsections (2) and (2A)] below “required plans” means plans required to be deposited with the local authority in accordance with building regulations.

(2) Where (outside Greater London) the advance payments code is in force in the whole or any part of a [non-metropolitan] district, the district council, in any case to which section 219 above may be applicable, shall within one week from the date of the passing of any required plans deposited with them relating to the erection of a building in an area in which that code is in force inform the street works authority that the plans have been passed.

[(2A) Where any required plans which—

(a) are deposited with a Welsh council; and

(b) relate to the erection of a building in an area—

(i) in which the advance payments code is in force; but

(ii) which is treated as being within the area of a street works authority other than that Welsh council,

are passed, the Welsh council shall, in any case to which section 219 above may be applicable, within one week inform the street works authority of that event.]

(3) Subject to the provisions of this section, the sum to be specified in a notice under subsection (1) above is such sum as, in the opinion of the street works authority, would be recoverable under the private street works code in respect of the frontage of the proposed building on the private street if the authority were then to carry out such street works in the street as they would require under that code before declaring the street to be a highway which for the purposes of this Act is a highway maintainable at the public expense.

In this subsection a reference to a street does not include a reference to a part of a street, except to a part which the street works authority think fit to treat as constituting a separate street for the purposes of this subsection and which comprises the whole of the part on which the frontage of the building will be.

(4) If, at any time after the service of a notice under subsection (1) above, the street works authority—

(a) are of opinion that the sum specified in the notice exceeds such sum as in their opinion would be recoverable as mentioned in subsection (3) above if they were then to carry out such street works as are so mentioned, or

(b) are of opinion that no sum would be so recoverable,

they may, by a further notice, served on the person who is for the time being owner of the land on which the building is to be, or has been, erected, substitute a smaller sum for the sum specified in the notice served under subsection (1) above or, as the case may be, intimate that no sum falls to be paid or secured.

This subsection does not apply where a sum has been paid or secured in compliance with a notice served under subsection (1) above and the case is one in which the authority have power to make a refund or release under section 221(1) below.

(5) Where, under a local Act, the erection of buildings on land having a frontage on a new street is prohibited until works for the construction or sewerage of the street have been carried out in accordance with byelaws, the amount of the sum to be specified in a notice served under this section shall be calculated as if those works had been carried out.

(6) Where a notice is served on any person under this section (other than a notice intimating that no sum falls to be paid or secured) that person or, if he is a different person, the owner of the land on which the building is to be, or has been, erected, may, not later than one month from the date of the service of the notice, appeal to the Minister and the Minister may substitute a smaller sum for the sum specified by the street works authority.

On an appeal under this subsection, the Minister shall give the appellant an opportunity of being heard before a person appointed by the Minister.

(7) Where a sum has been paid or secured in compliance with a notice served under subsection (1) above and a notice is subsequently served under subsection (4) above substituting a smaller sum for the sum specified in the first-mentioned notice or intimating that no sum falls to be paid or secured, the street works authority—

- (a) if the sum was paid, shall refund the amount of the excess or, as the case may be, the whole sum to the person who is for the time being owner of the land on which the building is to be, or has been, erected;
- (b) if the sum was secured and the person whose property is security for the payment of it is for the time being owner of that land, shall release the security to the extent of the excess or, as the case may be, the whole security;
- (c) if the sum was secured and the person whose property is security for the payment of it is not for the time being owner of that land, shall pay to that owner an amount equal to the excess or, as the case may be, the whole sum, and are entitled to realise the security for the purpose of recovering the amount so paid.

(8) Where land in respect of which a sum has been paid or secured in compliance with a notice under subsection (1) above is subsequently divided into 2 or more parts so that 2 or more owners would, if street works were carried out, incur liability in respect of it, the sum is to be treated as apportioned between those owners according to their respective frontages and, if the sum was secured and the security is the property of one only of those owners, the street works authority—

- (a) are required under subsection (7)(b) above to release the security only to the extent of the amount apportioned to the owner, and
- (b) are entitled to realise the security for the purpose of recovering the amount or amounts paid to the other owner or owners under subsection (7)(c) above.

(9) Where a security is realised for the purpose of recovering an amount paid by a street works authority under subsection (7)(c) above, and the sum produced by realising the security exceeds the amount so paid, the amount of the excess shall be held by the authority and dealt with under the advance payments code as if it had been an amount paid under section 219 above on the date on which the security was realised.

the authority may refund to the person at whose expense the works are carried out the whole or such proportion of that sum or, as the case may be, release the whole or such part of the security, as in their opinion represents the amount by which the liability of the owner of that land in respect of street works has been reduced as a result of the carrying out of the street works in question.

Where the person at whose expense the works are carried out is not the person who is for the time being owner of that land no refund or release shall be made under this subsection unless the owner has been notified of the proposal to make the refund or release and has been afforded an opportunity of making representations to the street works authority in relation to it.

(2) Where any land which has a frontage on a private street, and in respect of which a sum has been paid or secured under section 219 above, is subsequently divided into 2 or more parts each having a frontage on that private street, the sum is to be treated as apportioned between the owners thereof according to their respective frontages, and subsection (1) above has effect accordingly.

(3) Where—

- (a) a sum has been paid or secured under section 219 above by the owner of land in respect of the cost of street works to be carried out in the private street on which that land has a frontage, and
- (b) thereafter the street works authority enter into an agreement with any person under section 38 above providing for the carrying out at the expense of that person of street works in respect of that frontage,

that agreement may also provide for the refund of the said sum or a part of it either without interest or with interest at such rate as may be specified in the agreement, or for the release of the whole or a part of the security, as the case may be.

222 Sums paid or secured to be in discharge of further liability for street works

(1) Where a sum has been paid or secured under section 219 above by the owner of land in respect of the cost of street works to be carried out in the private street on which that land has a frontage, the liability of that owner or any subsequent owner of that land in respect of the carrying out of street works in that street under the private street works code ("the street works liability") is, as respects that frontage, to be deemed to be discharged to the extent of the sum so paid or secured.

(2) If, when the street is declared to be a highway which for the purposes of this Act is a highway maintainable at the public expense, the said sum is found to exceed the total street works liability in respect of that frontage or there is no such liability because the street was not made up at the expense of the street works authority, the street works authority—

- (a) if the sum was paid, shall refund the amount of the excess or, as the case may be, the whole sum to the person who is for the time being owner of the land;
- (b) if the sum was secured and the person whose property is security for the payment of it is for the time being owner of the land, shall release the security to the extent of the excess or, as the case may be, the whole security;
- (c) if the sum was secured and the person whose property is security for the payment of it is not for the time being owner of the land, shall pay to that owner an amount equal to the excess or, as the case may be, the whole sum, and are entitled to realise the security for the purpose of recovering the amount so paid.

(3) Where land in respect of which a sum has been paid or secured under section 219 above is subsequently divided into 2 or more parts so that 2 or more owners incur or would incur the street works liability, the sum is to be treated as apportioned between those owners according to their respective frontages, and if the sum was secured and the security is the property of one only of those owners the street works authority—

- (a) are required under subsection (2)(b) above to release the security only to the extent to which the amount apportioned to that owner exceeds his street works liability or, as the case may be, to the extent of the whole of that amount, and
 - (b) are entitled to realise the security for the purpose of recovering the amount or amounts paid to the other owner or owners under subsection (2)(c) above.
- (4) Where any refund, release or payment has been made under section 220(7) above, or under section 221 above, the foregoing provisions of this section have effect as if for references therein to a sum paid or secured there were substituted references to any sum remaining paid or secured.

(1) Where, on the occasion of the deposit of plans for the erection of a building, the amount to be paid or secured under section 219 above has been determined under section 220 above, and subsequently—

- (a) the local authority, under [section 32 of the Building Act 1984], declare the deposit of the plans to be of no effect, or
- (b) before any work has been done in or for the purpose of erecting the building the owner gives notice to the local authority of his intention not to proceed with the building,

(2) Where by virtue of subsection (1) above a determination is of no effect and a sum has been paid or security given in accordance with it, the street works authority—

- (a) if the sum was paid, shall refund it to the person who is for the time being owner of the land;
- (b) if the sum was secured and the person whose property is security for the payment of it is for the time being owner of the land, shall release the security;
- (c) if the sum was secured and the person whose property is security for the payment of it is not for the time being owner of the land, shall pay to that owner an amount equal to the said sum, and are entitled to realise the security for the purpose of recovering the amount so paid.

(3) Where land in respect of which a sum has been paid or secured as mentioned in subsection (2) above is subsequently divided into 2 or more parts so that 2 or more owners would, if street works were carried out, incur liability in respect thereof, the sum is to be treated as

- (a) a person notifies the local authority in accordance with subsection (1)(b) above of his intention not to proceed with the building and by reason thereof a determination is of no effect, and
- (b) subsequently notice is given to the local authority by the owner of the land that he intends to proceed with the building in accordance with the plans as originally deposited,

the notice to be served under subsection (1) of section 220 above by the street works authority shall, in lieu of being served as required by that subsection, be served on him within one month from the date of the service of the notice of his intention to proceed with the building, and section 220 has effect accordingly.

(6) Where the advance payments code is in force in the whole or any part of a [non-metropolitan] district, the district council, in any case to which this section may be applicable, shall within one week inform the county council of the happening of any of the following events:—

- (a) the making of any declaration that the deposit of plans relating to the erection of a building is of no effect,
- (b) the giving of any notice by an owner of his intention not to proceed with a building, and
- (c) the giving of any notice by an owner of his intention to proceed with the building in accordance with the plans as originally deposited.

[(7) In any case—

- (a) to which this section may be applicable; and
- (b) which relates to plans for the erection of a building in any part of a street in Wales which is treated as being in the area of a street works authority other than the Welsh council for the county or county borough in which it is situated,

the Welsh council shall within one week inform the street works authority of the happening of any event of a kind described in paragraphs (a) to (c) of subsection (6) above.]

(1) Any sum paid by the owner of land to a street works authority under section 219 above, in so far as it continues to be held by the authority, carries simple interest at the appropriate rate from the date of payment until such time as the sum or a part of it remaining so held—

(a) falls to be set off under section 222 above against the liability of the owner of the land in respect of the carrying out of street works; or

(2) No greater charge shall be imposed on a person by reason of any such variation than could have been imposed in respect of a carriageway or footway of the width prescribed for a new street of the same class by a byelaw or enactment with respect to the width of new streets which applied to the street when it was laid out; and any sum in excess of that charge shall be borne by the authority.

Where, in the course of the execution of street works under the private street works code in a private street which consists of or comprises a highway, the street works authority widen the highway under Part V of this Act, the widening does not relieve any person of liability for expenses of the street works, and the amount of that liability is not greater or less than it would have been if the highway had not been widened.

228 Adoption of private street after execution of street works

(1) When any street works have been executed in a private street, the street works authority may, by notice displayed in a prominent position in the street, declare the street to be a highway which for the purposes of this Act is a highway maintainable at the public expense, and on the expiration of one month from the day on which the notice was first so displayed the street shall, subject to subsections (2) to (4) below, become such a highway.

(2) A street shall not become a highway maintainable at the public expense by virtue of subsection (1) above if, within the period there mentioned, the owner of the street or, if more than one, the majority in number of the owners of the street, by notice to the authority object; but within 2 months from the expiration of that period the street works authority may apply to a magistrates' court for an order overruling the objection.

(3) If an order overruling an objection under subsection (2) above is made pursuant to an application under that subsection and no appeal against the order is brought within the time limited for such an appeal, the street or part in question shall become a highway maintainable at the public expense on the expiration of that time.

(4) Where such an order is made or refused and an appeal, or an appeal arising out of that appeal, is brought against or arises out of the order or refusal, then—

- (a) if the final determination of the matter is in favour of the authority, or
- (b) the appeal is abandoned by the objectors,

the street shall become a highway maintainable at the public expense on that final determination or, as the case may be, on the abandonment of the appeal.

(5) Notwithstanding anything in any other enactment or provision, for the purposes of this section the time for bringing or seeking leave for any appeal (including an application for certiorari) is 2 months from the date of the decision or of the conclusion of the proceedings appealed against, unless apart from this subsection the time is less than that period; and no power, however worded, to enlarge any such time is exercisable for the purposes of this section.

(6) Where street works have been executed in a part only of a street (other than a part extending for the whole of the length of the street), subsections (1) to (4) above have effect as if for references in those subsections to the street there were substituted references to the length of the street which constitutes or comprises that part.

(7) If all street works (whether or not including lighting) have been executed in a private street to the satisfaction of the street works authority, then, on the application of the majority in rateable value of the owners of premises in the street, the street works authority shall, within the period of 3 months from the date of the application, by notice displayed in a prominent position in the street, declare the street to be a highway which for the purposes of this Act is a highway maintainable at the public expense and thereupon the street shall become such a highway.

In this subsection a reference to a street does not include a reference to a part of a street.

(1) Where a majority in number of the owners of land having a frontage on a built-up private street, or as many of those owners as have between them more than half the aggregate length of all the frontages on both sides of the street, by notice request the street works authority to exercise their powers under the private street works code so as—

- (a) to secure the carrying out of such street works in that street as the street works authority require under that code before declaring the street to be a highway which for the purposes of this Act is a highway maintainable at the public expense, and
- (b) to declare the street to be such a highway,

the street works authority shall proceed to exercise their powers accordingly.

(2) Subsection (1) above does not apply unless, in at least one case, a payment has been made or security has been given under section 219 above by the owner of land having a frontage on the street and the payment has not been refunded, or the security released or realised, under subsection (5) of that section, or under section 223 above.

(3) For the purposes of this section a street is to be deemed to be built-up if the aggregate length of the frontages of the buildings on both sides of the street constitutes at least one half of the aggregate length of all the frontages on both sides of the street.

(4) This section does not apply in relation to a part of a street unless it is a part not less than 100 yards in length which the owners of land having a frontage on that part of the street elect to treat as constituting a street for the purposes of this section.

230 Urgent repairs to private streets

(1) Where repairs are needed to obviate danger to traffic in a private street the street works authority may by notice require the owners of the premises fronting the street to execute, within such time as may be specified in the notice, such repairs as may be so specified.

(2) Where such repairs as are mentioned in subsection (1) above are needed in a part only of the street (other than a part extending for the whole of the length of the street), a requirement under that subsection shall be made only of the owners of the premises fronting the length of the street which constitutes or comprises that part.

(3) A person aggrieved by a requirement of a street works authority under this section may appeal to a magistrates' court.

(4) Subject to any order made on appeal and to subsection (5) below, if, within the time specified in a notice served under subsection (1) above, the repairs required thereby have not been executed, the authority may execute the repairs, and may recover the expenses reasonably incurred by them in so doing from the owners in default, the expenses being apportioned between those owners according to the extent to which their respective premises front the street.

(5) If, within the time so specified, the majority in number or rateable value of owners of premises in the street by notice require the street works authority to proceed in relation to the street under the private street works code, the street works authority shall so proceed, and on the completion of the necessary works shall forthwith declare the street to be a highway which for the purposes of this Act is a highway maintainable at the public expense; and thereupon the street shall become such a highway.

(6) Where a requirement under subsection (1) above has been made in respect of a part only of a street (other than a part extending for the whole of the length of the street), subsection (5) above has effect as if for references therein to the street there were substituted references to the length of the street which constitutes or comprises that part.

(7) Without prejudice to the foregoing provisions of this section or to any other enactment for the time being in force relating to private street works, the street works authority and also, in the cases mentioned below, the district council may, in any street that is not a highway maintainable at the public expense, execute such repairs as are in their opinion urgently required to prevent or remove danger to persons or vehicles in the street.

The cases in which the district council may act under this subsection are those in which the street concerned [is situated in a non-metropolitan district and] is a footpath, bridleway or any such road as is mentioned in section 42(2)(c) above (urban roads).

(8) The power of a district council under subsection (7) above is subject to Part I of Schedule 7 to this Act.

232 Power to treat as a private street land designated for purposes of this section by development plan

(1) The provisions of this section apply in relation to land defined by a development plan—

- (a) as the site of a proposed road, or
- (b) as land required for the widening of an existing road which is of less than byelaw width,

and designated by the plan as land to which this section applies.

(2) Where any land is so defined and designated as aforesaid, the prospective street works authority, subject to subsection (3) below, may at any time by order declare the land (together with any land forming part of any such existing road as aforesaid) to be a private street, and thereupon the land is to be deemed to have been dedicated to the use of the public as a highway and to be a private street for the purposes of this Part of this Act.

The reference in this subsection to the prospective street works authority is a reference to the council who will be the street works authority as respects the private street constituted by the council's declaration.

(3) No order shall be made by the authority under subsection (2) above in relation to land which has not been acquired by them at the date of the order (other than land forming part of any such existing road as aforesaid) except with the consent of all persons interested in the land.

(4) In relation to land which is deemed to be a private street by virtue of a declaration under subsection (2) above the provisions of the private street works code apply subject to such exceptions, adaptations and modifications as may be prescribed by regulations made by the Minister of Transport.

(5) Regulations made for the purposes of subsection (4) above shall make provision for securing—

- (a) that the amount of the expenses incurred in the execution of street works charged under the private street works code on the owners of adjoining land does not exceed the amount which would, at the date of the commencement of the works, have been the cost of the execution of street works in the course of the construction, widening or improvement if it had been carried out—
 - (i) so as to comply with the provisions of any byelaws, regulations or other enactments in force in the area, and
 - (ii) as respects matters for which no such provision is made, so as to comply with such requirements as would have been imposed by the street works authority at the date of the commencement of the works as a condition of declaring the street to be a highway which for the purposes of this Act is a highway maintainable at the public expense;
- (b) that as soon as the street has been made up or widened by or to the satisfaction of the street works authority it becomes a highway maintainable at the public expense;
- (c) that no expenses incurred in the execution of street works are recoverable against agricultural land or buildings until the land or buildings cease to be agricultural land or buildings; and
- (d) that no expenses incurred in the execution of street works for the purpose of making a new street are recoverable in respect of any land (whether the site of a building or not) unless and until access is provided for and used by persons or vehicles from that land to the new street.

(6) Regulations made for the purposes of subsection (4) above may provide—

- (a) for the inclusion in the expenses recoverable as aforesaid in respect of street works carried out by the street works authority of any expenses incurred by a local authority after the date on which the land is defined and designated as mentioned in subsection (1) above, and before it is declared to be a private street under subsection (2) above, in the construction of sewers in or under the land; and
- (b) for authorising the street works authority to enter on any land adjoining the street for the purpose of executing street works on land comprised in the street.

(7) A highway constructed by [a strategic highways company or] a local highway authority on land deemed to be a private street by virtue of a declaration under subsection (2) above is not by virtue only of section 36(2)(a) above for the purposes of this Act a highway maintainable at the public expense.

(8) The provisions of this section, and any restrictions or powers imposed or conferred by it in relation to land, apply and may be exercised in relation to any land notwithstanding that provision is made for authorising or regulating any development of the land by any enactment in force on 6th August 1947 or by any local Act passed at any time during the Session of Parliament held during the regnal years 10 and 11 Geo. 6 (the date and that Session being, respectively, the date of passing of the Town and Country Planning Act 1947 and the Session during which that

Act was passed, and that Act, now superseded by [the Town and Country Planning Act 1990] [and Parts 2 and 6 of the Planning and Compulsory Purchase Act 2004], being the Act that first made provision for development plans).

(9) In this section—

“byelaws width”, in relation to a road, means the width required by any . . . , regulations or other enactments relating to the construction of streets in the area in which the road is situated;

“construction” and “improvement”, in relation to a street, include the planting, laying out, maintenance and protection of trees, shrubs and grass verges in and beside the street;

[“development plan” must be construed in accordance with section 38 of the Planning and Compulsory Purchase Act 2004;

“local authority” has the same meaning as in the Town and Country Planning Act 1990].

Additional provisions with respect to acquisition of rights over land

250 Land acquisition powers to extend to creation as well as acquisition of rights

(1) A compulsory purchase order made in the exercise of highway land acquisition powers may provide for the acquisition of rights over land by creating them as well as for the acquisition of rights already in existence.

In this Act “highway land acquisition powers” means powers in respect of acquisition of land which are exercisable by a highway authority under any of the following provisions of this Act, namely, sections 239, 240, 242 to 246 and 250(2).

(2) Where rights over land are, or are to be, acquired by a highway authority by means of a compulsory purchase order made in the exercise of highway land acquisition powers, and the land forms part of a common, open space or fuel or field garden allotment and other land is required for the purpose of being given in exchange for those rights, the authority may acquire by agreement or compulsorily that other land; and subsections (1) to (3) of section 247 above apply in relation to this subsection as they apply in relation to the provisions there mentioned.

(3) In section 247(1) to (4) above references to acquisition of land include references to compulsory acquisition of rights by virtue of this section.

[(3A) Schedule 3 to the Acquisition of Land Act 1981 shall apply to the compulsory purchase of a right by virtue of this section.]

(4) The Acts of . . . 1965 have effect with the modifications necessary to make them apply to the compulsory acquisition of a right by virtue of this section as they apply to the compulsory acquisition of land, so that, in appropriate contexts, references in those Acts to land are to be read as referring, or as including references, to the right acquired or to be acquired, or to land over which the right is, or is to be, exercisable, according to the requirements of the particular context.

(5) For the purpose of giving effect to this section, and without prejudice to the general adaptation of enactments under subsection (4) above—

[(a) Part II of Schedule 19 to this Act has effect for the adaptation of Part I of the Act of 1965 to cases of compulsory acquisition of rights]; and

(c) as respects compensation in such cases, the enactments relating to compensation for the compulsory purchase of land apply, with the necessary modifications, as they apply to compensation on the compulsory purchase of land and interests in land.

(6) References in any enactment or instrument to the acquisition of land, in a context relating to compulsory acquisition under highway land acquisition powers, are to be construed (except in so far as the context otherwise requires) as including references to the compulsory acquisition of a right or rights by virtue of this section.

(7) The provisions of this section are without prejudice to section 242(3) above, sections 254 and 255 below and any other provision of this Act which, by virtue of the definition of “land” in section 329(1) below, authorises the acquisition of interests in or rights over land.

(8) References in this section and in sections 251 and 252 below to rights over land include references to the right to do, or to place and maintain, any thing in, on or under land, or in the air-space above its surface.

251 Rights acquired to be binding on successive owners of the land

(1) Where by a deed or other instrument in which—

- (a) it is stated that it is made in pursuance of a compulsory acquisition of rights by virtue of section 250 above; or
- (b) it is certified by a highway authority that the instrument is made in connection with the performance of their functions under this Act,

any person having an interest in the land grants or agrees to grant to a highway authority any right over the land, the grant or agreement is binding upon his successors in title and persons deriving title under him or them (otherwise than by a disposition taking effect before the date of the grant) to the same extent as it is binding upon the grantor, notwithstanding that it would not have been binding upon such persons apart from this subsection.

(2) Where by a deed poll under any provision of the Act of 1965 a highway authority vest in themselves any right over land as against some person having an interest in the land, that right is binding upon that person's successors in title and persons deriving title under him or them (otherwise than by a disposition taking effect before the date of the deed poll) to the same extent as it is, or would have been, binding upon the first-mentioned person.

(3) The foregoing provisions of this section apply whether or not (apart from this section) the right in question is capable in law of binding interests in the land other than the interest of the grantor or, as the case may be, the person first-mentioned in subsection (2) above.

(4) Where under any provisions of this Act any right conferred by a deed or other instrument to which subsection (1) or (2) above applies is transferred from one highway authority to another,

this section applies after the transfer in relation to the other highway authority as it applied before the transfer to the first-mentioned authority.

252 Power of landowner affected by rights acquisition to compel acquisition of whole interest

(1) The following provisions have effect where there has come into force a compulsory purchase order made by a highway authority in the exercise of highway land acquisition powers and providing for the acquisition of a right over land and notice to treat in respect of the right has been served on a person having an interest in the land.

(2) A person for the time being entitled to that interest ("the landowner") may, at any time within 6 weeks of service of the notice to treat, or such longer period as may be agreed in writing by the highway authority, but so long only as the notice has not been withdrawn, serve on the highway authority a counter-notice requiring them, instead of acquiring the right in question, to acquire instead his interest so far as it subsists in the land which is shown in the notice to treat as that over which the right is to be acquired.

(3) As from the date of service of the landowner's counter- notice—

- (a) the compulsory purchase order shall, as against the landowner, cease to have effect so far as it authorises the acquisition of the right in respect of which the counter-notice was served and shall have effect instead so as to authorise the authority to acquire compulsorily the landowner's interest in the land referred to in subsection (2) above; and
- (b) the notice to treat referred to in subsection (1) above shall be deemed to have been served (on the date on which it was in fact served) in respect of the said interest, instead of in respect of the right (without prejudice to the authority's power under section 31 of the Land Compensation Act 1961 to withdraw the notice).

(4) Nothing in this section prevents the highway authority from exercising any powers (and, in particular, any power of entry) which they have by virtue of having served notice to treat; and the operation of subsection (3) above does not prejudice any such power of the authority either as respects a previous exercise of it or as respects its continuance by virtue of subsection (3)(b).

253 Agreements as to use of land near highways

(1) For the purpose of mitigating any adverse effect which the construction, improvement, existence or use of a highway has or will have on the surroundings of the highway, the highway authority may enter into an agreement with any person interested in land adjoining or in the vicinity of the highway for restricting or regulating the use of the land either permanently or during such period as may be specified in the agreement.

Any such agreement may, in particular, make provision for the planting and maintenance of trees, shrubs or plants of any other description on the land and for restricting the lopping or removal of trees, shrubs or other plants on the land.

(2) An agreement under this section may contain such incidental and consequential provisions (including provisions of a financial character) as appear to the highway authority to be necessary or expedient for the purposes of the agreement.

(3) The provisions of any agreement made under this section with any person interested in land are binding on persons deriving title from that person in respect of the land.

(4) An agreement under this section is a local land charge.

254 Compulsory acquisition for certain purposes of rights in land belonging to local authorities etc

(1) Subject to the provisions of this section, an order made, or made and confirmed, in the like manner and subject to the like conditions as an order authorising compulsory acquisition of land under section 239 above may authorise a highway authority to acquire compulsorily, subject to such conditions (including conditions as to the persons by whom any works are to be constructed or maintained) as may be imposed by the order, a right upon, under or over any land which is the property of a local authority or which has been acquired, for the purposes of their undertaking, by statutory undertakers, if the acquisition is—

- (a) for the purposes of the construction of a bridge or of the approaches to a bridge (not including the reconstruction or alteration of the bridge or approaches in existence at the date of the order) upon, under or over such land;
- (b) for the purposes of the execution of any works (other than the reconstruction of a bridge on a different site) for the maintenance, improvement or alteration of the bridge or of the approaches to a bridge transferred to the Minister [or a strategic highways company] by virtue of section 266 below or transferred to a special road authority other than the Minister [or a strategic highways company] by virtue of section 267 below; or
- (c) for the purposes of any system of road drainage;

and, [nothing in Part III of, or Schedule 3 to, the Acquisition of Land Act 1981 shall prevent] the acquisition of any such right.

(2) The power to acquire a right compulsorily conferred by subsection (1) above may be exercised—

- (a) if the acquisition is for a purpose specified in that subsection in connection with a trunk road in a London borough, . . . by the council of that borough . . . as well as by the Minister [or a strategic highways company], and
- (b) if the acquisition is for a purpose so specified in connection with any other trunk road, by the council of the county [or metropolitan district] in which the road is situated as well as by the Minister [or a strategic highways company].

(3) An order authorising the compulsory acquisition of a right under this section shall be made subject to such conditions as the Minister, after consultation with the local authority or statutory undertakers from whom the right is to be acquired, considers necessary for securing—

- (a) that the bridge or approaches to be constructed, reconstructed or altered, as the case may be, will be so designed, placed and constructed, or so reconstructed or altered, or
- (b) that the drainage system to be provided will be so designed, placed and constructed,

as to avoid unreasonable interference with the functions and future development of the body concerned.

(4) An order authorising the compulsory acquisition under this section of a right for the purposes of a system of road drainage shall be made subject to such conditions as the Minister considers necessary for securing that no highway is drained—

- (a) into any watercourse under the control of an internal drainage board[, the Environment Agency or the Natural Resources Body for Wales without the consent of that body, or]

- (b) into any reservoir, river, canal, dock, harbour, basin, culvert, [sewer,] syphon or other work which belongs to or is under the jurisdiction of a local authority or statutory undertakers without the consent of that authority or those undertakers.

(5) Nothing in this section authorises the compulsory acquisition of a right upon, under or over any land for the purposes of the construction of a bridge under or over the Manchester Ship Canal; but this subsection does not prevent the acquisition of such a right if the acquisition is—

- (a) for the purposes of the construction of a bridge for which provision is made by any such order as is mentioned in section 106(1) above, or
- (b) for the purposes of the execution of any works (other than the reconstruction of a bridge on a different site) for the maintenance, improvement or alteration of a bridge transferred to the Minister [or a strategic highways company] by virtue of section 266 below.

(6) For the purposes of this section and section 255 below—

“local authority” has the same meaning as in the [Acquisition of Land Act 1981], and

the Civil Aviation Authority[, a person who holds a licence under Chapter I of Part I of the Transport Act 2000 (to the extent that the person is carrying out activities authorised by the licence)] and [a universal service provider in connection with the provision of a universal postal service] are to be deemed to be statutory undertakers.

[(6ZA) In its application to a person who holds a licence under Chapter I of Part I of the Transport Act 2000, subsection (1) of this section shall be construed as if for the words “or which has been acquired, for the purposes of their undertaking, by statutory undertakers” there were substituted the words “or of a person who holds a licence under Chapter I of Part I of the Transport Act 2000 and which, in the case of such a person, is being held or used for the purpose of carrying out activities authorised by the licence.”]

[(6A) In its application to a universal service provider, subsection (1) of this section shall be construed as if for the words “or which has been acquired, for the purposes of their undertaking, by statutory undertakers” there were substituted the words “or of a universal service provider and which, in the case of a universal service provider, is being held or used for any purpose in connection with the provision of a universal postal service.”]

Exchange of land

256 Power to exchange land to adjust boundaries of highways

(1) Subject to the provisions of this section, the highway authority for any highway maintainable at the public expense may, for the purpose of straightening or otherwise adjusting the boundaries of the highway, enter into an agreement with the owner of any land which adjoins or lies near to the highway providing for the exchange of any such land for land on which the highway is situated, with or without the payment by either party of money for equality of exchange.

(2) A highway authority proposing to enter into an agreement under this section shall—

- (a) publish once at least in each of 2 successive weeks, in one or more newspapers circulating in the area concerned, a notice giving particulars of the proposed agreement; and
- (b) not later than the date on which the notice is first published in pursuance of paragraph (a) above (“the publication date”), serve a copy of the notice—
 - (i) on any statutory undertakers appearing to the authority to be affected by the proposal; and
 - (ii) on any other person appearing to the authority to have an interest in the land proposed to be conveyed by the authority; and
- (c) not later than the publication date, cause a copy of the notice to be displayed in a prominent position on the part of the highway to which the proposal relates;

and shall not enter into the proposed agreement before the expiration of the period of 2 months from the publication date and, where an appeal under subsection (3) below is brought against the proposed agreement, until the determination or abandonment of the appeal and of any appeal arising out of that appeal.

(3) Any person who objects to a proposed agreement under this section may, before the expiration of the period aforesaid, appeal to a magistrates’ court against the proposed agreement; and the court shall, after considering any representations made by or on behalf of any party to the appeal and the desirability in the public interest of the proposed agreement, either dismiss the appeal or order the highway authority not to enter into the proposed agreement (without prejudice to the power of the authority to make the same proposal on a subsequent occasion).

(4) Where any land on which a highway is situated falls to be conveyed by the highway authority in pursuance of an agreement under this section, then—

- (a) if the land belongs to the highway authority, nothing in this section dispenses with any consent of a government department which, under any enactment, is required for the conveyance, but where such consent is given or is not required the conveyance

of the land by the authority operates, by virtue of this paragraph, to extinguish the public right of way over the land;

- (b) if the land does not belong to the highway authority, the authority may convey the land in accordance with the agreement and the conveyance operates, by virtue of this paragraph, to vest the land in the transferee for an estate in fee simple freed and discharged (subject to subsections (6) and (7) below and section 334(2) below) from all other estates, interests, rights and charges, including the public right of way, which subsisted in, over or on the land immediately before the conveyance.

(5) Where by virtue of subsection (4)(b) above any person suffers damage by being deprived of such an estate, interest, right or charge as is there mentioned, other than the public right of way, the highway authority shall pay him compensation equal to the amount of the damage.

262 Assumptions to be made in assessing compensation on certain compulsory acquisitions of land for service stations etc and lorry areas for special roads

(1) Where land is compulsorily acquired—

- (a) under section 239(4)(c) above in a case where the acquisition is authorised by a compulsory purchase order which does not also authorise the acquisition of land required for the provision of the adjacent length of special road, or
- (b) in pursuance of a notice under [section 137 of the Town and Country Planning Act 1990] (protection of owners of land affected by certain planning decisions) in a case where the [Upper Tribunal] is satisfied that there are proposals for using the whole or part of the relevant land for such purposes in connection with the special road as are mentioned in section 239(4)(c) above and that the amount of compensation would apart from this section be affected by the provision or proposed provision of the special road, or
- (c) in pursuance of a notice under [section 150 or 161 of that Act] (protection of owner-occupiers in respect of planning blight) in a case where the appropriate enactment for the purposes of [section 154 of that Act] is or includes section 239(4)(c) above,

then subsection (3) below applies for the purpose of assessing compensation in respect of the compulsory acquisition.

(2) Where there are proposals for the provision of a lorry area on land adjoining, or in the vicinity of, a special road or proposed special road then, if that land, or any land of which that land forms part, is compulsorily acquired—

- (a) under section 240(5) above in a case where the acquisition is authorised by a compulsory purchase order which does not also authorise the acquisition of land required for the provision of the adjacent length of special road, or
- (b) in pursuance of a notice under [section 137 of the Town and Country Planning Act 1990], in a case where the [Upper Tribunal] is satisfied that there are proposals for using the whole or part of the relevant land for the purpose of providing a lorry area, in connection with the special road, and that the amount of the compensation would apart from this section be affected by the provision or proposed provision of the special road, or
- (c) in pursuance of a notice under [section 150 or 161 of that Act] in a case where the appropriate enactment for the purposes of [section 154 of that Act] is or includes section 240(5) above,

subsection (3) below applies for the purpose of assessing compensation in respect of the compulsory acquisition.

(3) In any such case as is mentioned in subsection (1) or (2) above the value of the relevant interest shall be ascertained—

- (a) so far as it is attributable to any relevant planning permission, on the assumption that traffic carried by the special road will not have direct or indirect access to the relevant land; and
- (b) so far as it is not attributable to any such planning permission, on the assumption that traffic carried by the special road will not have direct access to the relevant land.

(4) In this section—

“direct access” means access otherwise than by means of a highway which is not a special road and “indirect access” means access by means of a highway which is not a special road;

“lorry area development” means development for the purpose of providing a lorry area for use in connection with a special road or proposed special road;

“relevant planning permission” means any planning permission for service area development or, as the case may be, lorry area development, which is in force on the date of service of the notice to treat, or as to the grant of which any assumption is required to be made by virtue of [section 15] of the Land Compensation Act 1961, or the possibility of the grant of which is taken into account in assessing the compensation;

“service area development” means development of the relevant land, or of any part of it, for the purpose of providing such service stations or other buildings or facilities as are mentioned in section 239(4)(c) above or of providing any other buildings or facilities designed to cater to a significant extent for traffic carried or to be carried by the special road;

and any expression which is also used in the Land Compensation Act 1961 has the same meaning as in that Act.

265 Transfer of property and liabilities upon a highway becoming or ceasing to be a trunk road

(1) Where a highway becomes a trunk road, then, subject to the provisions of this section, as from the date on which the highway becomes a trunk road ("the operative date"), there are transferred to the Minister [or the strategic highways company, whichever is highway authority for the trunk road,] by virtue of this section—

- (a) the highway, in so far as, immediately before the operative date, it was vested in the former highway authority,

Transfer of Functions

Functions of the Minister, so far as exercisable in relation to Wales, transferred to the National Assembly for Wales, by the National Assembly for Wales (Transfer of Functions) Order 1999, SI 1999/672, art 2, Sch 1.

266 Transfer to Minister [or a strategic highways company] of privately maintainable bridges carrying trunk roads

(1) Where a highway comprising a bridge to which this section applies becomes a trunk road, the bridge by which that highway is carried is, subject to subsection (2) below, transferred to the Minister [or a strategic highways company, whichever is highway authority for the trunk road (“the trunk road authority”),] by virtue of this section on the date on which the highway becomes a trunk road (“the transfer date”).

(2) If on the transfer date a part of the highway carried by the bridge is not a trunk road, the bridge is not transferred to the [trunk road authority] by virtue of this section unless and until that part becomes a trunk road.

(3) Where a bridge is transferred to the [trunk road authority] by virtue of this section, then, subject to subsection (4) below—

- (a) the bridge, including any building or structure comprised in it and the highway carried by it, vests by virtue of this section in the [authority] for all the estate or interest of the owners therein, and
- (b) any statutory provision in force, in relation to the bridge, for the protection or benefit of statutory undertakers has effect, subject to any necessary modifications, as if for any reference therein to the owners of the bridge there were substituted a reference to the [authority].

(4) The [trunk road authority] and the owners may, by agreement in writing made either before or after the transfer date, agree that the provisions of subsection (3) above with respect to the transfer of the property shall not apply or, as the case may be, shall be deemed not to have applied, to such property comprised in the bridge as may be specified in the agreement.

(5) In respect of any bridge which is transferred to the [trunk road authority] by virtue of this section, the [authority] shall pay to the owners such sum as may be agreed between the [authority] and the owners, or in default of agreement such sum as may be determined by arbitration to represent the value to the owners of the bridge as an asset productive of revenue.

For the purposes of this subsection a bridge is not to be treated as an asset productive of revenue unless at the time when the bridge is transferred by virtue of this section—

- (a) a contract is in force under which payments have been made or will accrue to the owners in respect of the use of the bridge; or
- (b) the bridge includes a building constructed or adapted for the use by the owners for the purposes of their undertaking or for letting to some other person.

(6) Where a bridge transferred to the [trunk road authority] by virtue of this section carries the highway over a railway, canal, way or other works used for the purposes of an undertaking carried on by the owners, then, so long as those works are so used—

- (a) the [authority] shall, before entering on any land of the owners for the purpose of executing works for the maintenance, improvement or alteration of the bridge, give notice to the owners specifying the general nature of the works proposed to be executed;
- (b) except with the consent of the owners, the [authority] shall not reduce the headway or any span of the bridge; and
- (c) if the headway of the bridge is reduced in consequence of subsidence due to mining operations, or of works carried out by the owners for the purpose of raising the railway, canal, way or other works to a level not higher than their level before the subsidence occurred, the [authority] shall, if so required by the owners, raise the bridge so far as may be necessary to give the same headway as before the subsidence occurred.

(7) A consent required for the execution of works by the [trunk road authority] under subsection (6) above shall not be unreasonably withheld, and any question whether the withholding of such a consent is unreasonable shall be determined by arbitration.

(8) Any dispute between the [trunk road authority] and any person as to the property or liabilities transferred by virtue of this section, or as to the liability imposed on the [trunk road authority] by subsection (6)(c) above to carry out works, shall be determined by arbitration.

(9) This section applies to all bridges (not being highways maintainable at the public expense) which carry the highway over a railway or highway or over a canal, river, watercourse, marsh or other place where water flows or is collected or over a ravine or other depression, other than—

- (a) swing bridges,
- (b) bridges which carry a railway as well as a highway, and
- (c) bridges to which a right to levy tolls is attached;

but this section does not apply to Rochester Bridge.

(10) In this section—

“bridge” includes so much of the approaches thereto as supports or protects the surface of the trunk road;

“owners”, in relation to a bridge, means the persons who immediately before the transfer of the bridge to the [trunk road authority] were responsible for the maintenance of it, and includes any persons who, in pursuance of any agreement with the persons so responsible, were then discharging that responsibility on their behalf.

and references in this section, as respects a transfer from a lighting authority to a highway authority, to “the agreed date” are references to such date as may be determined by agreement between the two authorities or, in default of such agreement, as the Minister may direct.

(2) Subsections (3) to (6) below have effect where a road lighting system is at any time provided by a lighting authority for the purposes of a highway for which they are not the highway authority, and this includes cases where a footway lighting system maintained by a lighting authority other than the highway authority becomes a road lighting system—

- (b) except as provided by subsection (4) below, all other property or rights which, immediately before the agreed date, were vested in the lighting authority for the purposes of that system, and all liabilities incurred by that authority for those purposes and not discharged before that date.

and any property or rights so transferred vest, by virtue of this section, in the highway authority.

(4) There is not transferred to a highway authority by virtue of this section any right or liability of a lighting authority in respect of work done, services rendered, goods (including gas and electricity) supplied or money due for payment before the agreed date, and there is not transferred to the Minister by virtue of this section any liability of a lighting authority in respect of loans or loan charges.

(5) A highway authority and a lighting authority, or any two or more highway authorities, may make agreements with respect to the transfer of property, rights and liabilities under this section, including agreements—

- (a) for defining the property, rights and liabilities thereby transferred to the highway authority or any of those authorities, and
- (b) for the transfer or retention of property, rights or liabilities held or incurred for the purposes of two or more road lighting systems, or partly for the purposes of such a lighting system and partly for other purposes.

(6) Any dispute between the authorities concerned as to the property, rights or liabilities transferred by this section shall be determined—

- (a) where the Minister is one of those authorities, by arbitration;
- (b) in any other case, by the Minister.

(7) If in the case of a road or part of a road in which a footway lighting system is maintained by a lighting authority other than a highway authority the highway authority propose to provide a road lighting system (either as a separate system or by means of alterations of the footway lighting system), they may give notice to that effect to the lighting authority; and where such notice is given subsections (2) to (6) above apply in relation to the footway lighting system as if for the references in subsections (3) and (4) to the agreed date there were substituted references to such date as may be specified for the purpose in the notice.

Functions of the Minister, so far as exercisable in relation to Wales, transferred to the National Assembly for Wales, by the National Assembly for Wales (Transfer of Functions) Order 1999, SI 1999/672, art 2, Sch 1.

[278 Agreements as to execution of works]

[(1) A highway authority may, if they are satisfied it will be of benefit to the public, enter into an agreement with any person—

- (a) for the execution by the authority of any works which the authority are or may be authorised to execute, or

- (b) for the execution by the authority of such works incorporating particular modifications, additions or features, or at a particular time or in a particular manner,

on terms that that person pays the whole or such part of the cost of the works as may be specified in or determined in accordance with the agreement.

(2) Without prejudice to the generality of the reference in subsection (1) to the cost of the works, that reference shall be taken to include—

- (a) the whole of the costs incurred by the highway authority in or in connection with—
 - (i) the making of the agreement,
 - (ii) the making or confirmation of any scheme or order required for the purposes of the works,
 - (iii) the granting of any authorisation, permission or consent required for the purposes of the works, and
 - (iv) the acquisition by the authority of any land required for the purposes of the works; and
- (b) all relevant administrative expenses of the highway authority, including an appropriate sum in respect of general staff costs and overheads.

(3) The agreement may also provide for the making to the highway authority of payments in respect of the maintenance of the works to which the agreement relates and may contain such incidental and consequential provisions as appear to the highway authority to be necessary or expedient for the purposes of the agreement.

(4) The fact that works are to be executed in pursuance of an agreement under this section does not affect the power of the authority to acquire land, by agreement or compulsorily, for the purposes of the works.

(5) If any amount due to a highway authority in pursuance of an agreement under this section is not paid in accordance with the agreement, the authority may—

- (a) direct that any means of access or other facility afforded by the works to which the agreement relates shall not be used until that amount has been paid,
- (b) recover that amount from any person having an estate or interest in any land for the benefit of which any such means of access or other facility is afforded, and
- (c) declare that amount to be a charge on any such land (identifying it) and on all estates and interests therein.

(6) If it appears to the highway authority that a direction under subsection (5)(a) is not being complied with, the authority may execute such works as are necessary to stop up the means of access or deny the facility, as the case may be, and may for that purpose enter any land.

(7) Where a highway authority recovers an amount from a person by virtue of subsection (5)(b), he may in turn recover from any other person having an estate or interest in land for the benefit of which the means of access or other facility was afforded such contribution as may be found by the court to be just and equitable.

This does not affect the right of any of those persons to recover from the person liable under the agreement the amount which they are made to pay.

(8) The Local Land Charges Act 1975 applies in relation to a charge under subsection (5)(c) in favour of the Secretary of State as in relation to a charge in favour of a local authority.]

[(aa) a strategic road,] or

(b) a road in another London borough [other than a GLA road or strategic road],

unless the requirements of subsections (2) and (3) below have been satisfied.

(2) The first requirement is that the council has given notice of the proposal to exercise the power in the way in question—

(a) to Transport for London; and

(b) in a case where the road concerned is in another London borough, to the council for that borough.

(3) The second requirement is that—

(a) the proposal has been approved[—

(i) in the case of a GLA road, by Transport for London;

(ii) in the case of a strategic road, by Transport for London and, where the road concerned is in another London borough, the council for that borough;

(iii) in the case of a road within subsection (1)(b), by the London borough council concerned; or]

(b) the period of one month beginning with the date on which Transport for London and, where applicable, the council received notice of the proposal has expired without Transport for London or the council having objected to the proposal; or

- (c) any objection made by Transport for London or the council has been withdrawn; or
- (d) where an objection has been made by Transport for London or a London borough council and not withdrawn, the Greater London Authority has given its consent to the proposal after consideration of the objection.

[(3A) References in paragraphs (b) to (d) of subsection (3) to objections are to objections made by a person who, in the circumstances, has the power to give an approval under paragraph (a) of that subsection.]

(4) Before deciding whether to give any consent for the purposes of subsection (3)(d) above, the Greater London Authority may cause a public inquiry to be held.

(5) If Transport for London has reason to believe—

- (a) that a London borough council is proposing to exercise a power under this Act in a way which will affect, or be likely to affect,—
 - (i) a GLA road,
 - (ii) a strategic road, or
 - (iii) a road in another London borough other than a GLA road or strategic road, and]
- (b) that notice of the proposal is required to be, but has not been, given in accordance with subsection (2) above,

Transport for London may give a direction to the council requiring it not to proceed with the proposal until the requirements of subsections (2) and (3) above have been satisfied.

(6) If a London borough council exercises any power in contravention of this section, Transport for London may take such steps as it considers appropriate to reverse or modify the effect of the exercise of that power.

(7) For the purposes of subsection (6) above, Transport for London shall have power to exercise any power of the London borough council on behalf of that council.

(8) Any reasonable expenses incurred by Transport for London in taking any steps under subsection (6) above shall be recoverable by Transport for London from the London borough council concerned as a civil debt.

(9) The Mayor of London may issue a direction dispensing with the requirements of subsections (2) and (3) above in such circumstances as may be specified in the direction.

(10) A direction under subsection (9) above may, in particular, dispense with those requirements as respects—

- (a) all or any of the London borough councils;
- (b) all or any of the GLA roads [or strategic roads];
- (c) all or any of the roads which are [not GLA roads, strategic roads or] trunk roads;
- (d) the exercise of such powers as may be specified in the direction in such manner or circumstances as may be so specified.

(11) Any direction under subsection (9) above may be varied or revoked by a further direction under that subsection.

(12) Any reference in this section to a GLA road includes a reference to a GLA side road, within the meaning of the Road Traffic Regulation Act 1984 (see sections 124A(9) and 142(1) of that Act).

(13) In this section “road” means any length of highway or of any other road to which the public has access and includes bridges over which a road passes.

(14) Subsection (13) above is without prejudice to the construction of references to GLA roads or GLA side roads.

(15) The functions of the Greater London Authority under this section shall be functions of the Authority which are exercisable by the Mayor of London acting on behalf of the Authority.

(16) For the purposes of this section—

- (a) the City of London shall be treated as if it were a London borough;
- (b) the Common Council shall be treated as if it were the council for a London borough; and
- (c) the Inner Temple and the Middle Temple shall be treated as forming part of the City.

[(1)] Subject to the provisions of this section, nothing in this Act or in any scheme or order made under it affects any rights conferred by or in accordance with the [electronic communications code] on the operator of [an electronic communications code network] or any duty of any such operator under that code or applies to any [electronic communications apparatus] kept installed for the purposes of any such [network]; . . .

(3) In the circumstances mentioned in subsection (2) above, the operator of [the electronic communications code network] has the same power in respect of the [electronic communications apparatus] as if the conveyance had not been made or, as the case may be, the order had not come into force; but the transferee of the land or, as the case may be, any person entitled to land over which the stopped up or diverted highway subsisted shall be entitled to require the alteration of the apparatus.

(4) Where in pursuance of an order made by a magistrates, court under section 116 above a highway is stopped up or diverted, the following provisions of this subsection have effect in relation to so much of any [electronic communications apparatus] kept installed for the purposes of [an electronic communications code network] as is under, in, upon, over, along or across land which by reason of the stopping up or diversion ceases to be a highway ("the affected apparatus")—

- (a) the power of the operator of the [network] to remove the affected apparatus is exercisable notwithstanding the making of the order, so however that the said power is not exercisable, as respects the whole or any part of the affected apparatus, after the expiration of a period of 3 months from the date of the sending of the notice referred to in subsection (5) below unless before the expiration of that period the operator of the [network] has given notice to the authority on whose application the order was made of his intention to remove the affected apparatus or that part of it, as the case may be;
- (b) the operator of the [network] may by notice in that behalf to the said authority abandon the affected apparatus or any part of it, and is to be deemed, as respects the affected apparatus or any part of it, to have abandoned it at the expiration of the said period of 3 months unless before the expiration of that period he has removed it or given notice of his intention to remove it;
- (c) the operator of the [network] is entitled to recover from the said authority the expense of providing, in substitution for the affected apparatus and any [electronic communications apparatus] connected with it which is rendered useless in consequence of the removal or abandonment of the affected apparatus, any [electronic communications apparatus] in such other place as he may require;
- (d) where under paragraph (b) above the operator of the [network] has abandoned the whole or any part of the affected apparatus, it vests in the authority there referred to and shall be deemed, with its abandonment, to cease to be kept installed for the purposes of [an electronic communications code network].

(5) As soon as practicable after the making of an order under section 116 above in circumstances in which subsection (4) above applies in relation to the operator of [an electronic communications code network] the authority on whose application the order was made shall by notice to the operator inform him of the making of the order.

(6) Where an order under section 14 or 18 above provides for the alteration of a highway and, immediately before the date on which the order comes into force, there is under, in, upon, over, along or across the highway any [electronic communications apparatus] kept installed for the purposes of [an electronic communications code network], the highway authority shall be entitled to require the alteration of the apparatus.

This subsection does not have effect so far as it relates to the alteration of any [electronic communications apparatus] for the purposes of [major highway works, major bridge works or

major transport works within the meaning of Part III of the New Roads and Street Works Act 1991].

(7) Where in pursuance of an order under section 14 or 18 above a highway is stopped up or diverted, or an order under either of those sections provides for the alteration of a highway, and, immediately before the date on which the order comes into force, there is under, in, upon, over, along or across the highway any [electronic communications apparatus] kept installed for the purposes of [an electronic communications code network] then, without prejudice to subsections (2), (3) and (6) above, the provisions of subsection (8) below have effect.

(8) [Part 10 of Schedule 3A to the Communications Act 2003 (the electronic communications code)] (which provides a procedure for certain cases where works involve the alteration of [electronic communications apparatus]) shall apply, for the purposes of the construction or improvement of the trunk road, special road or classified road, as the case may be, to which the order relates and of any works authorised by the order, to the Minister or other highway authority by whom the order in question was made.

to the authority or person authorised or required to carry out the work.

(10) Where, in pursuance of any order or scheme made or confirmed under this Act, a navigable watercourse is diverted and, immediately before the date on which the order or scheme comes into force, there is under, in, upon, over, along or across the watercourse, or any towing path or other way adjacent to it, any [electronic communications apparatus] kept installed for the purposes of [an electronic communications code network], the operator of that [network] has the same powers in respect of that apparatus as if the order or scheme had not come into force; but—

- (a) the highway authority by whom the order or scheme was made, or
- (b) any person entitled to land on which so much of the watercourse, towing path or way as is diverted in pursuance of the order or scheme was previously situated,

shall be entitled to require the alteration of the apparatus.

(11) [Paragraph 68] of the [electronic communications code] (offence) shall be deemed to be omitted for the purposes of the application by this section of [Part 10 of the code] to the Minister.

(12) Paragraph [108(2)] of the [electronic communications code] (alteration of apparatus to include moving, removal or replacement of apparatus) shall apply for the purposes of the preceding provisions of this section as it applies for the purposes of that code.

(13) [Part 6 of the electronic communications code (rights to require removal of electronic communications apparatus)] shall apply in relation to any entitlement conferred by this section to

require the alteration, moving or replacement of any [electronic communications apparatus] as it applies in relation to an entitlement to require the removal of any such apparatus.]

3

Not later than the day on which the said notice is published or, if it is published on 2 or more days, the day on which it is first published, the Minister[, the strategic highways company] or the local highway authority, as the case may be, shall serve on each person specified in such head or heads of the Table set out at the end of this paragraph as apply in the case of the order in question—

7

(1) If any objection to the proposed order is received by the Minister—

- (a) from any person on whom a copy of the notice is required to be served under paragraph 3 above within the period specified in the notice in pursuance of paragraph 1(b) above or, if that period has been extended by a subsequent notice under paragraph 5 above, within the period specified in the subsequent notice, or

[(3A) Any person may, on payment of such reasonable charge as the authority may consider appropriate, require an authority to give him notice of all such public path creation orders, public path extinguishment orders[, rail crossing extinguishment orders, [special extinguishment orders,] public path diversion orders *and rail crossing diversion orders* [, rail crossing diversion orders, special diversion orders and SSSI diversion orders]] as are made by the authority during a specified period, are of a specified description and relate to land comprised in a specified area; and in this sub-paragraph “specified” means specified in the requirement.

(1) If no representations or objections are duly made, or if any so made are withdrawn, then—

- (a) [subject to sub-paragraph (2A)] the Secretary of State may, if he thinks fit, confirm or make the order, as the case may be, with or without modifications;
- (b) the authority by whom the order was made (where not the Secretary of State) may, instead of submitting the order to the Secretary of State, themselves confirm the order (but without any modification).

(2) If any representation or objection duly made is not withdrawn, the Secretary of State shall, before confirming or making the order, as the case may be, if the objection is made by a local authority cause a local inquiry to be held, and in any other case either—

- (a) cause a local inquiry to be held, or
- (b) afford to any person by whom any representation or objection has been duly made and not withdrawn an opportunity of being heard by a person appointed by him for the purpose,

and, after considering the report of the person appointed to hold the inquiry or to hear representations or objections, may, subject as provided below, confirm or make the order, as the case may be, with or without modifications.

In the case of a public path creation order *or a public path diversion order* [, a public path diversion order, a special diversion order or an SSSI diversion order], if objection is made by statutory undertakers on the ground that the order provides for the creation of a public right of way over land covered by works used for the purposes of their undertaking or the curtilage of such land, and the objection is not withdrawn, the order is subject to special parliamentary procedure.

[(2ZA) If representations or objections have been duly made to an authority in England other than the Secretary of State (and not withdrawn), but the authority consider that none of the representations or objections are relevant, the authority may proceed under this Schedule as if no representations or objections had been duly made (and the provisions of this Schedule apply accordingly).

(2ZB) If representations or objections have been duly made to such an authority (and not withdrawn), but the authority consider that at least one of the representations or objections is not relevant, the authority may elect that the order shall have effect as two separate orders—

- (a) the one comprising the parts to which the relevant representations or objections relate; and
- (b) the other, comprising the remaining parts, which is to be treated as if no representations or objections had been duly made;

and the provisions of this Schedule apply accordingly.

(2ZC) For the purposes of this paragraph, a representation or objection is relevant if, were the order to be submitted to the Secretary of State, it would be relevant in determining whether or not to confirm the order (either with or without modifications).

(2ZD) In deciding whether to exercise their power under subsection (2ZA) or (2ZB), an authority shall have regard to any guidance given by the Secretary of State.

(2ZE) Where the authority decide to exercise such a power, the authority shall inform the applicant, and any person who made a representation or objection (and has not withdrawn it), of their decision and the reasons for it.]

[(2A) Before making or confirming an order on an appeal under section 121D(1) of this Act, the Secretary of State shall—

- (a) if requested by the authority who made an order to which the appeal relates to cause a local inquiry to be held, cause such an inquiry to be held, and
- (b) if a request to be heard with respect to the question to be determined is made by the appellant, either afford to the appellant an opportunity of being heard by a person appointed by the Secretary of State for the purpose or cause a local inquiry to be held,

whether or not he would be required to do so apart from this sub-paragraph.]

(3) Notwithstanding anything in the foregoing provisions of this paragraph, the Secretary of State shall not confirm or make an order so as to affect land not affected by the order as submitted to him or the draft order prepared by him, as the case may be, except after—

- (a) giving such notice as appears to him requisite of his proposal so to modify the order, specifying the time (which shall not be less than 28 days from the date of the first publication of the notice) within which, and the manner in which, representations or objections with respect to the proposal may be made,
- (b) holding a local inquiry or affording to any person by whom any representation or objection has been duly made and not withdrawn an opportunity of being heard by a person appointed by him for the purpose, and
- (c) considering the report of the person appointed to hold the inquiry or to hear representations or objections, as the case may be,

and, in the case of a public path creation order *or a public path diversion order* [, a public path diversion order, a special diversion order or an SSSI diversion order], if objection is made by statutory undertakers on the ground that the order as modified would provide for the creation of a public right of way over land covered by works used for the purposes of their undertaking or the curtilage of such land, and the objection is not withdrawn, the order is subject to special parliamentary procedure.

[(4) The Secretary of State may, but need not, act as mentioned in sub-paragraph (2)(a) or (b) or (3)(b) in relation to an order relating to England if, in his opinion, no representation or objection which has been duly made and not withdrawn relates to an issue which would be relevant in determining whether or not to confirm the order (either with or without modifications) or to make it.]

[(5) In the case of an order relating to England, the Secretary of State may, instead of affording a person an opportunity of being heard as mentioned in sub-paragraph (2)(b), (2A)(b) or (3)(b), afford the person an opportunity of making representations (or further representations) to a person appointed by him or her for the purpose.]

[(6) Where the Secretary of State acts under sub-paragraph (5) by affording a person an opportunity of making representations (or further representations) instead of an opportunity of being heard as mentioned in sub-paragraph (2)(b) or (3)(b), the reference in sub-paragraph (2) or (as the case may be) (3)(c) to the report of the person appointed to hear representations or objections is to be read as a reference to the report of the person appointed under sub-paragraph (5).]

[2ZZA

(1) Where at any time representations or objections duly made to an authority in England (and not withdrawn) relate to only parts of an order, the authority may elect that for the purposes of paragraph 2 and the following provisions of this Schedule, the order shall have effect as two separate orders—

- (a) the one comprising the parts to which the representations or objections relate; and
- (b) the other comprising the remaining parts.

(2) Where the authority is not the Secretary of State, an election for the purposes of sub-paragraph (1) shall be given by notice to the Secretary of State.

(3) Where an order made by an authority in England (other than the Secretary of State) is submitted to the Secretary of State, and any representations or objections duly made (and not withdrawn) relate to only parts of the order, the Secretary of State may, by notice given to the authority, elect that it shall have effect as two separate orders—

(a) the one comprising the parts to which the representations or objections relate (“the opposed order”); and

(b) the other comprising the remaining parts.

(4) Where notice is given under sub-paragraph (3), paragraph 2 and the following provisions of this Schedule apply as if only the opposed order had been submitted to the Secretary of State for confirmation.

(5) Any reference in sub-paragraph (1) or (3) to an order includes a reference to any part of an order which, by virtue of one or more previous elections under that sub-paragraph, has effect as a separate order.]

2ZA

(1) Where a public path extinguishment order, a special extinguishment order, a public path diversion order or a special diversion order is made by an authority other than the Secretary of State on an application under section 118ZA, 118C, 119ZA or 119C of this Act, that authority shall, as soon as reasonably practicable after the expiry of the time for representations, determine—

(a) whether, in the case of an unopposed order, to confirm it under paragraph 2(1)(b) above, or

(b) whether to submit the order to the Secretary of State.

(2) The authority making a determination required by sub-paragraph (1) above shall, as soon as practicable after making it, give to the applicant notice in writing of their determination and the reasons for it and give a copy of the notice to such other persons as may be prescribed.

(3) Where—

(a) an authority other than the Secretary of State have made a public path extinguishment order, a special extinguishment order, a public path diversion order or a special diversion order on an application under section 118ZA, 118C, 119ZA or 119C of this Act, and

(b) at the end of the period of two months beginning with the expiry of the time for representations, that authority have not determined—

(i) whether, in the case of an unopposed order, to confirm it under paragraph 2(1)(b) above, or

(ii) whether to submit the order to the Secretary of State,

the Secretary of State may, at the request of the person on whose application the order was made, by direction require the authority to determine that question before the end of such period as may be specified in the direction.

(4) In this paragraph “the time for representations” means the time specified by the authority in accordance with paragraph 1(1)(c) above.

2ZB

Where, in relation to any public path extinguishment order, special extinguishment order, public path diversion order or special diversion order which was made by an authority other than the Secretary of State on an application under section 118ZA, 118C, 119ZA or 119C of this Act, no

representations or objections are duly made or any representations or objections so made are withdrawn, that authority may not submit the order to the Secretary of State for confirmation with any modification of the map contained in the order.]

(2) The Secretary of State may, if he thinks fit, direct that a decision which, by virtue of sub-paragraph (1) above and apart from this sub-paragraph, falls to be made by a person appointed by the Secretary of State shall instead be made by the Secretary of State; and a direction under this sub-paragraph shall state the reasons for which it is given and shall be served on the person, if any, so appointed, the authority and any person by whom a representation or objection has been duly made and not withdrawn.

(3) Where the Secretary of State has appointed a person to make a decision under paragraph 2 above the Secretary of State may, at any time before the making of the decision, appoint another person to make it instead of the person first appointed to make it.

(4) Where by virtue of sub-paragraph (2) or (3) above a particular decision falls to be made by the Secretary of State or any other person instead of the person first appointed to make it, anything done by or in relation to the latter shall be treated as having been done by or in relation to the former.

(2) In its application to a hearing or local inquiry held under paragraph 2 above by a person appointed under paragraph 2A(1) above, subsection (5) of section 250 of that Act shall have effect as if the reference to the Minister causing the inquiry to be held were a reference to the person so appointed or the Secretary of State.

SCHEDULE 7

SCHEDULE 7

MAINTENANCE OF CERTAIN HIGHWAYS BY DISTRICT COUNCILS

Sections 42, 50, 230

Part I

Regulations Governing Exercise of Powers

1

Before exercising the relevant powers in relation to any highway in respect of which those powers are exercisable, the council of a district shall give notice of their intention to do so to the county council who are the local highway authority, specifying the highway or highways concerned.

In this Schedule “the relevant powers” means the powers of a [non-metropolitan] district council under sections 42, 50(2) and 230(7) of this Act.

2

If the county council are of the opinion that any highway specified in a notice under paragraph 1 above does not fall within the relevant powers, they may, at any time within the period of 6 weeks beginning with the date on which they receive the notice, serve a counter-notice on the district council disputing the right of the district council to exercise in relation to the highway concerned any of the relevant powers; and if the dispute is not resolved by the county council and the district council within 6 weeks after the receipt of the counter-notice by the district council the dispute shall be referred to the Minister for his decision.

3

(1) The relevant powers with respect to a highway specified in a notice under paragraph 1 above become exercisable—

- (a) where no counter-notice is served in respect of the highway under paragraph 2 above, at the expiry of the period of 6 weeks first specified in that paragraph; and
- (b) where such a counter-notice is served, when the dispute is resolved in favour of the district council by the councils concerned or, as the case may be, when the Minister's decision on the dispute in favour of the district council is received by the district council;

but if a dispute resulting from the service of a counter-notice under paragraph 2 above is resolved or decided by the Minister against the district council, the relevant powers are not exercisable by the district council in respect of the highway concerned and no further notice under paragraph 1 above may be given by the district council in respect of that highway unless its status is changed or there is such a change in the character of the road as to give reasonable ground for believing that it has become an urban road.

(2) In the event that a highway in respect of which the relevant powers have become exercisable in accordance with sub-paragraph (1) above or paragraph 4(2) below becomes a trunk road or classified road, the relevant powers thereupon cease with respect to that highway.

4

(1) Without prejudice to paragraph 3(2) above, the relevant powers cease to be exercisable with respect to any highway—

- (a) on such day as may be agreed between the district council and the county council who are the local highway authority for the highway; or
- (b) 6 months after the receipt by that county council of a notice from the district council stating the intention of the district council to cease to exercise those powers;

and any such agreement or notice may relate either to such highway or highways as may be specified in the agreement or notice or to all the highways in respect of which the relevant powers are exercisable at the time the agreement is made, or as the case may be, the notice is served.

(2) Where the relevant powers have ceased to be exercisable with respect to a highway by virtue of an agreement or notice under sub-paragraph (1) above, those powers shall not, except with the consent of the county council who are the highway authority for that highway, again become exercisable with respect to that highway at any time within the period of 10 years beginning with the day on which the powers cease to be so exercisable; but if, at any time after the expiry of that period or, with the consent of the county council, before the expiry, the district council intend again to exercise those powers with respect to that highway, paragraphs 2 and 3(1) above do not apply and those powers become exercisable at the expiry of the period of 6

weeks beginning with the date on which the county council who are the highway authority receive notice of the district council's intention under paragraph 1 above.

(3) If, by virtue of paragraph 3(2) or sub-paragraph (1) above, the relevant powers cease to be exercisable with respect to any highway, the cessation does not affect the continued existence, on and after the day on which the powers cease to be so exercisable, of any rights or liabilities of the district council in respect of the highway which are in existence immediately before that day.

5

(1) Every district council shall prepare and keep up to date a list of the highways in respect of which the relevant powers are for the time being exercisable by them, and the council shall make the list available for public inspection free of charge at all reasonable hours at the offices of the council.

(2) A copy of any list of highways prepared by a district council under sub-paragraph (1) above and of all amendments for the time being made thereto shall be furnished by the district council to the county council who are the highway authority for the highways concerned.

(3) Except in so far as the relevant powers with respect to a highway cease to be exercisable by a district council in accordance with paragraph 3(2) or paragraph 4(1) above, an entry in the list kept under this paragraph is conclusive evidence that the highway specified in the entry is one in respect of which the relevant powers are exercisable by the district council.

6

A statement by or on behalf of the Minister that a highway is or is not a classified road is conclusive for the purposes of sections 42 and 230(7) of this Act and of this Schedule.

7

A district council shall indemnify a county council in respect of any claim made against the county council, as highway authority,—

- (a) in respect of a failure to maintain a highway at a time when the relevant powers were exercisable by the district council with respect to the highway, or
- (b) arising out of any works of maintenance on a highway carried out by the district council in exercise of those powers.

SCHEDULE 10

PROCEDURE FOR DETERMINATION BY HIGHWAY AUTHORITY OF CERTAIN QUESTIONS ARISING IN CONNECTION WITH PROVISION OF CATTLE-GRID OR BY-PASS

Sections 82, 86

1

(1) Before determining, under section 82 or 86 of this Act, the question—

- (a) whether it is expedient to place any part of a cattle-grid in, or provide a by-pass on, any such land not forming part of a highway and not belonging to the highway authority therefor as is mentioned in section 82(4), or
- (b) whether it is expedient to provide a by-pass along any part of a highway, or
- (c) whether the purpose for which a right to install gates is exercisable will be adequately achieved by the provision of a cattle-grid,

a highway authority shall comply with the requirements specified in sub-paragraph (2) below.

(2) The requirements referred to in sub-paragraph (1) above are as follows, namely, that the authority shall—

- (a) publish in 2 successive weeks in one or more local newspapers circulating in the area where the cattle-grid is to be, or has been, provided a notice—
 - (i) stating generally the question for determination.
 - (ii) naming a place within the said area where a copy may be inspected free of charge at all reasonable hours of such plans or other descriptive matter as appear to the highway authority to be requisite for enabling the nature of the question to be understood, and
 - (iii) specifying the time (which shall not be less than 28 days from the date of the first publication of the notice) within which and the manner in which representations may be made to the highway authority, and
- (b) display a like notice in a prominent position at the place where the cattle-grid is to be or has been provided.

2

If no representation is duly made under paragraph 1 above, or if every representation so made is withdrawn, the highway authority may proceed to determine the question.

3

- (1) Where a representation is duly made as aforesaid and not withdrawn, the following provisions have effect.
- (2) Where the highway authority is not the Minister, the authority shall forward the representation to the Minister, together with their observations thereon and their proposals, in the light of the representations, for determining the question.
- (3) The Minister shall consider any representations received by him (and, where the highway authority is not the Minister, the authority's observations and proposals forwarded to him as aforesaid) and shall either cause a local inquiry to be held or afford to any person by whom a representation has been duly made and not withdrawn and, where the highway authority is not the Minister, to that authority, an opportunity of appearing before and being heard by a person appointed by the Minister for the purpose.
- (4) After the Minister has considered the report of the person who held the inquiry under sub-paragraph (3) above, or the person appointed under that sub-paragraph, as the case may be,—
- (a) the Minister may, where he is the highway authority, proceed to determine the question;
 - (b) where he is not the highway authority, the authority may determine the question in the affirmative if the Minister consents, but not otherwise, and subject to compliance with any conditions subject to which his consent is given.
- (5) Notwithstanding anything in sub-paragraph (3) above, except where a representation is made by a highway authority other than the Minister, the Minister may, if satisfied that in the special circumstances of the case the holding of a local inquiry or the affording to the person making such representation as aforesaid of an opportunity to be heard by a person appointed by the Minister is unnecessary, proceed without compliance in this respect with the provisions of the said sub-paragraph (3).
- (6) As soon as may be after the determination of the question, a notice of the determination shall be sent by the Minister to any person by whom a representation has been made under the foregoing provisions of this Schedule.

4

For the purpose of displaying a notice as required by paragraph 1 above, a highway authority may, on the highway or on adjoining land (whether or not belonging to the authority), erect and maintain posts or boards or affix a notice to any building or structure; but the powers conferred by this paragraph shall not be exercised on land off the highway which is occupied, except with the consent of the occupier.

5

In relation to the exercise by a council of functions of the Minister as highway authority delegated to the council under section 89 of this Act, the foregoing provisions of this Schedule apply as if the council, and not the Minister, were the highway authority.

SCHEDULE 11

PROVISIONS AS TO ORDERS UNDER SECTION 93 OF THIS ACT

Section 93

Limitations on matters to be dealt with by orders

1

The Minister shall not by an order under section 93 of this Act (hereafter in this Schedule referred to as “an order”) direct that a swing bridge crossing a canal is to be operated otherwise than by the owners of the canal unless he is satisfied, after considering any representations made to him by the owners of the canal, that the facilities for traffic on the canal will not be prejudiced thereby.

2

The Minister shall not by an order with respect to a swing bridge modify any statutory provisions relating to precedence of traffic.

3

The Minister shall not by an order with respect to a bridge crossing a railway or a canal modify any statutory provisions relating to the headway of the bridge or the width of the canal without the consent of the owners of the railway or canal.

4

An order made with respect to—

- (a) a bridge owned by railway undertakers which carries a highway over a railway of the undertakers, or carries both a highway and such a railway, or
- (b) a bridge owned by dock undertakers or harbour undertakers, or
- (c) a bridge, other than one falling within sub-paragraph (a) above, owned by [Canal & River Trust] and forming part of so much of the undertaking of [Canal & River Trust] as corresponds to the undertaking of the Weaver Navigation Trustees prior to the vesting of that undertaking in the British Transport Commission . . . under the Transport Act 1947,

shall not, without the consent of the owners of the bridge, either—

- (i) require works for the reconstruction or improvement of the bridge to be carried out otherwise than by the owners, or
- (ii) direct the bridge to be maintained otherwise than by the owners, or
- (iii) transfer the property in the bridge to a highway authority, or

- (iv) in the case of a swing bridge, direct the bridge to be operated otherwise than by the owners.

5

Nothing in an order made with respect to—

- (a) a bridge owned by railway undertakers and crossing a railway of the undertakers, or
- (b) a bridge owned by canal undertakers and crossing a canal of the undertakers, or
- (c) a bridge owned by dock undertakers, or by harbour undertakers, crossing a railway, lock, passage or other work of the undertakers,

shall, without the consent of the owners of the bridge, require the bridge to be altered or reconstructed in such a manner as to necessitate an alteration in the level, or reduction in the width, of the railway, canal, lock, passage or work, or to reduce the headway of the bridge as existing at the date of the order.

6

An order requiring the reconstruction of a bridge crossing a canal, or of the approaches to such a bridge, shall, unless the owners of the bridge agree to the contrary, direct the bridge, the highway carried by the bridge, and the approaches to the bridge to be maintained by a highway authority.

Procedure for making orders

7

- (1) An order to which this paragraph applies shall be prepared in draft and made by the Minister in accordance with this paragraph and paragraphs 8 to 10 below.
- (2) The order shall describe by reference to a map the land on which the works to which the order relates are proposed to be executed or constructed.
- (3) Subject as aforesaid, the form of the order shall be such as the Minister may determine.
- (4) This paragraph applies to an order which requires or authorises the owners of a bridge or a highway authority to execute or construct any works.

8

Before making an order to which paragraph 7 above applies the Minister shall in 2 successive weeks publish in one or more local newspapers circulating in the area in which the proposed works are to be executed or constructed a notice—

- (a) stating the general effect of the proposed order,
- (b) naming a place in the said area where a copy of the draft order, the map referred to in it, and plans and sections of the proposed works, may be inspected free of charge at all reasonable hours, and
- (c) specifying the time (which shall not be less than 21 days from the date of the first publication of the notice) within which and the manner in which objections to the draft order may be made,

and shall serve on all statutory undertakers appearing to him to be affected by the proposed works a notice stating the general effect of the order and that it is proposed to be made, and specifying the time (which shall not be less than 21 days from the date of service of the notice) within which and the manner in which objections to the draft order may be made.

9

(1) If no objection is duly made by any person who will be affected by the proposed works, or if all objections so made are withdrawn, the Minister, on being satisfied that the proper notices have been published and served, may, if he thinks fit, make the order with or without modifications.

(2) If an objection duly made as aforesaid is not withdrawn, the Minister shall, before making the order, either cause a local inquiry to be held or afford to any person by whom any objection has been duly made as aforesaid and not withdrawn an opportunity of appearing before and being heard by a person appointed by the Minister for the purpose and, after considering the objection and the report of the person who held the inquiry or the person appointed as aforesaid, may make the order either with or without modifications.

(3) If any person by whom an objection has been made avails himself of the opportunity of being heard, the Minister shall afford to the . . . highway authority, or to the owners of a bridge, by whom the proposed works are to be executed or constructed, and to any other person to whom it appears to him expedient to afford it, an opportunity of being heard on the same occasion.

(4) Notwithstanding anything in sub-paragraphs (2) and (3) above, the Minister may require any person who has made an objection to state in writing the grounds of it.

10

As soon as may be after the order has been made the Minister shall publish in one or more local newspapers circulating in the area in which the proposed works are to be executed or constructed a notice describing the proposed works, stating that the order has been made and naming the place where a copy of the order and of the map referred to therein, and a copy of plans and sections of the proposed works, may be inspected free of charge at all reasonable hours, and shall serve a like notice and a copy of the order on any statutory undertakers on whom a notice was required to be served under paragraph 8 above.

11

Subject to paragraphs 7 to 10 above, the Minister of Transport may make regulations for prescribing the procedure to be followed in connection with the making of orders.

Power to postpone commencement of orders

12

The Minister may postpone the date of the coming into operation of an order in a case where it appears to him that, owing to the number or nature of the orders and applications affecting the same highway authority or affecting bridges belonging to the same owners, the making of an order which would be immediately operative would work hardship to that authority or to those owners.

Provisions as to public utility undertakers

13

(1) Before making an order for the reconstruction or improvement of a bridge, the Minister shall take into consideration the desirability of the provision of special facilities or accommodation for carrying across the bridge the mains, [sewers,] pipes, cables or wires of public utility undertakers; but in a case where the provision of facilities or accommodation greater than those available in the bridge before reconstruction or improvement would increase the cost of the reconstruction or improvement, he shall have regard to the amount of any contribution towards the cost of the reconstruction or improvement which any public utility undertakers may be willing to make.

(2) In this paragraph, and in paragraph 14 below, "public utility undertakers" includes persons authorised by any enactment to carry on an undertaking for the operation of a light railway, a tramway, or trolley vehicles (that is to say, mechanically propelled vehicles adapted for use upon highways without rails and moved by power transmitted thereto from some external source).

14

(1) Where an order provides for the transfer to a highway authority—

- (a) of the property in a bridge, or in the highway carried by a bridge, or in the approaches to a bridge, or
- (b) of the responsibility for the maintenance of a bridge, or of any such highway or approaches, or
- (c) of rights or obligations attaching to a bridge or to any such highway or approaches,

any statutory provisions in force in relation thereto for the protection or benefit of any public utility undertakers shall, except so far as may be otherwise expressly provided by the order for giving effect to an agreement made between the parties concerned, remain in force notwithstanding the transfer.

(2) In relation to property, responsibilities, rights or obligations transferred by an order which provides as aforesaid, any such statutory provisions shall apply to the highway authority, and to the exercise by them of any powers under the order, in like manner as they applied, before the transfer, to the owners of the bridge, highway or approaches, and to the exercise of powers by the owners thereof.

Apportionment of expenses

15

(1) Subject to sub-paragraph (2) below, where an order has been made with respect to a bridge . . .—

- (a) requiring the reconstruction or improvement of the bridge, or of the highway carried by the bridge, or of the approaches to the bridge, or
- (b) relating to the maintenance of the bridge, or of any such highway or approaches, or
- (c) relating to the operation of the bridge, being a swing bridge,

the expense of such reconstruction, improvement, maintenance or operation shall be defrayed either by the owners of the bridge or by one or more of the highway authorities entitled to make application with respect thereto by virtue of section 95 of this Act, or partly by the owners of the bridge and partly by one or more of those highway authorities, as, in default of agreement, may be determined by arbitration.

(2) Sub-paragraph (1) above is subject to the following, namely that, unless otherwise agreed,—

- (a) where the bridge is a bridge crossing a railway of railway undertakers, or a canal of canal undertakers, or a railway, lock, passage or other work of dock undertakers or of harbour undertakers, any additional expense incurred by the owners of that railway, canal, lock, passage or work by reason of any alteration thereof due to the provisions of the order (other than provisions applied for by the undertakers for the improvement of their undertaking) shall be defrayed by one or more of the highway authorities;
- (b) where the bridge is a swing bridge, any additional expense incurred by the owners in relation to the operation of the bridge due to the provisions of the order (other than provisions applied for by the owners for the improvement of their undertaking) shall be defrayed by one or more of the highway authorities; and
- (c) except so far as any additional expense is due to works executed at the instance of the owners of the bridge for the improvement of their undertaking, the owners' share of the expense of the reconstruction, improvement, maintenance or operation shall be an amount equivalent to what would have been the amount of the owners' liability if no such order had been made.

16

Where the reconstruction or improvement of a bridge crossing—

- (a) a railway of railway undertakers, or
- (b) a canal of canal undertakers, or
- (c) a railway, lock, passage or other work of dock undertakers or of harbour undertakers,

effected in pursuance of an order made otherwise than upon the application of the owners of the bridge, has caused the width between the parapets of the bridge, or the width of the approaches to it, to be increased, any additional expense thereafter incurred in consequence of the increase by the owners of that railway, canal, lock, passage or work in connection with the widening or alteration thereof under the bridge or the approaches to it shall be defrayed by one or more of the highway authorities referred to in paragraph 15 above, and any question whether any such additional expense has been so incurred or as to the amount thereof shall, in default of agreement, be determined by arbitration.

17

...

18

Where it is determined by agreement or an award that the whole or part of the expenses of reconstruction, improvement, maintenance or operation is to be borne by two or more highway authorities, the expenses or part thereof shall be apportioned between them in such manner as, in default of agreement, may be determined by arbitration.

19

Where it is determined by agreement or an award that the owners of a bridge are to contribute to the expense of a highway authority, the contribution shall, at the option of the owners of the bridge, be paid—

- (a) as a lump sum, or
- (b) by annual payments of such amount, and continuing for such number of years, as may be agreed between the owners and the authority or, in default of agreement, as may be determined by arbitration, or
- (c) by perpetual annual payments of such amount as may be so agreed or determined.

Functions of the Minister, so far as exercisable in relation to Wales, transferred to the National Assembly for Wales, by the National Assembly for Wales (Transfer of Functions) Order 1999, SI 1999/672, art 2, Sch 1.

SCHEDULE 12

Part II Apparatus of Statutory Undertakers

4

Where this Part of this Schedule applies in relation to a highway, the statutory undertakers whose apparatus is under, in, upon, over, along or across the highway have the same powers and rights in respect of that apparatus, subject to the provisions of this Schedule, as if the order authorising the highway to be stopped up or diverted had not been made or, as the case may be, as if the conveyance of land pursuant to section 256 of this Act had not been made.

5

Where a highway is stopped up or diverted in pursuance of an order under section 116 or land is conveyed pursuant to section 256, the statutory undertakers whose apparatus is under, in, upon, over, along or across the highway may, and, if reasonably requested so to do by the authority on whose application the order was made, or who conveyed the land, as the case may be, shall—

- (a) remove the apparatus and place it or other apparatus provided in substitution for it in such other position as they may reasonably determine and have power to place it; or
- (b) provide other apparatus in substitution for the existing apparatus and place it in such position as aforesaid.

Any works executed under this paragraph (including the provision of apparatus thereunder) are hereafter in this Part of this Schedule referred to as “undertakers’ works”.

6

Subject to the following provisions of this Part of this Schedule, the authority on whose application an order under section 116 stopping up or diverting a highway was made or, as the case may be, the authority who conveyed the land pursuant to section 256, shall pay to any statutory undertakers an amount equal to the cost reasonably incurred by them in or in connection with—

- (a) the execution of undertakers' works required in consequence of the stopping up or diversion of that highway or, as the case may be, the conveyance of the land, and
- (b) the doing of any other work or thing rendered necessary by the execution of undertakers' works.

7

If in the course of the execution of undertakers' works under paragraph 5 above—

- (a) apparatus of better type, of greater dimensions or of greater capacity is placed in substitution for existing apparatus of worse type, of smaller dimensions or of smaller capacity, or
- (b) apparatus (whether existing apparatus or apparatus substituted for existing apparatus) is placed at a depth greater than the depth at which the existing apparatus was,

and the placing of apparatus of that type, dimensions or capacity or the placing of apparatus at that depth, as the case may be, is not agreed by the authority concerned, or, in default of agreement, is not determined by arbitration to be necessary, then, if it involves cost in the execution of the undertakers' works exceeding that which would have been involved if the apparatus placed had been of the existing type, dimensions or capacity, or at the existing depth, as the case may be, the amount which apart from this paragraph would be payable to the undertakers by virtue of paragraph 6 above shall be reduced by the amount of that excess.

8

For the purposes of paragraph 7 above—

- (a) an extension of apparatus to a length greater than the length of existing apparatus shall not be treated as a placing of apparatus of greater dimensions than those of the existing apparatus;
- (b) where the provision of a joint in a cable is agreed, or is determined to be necessary, the consequential provision of a jointing chamber or of a manhole shall be treated as if it also had been agreed or had been so determined.

9

An amount which apart from this paragraph would be payable to undertakers in respect of works of theirs by virtue of paragraph 6 above (and having regard, where relevant, to paragraph 7 above) shall, if the works include the placing of apparatus provided in substitution for apparatus placed more than 7 1/2 years earlier so as to confer on the undertakers any financial benefit by deferment of the time for renewal of the apparatus in the ordinary course, be reduced by the amount which represents that benefit.

10

Any question arising under this Part of this Schedule shall, in default of agreement between the parties concerned, be determined by arbitration.

In this Schedule—

“appointed person” means a person appointed under section 121(5B) of this Act;

“appropriate Minister” has the same meaning as in section 121(5) of this Act;

“appointment”, in the case of any appointed person, means appointment under section 121(5B) of this Act.

Appointments

2

An appointment under section 121(5B) of this Act must be in writing and—

- (c) may, by notice in writing given to the appointed person, be revoked at any time by the appropriate Minister in respect of any question which has not been determined by the appointed person before that time.

Powers of appointed person

3

Subject to the provisions of this Schedule, an appointed person shall, in relation to the determination of any question to which his appointment relates, have the same powers and duties as the appropriate Minister, other than—

- (a) any function of holding an inquiry or other hearing or of causing an inquiry or other hearing to be held; or
- (b) any function of appointing a person for the purpose—
 - (i) of enabling persons to appear before and be heard by the person so appointed; or

(2) Whether or not sub-paragraph (1) above applies, the appointed person—

- (a) may hold an inquiry or other hearing in connection with the determination of the question, and

- (b) shall, if the appropriate Minister so directs, hold an inquiry in connection with that determination.

(3) Where an appointed person holds an inquiry or other hearing by virtue of this Schedule, an assessor may be appointed by the appropriate Minister to sit with the appointed person at the inquiry or hearing and advise him on any matters arising, notwithstanding that the appointed person is to determine the question.

(4) Subject to paragraph 7 below, the costs of an inquiry or other hearing held under this Schedule shall be defrayed by the appropriate Minister.

Revocation of appointments and making of new appointments

5

(1) Where under paragraph 2(c) above the appointment of the appointed person is revoked in respect of any question, the appropriate Minister shall, unless he proposes to determine the question himself, appoint another person under section 121(5B) of this Act to determine the question instead.

(2) Where such a new appointment is made, the consideration of the question, or any hearing in connection with it, shall be begun afresh.

Certain acts and omissions of appointed person to be treated as those of appropriate Minister

Local inquiries and hearings: evidence and costs

7

Subsections (2) to (5) of section 250 of the Local Government Act 1972 (local inquiries: evidence and costs) shall apply to local inquiries or other hearings held under this Schedule by an appointed person as they apply to inquiries caused to be held under that section by a Minister, but as if—

Section 160A

[Interpretation]

1

(1) For the purposes of this Schedule the “minimum width” and “maximum width” of a highway shall be determined in accordance with sub-paragraphs (2) and (3) below.

(2) In any case where the width of the highway is proved, that width is both the “minimum width” and the “maximum width”.

(3) In any other case—

(a) the “minimum width” is—

- (i) as respects a footpath which is not a field-edge path, 1 metre,
 - (ii) as respects a footpath which is a field-edge path, 1.5 metres,
 - (iii) as respects a bridleway which is not a field-edge path, 2 metres,
- or
- (iv) as respects any other highway, 3 metres; and

(b) the “maximum width” is—

- (i) as respects a footpath, 1.8 metres,
- (ii) as respects a bridleway, 3 metres, or

- (iii) as respects any other highway, 5 metres.

Competent authorities

2

For the purposes of this Schedule each of the following shall be a competent authority in relation to a highway—

- (a) the highway authority; and
- (b) in the case of a highway maintained by a district council under section 42 or 50 of this Act, that council.

Power to carry out works

3

(1) Where the surface of—

- (a) a footpath,
- (b) a bridleway, or
- (c) any other highway which consists of or comprises a carriageway other than a made-up carriageway,

has been so disturbed as to render it inconvenient for the exercise of the public right of way, a competent authority may make good the surface to an extent not less than the minimum width nor greater than the maximum width.

(2) Where the surface of a footpath or bridleway was disturbed under the right conferred by section 134(1) of this Act, the power conferred by sub-paragraph (1) above shall not become exercisable until the expiration of the period which is the relevant period for the purposes of section 134 or an extension of that period granted under subsection (8) of that section.

(3) Where the surface of a footpath[, bridleway or restricted byway] was disturbed under an order made by virtue of section 135 of this Act, the power conferred by sub-paragraph (1) above shall not become exercisable until the expiration of the period which is the authorisation period for the purposes of section 135.

4

(1) Where the occupier of any land fails to carry out the duty imposed on him by section 134(3)(b) or 137A(1) of this Act in relation to a highway, a competent authority may carry out such works as may be necessary or expedient for the purpose of rectifying the default.

(2) Sub-paragraph (1) above does not authorise the carrying out of works to an extent greater than the maximum width of the highway.

(3) Where the surface of a footpath or bridleway was disturbed under the right conferred by section 134(1) of this Act, the power conferred by sub-paragraph (1) above shall not become exercisable until the expiration of the period which is the relevant period for the purposes of section 134, or an extension of that period granted under subsection (8) of that section.

5

If the applicant fails to comply with a condition imposed under section 135(3)(b) or (4)(a) or (b) of this Act, a competent authority may carry out such works as may be necessary or expedient for the purpose of rectifying the default.

6

Paragraphs 7 to 9 below have effect in relation to the carrying out by a competent authority of work under paragraphs 3 to 5 above in relation to a highway which passes over any land ("the relevant land").

Entry on land

7

Subject to paragraph 8 below, any person duly authorised in writing by the authority may enter on the relevant land, or any other land the authority reasonably believe to be in the same occupation, for any purpose connected with the carrying out of the work; and may take with him on the land such vehicles, machinery and other equipment as may be requisite.

8

(1) Except in the case of entry, solely for the purpose of obtaining information, on land other than a building or structure, before entering on any land the authority shall give the occupier not less than twenty-four hours' notice of their intention to do so; and the notice shall—

- (a) identify the highway to which it relates; and
- (b) specify the work to be carried out and the equipment to be used for that purpose; and
- (c) identify the line or lines of passage over the land in question, if any, that may need to be used for access to the site of the work; and
- (d) state the date and time when the power to enter on the land becomes exercisable.

(2) Without prejudice to section 322 (service of notices etc) of this Act, if after reasonable enquiry the authority are satisfied that it is not practicable to ascertain the name and address of the occupier, a notice under this paragraph may be given by addressing it to him as "The Occupier" of the land (describing it) and affixing copies of the notice to some conspicuous object—

- (a) at each end of so much of the highway as is referred to in the notice; and
- (b) at such other points in the vicinity of that highway as the authority may consider suitable; and
- (c) if appropriate, at a point adjacent to a highway comprising a made-up carriageway from which access is required for equipment.

(3) A notice shall not be given under this paragraph before the power referred to in paragraph 3, 4 or 5 above has become exercisable.

Financial

9

(1) Subject to sub-paragraph (2) below, a competent authority may recover the amount of any expenses reasonably incurred by the authority in, or in connection with, the carrying out of the work—

- (a) in a case falling within paragraph 3(1) above, from the occupier of the relevant land or the person who disturbed the surface of the highway; and
- (b) in any other case, from the occupier of the relevant land.

(2) A person—

- (a) is not liable under paragraph (a) of sub-paragraph (1) above if he shows that he had any lawful authority or excuse for disturbing the surface of the highway; and

3

Where objection is made to a notice given by a local highway authority under section 184(1) or (3), that authority shall send a copy of the notice and of the notice of objection to the Minister.

4

If objection is made to such a notice and the objection is not withdrawn the notice does not become effective until it has been confirmed by the Minister, and the Minister after considering the objection may confirm the notice without modification or subject to such modifications as he thinks fit.

5

Subject to paragraph 4 above, such a notice becomes effective at the expiration of the period during which the person served therewith may object to it.

COMPULSORY ACQUISITION OF RIGHTS: MODIFICATION OF 1946 AND 1965 ACTS

Section 250

Part I

...

...

NOTES

Amendment

Repealed by the Acquisition of Land Act 1981, s 34(3), Sch 6, Pt I.

SCHEDULE 19

Part II Adaptation of 1965 Act, Part I

5

In relation to a compulsory acquisition of a right by virtue of section 250 of this Act, the Act of 1965 applies with the modifications made by paragraphs 6 to 11 below.

6

For section 7 of the Act (measure of compensation) substitute the following:—

“7 In assessing the compensation to be paid by the acquiring authority under this Act regard shall be had not only to the extent (if any) to which the value of the land over which the right is to be acquired is depreciated by the acquisition of the right but also to the damage (if any) to be sustained by the owner of the land by reason of its severance from other land of his, or injuriously affecting that other land by the exercise of the powers conferred by this or the special Act.”.

[7

Section 8(1) of the Compulsory Purchase Act 1965 has effect as if references to acquiring land were to acquiring a right in the land, and Schedule 2A to that Act is to be read as if, for that Schedule, there were substituted—

“SCHEDULE 2A COUNTER-NOTICE REQUIRING PURCHASE OF LAND

Introduction

1

(1) This Schedule applies where an acquiring authority serve a notice to treat in respect of a right over the whole or part of a house, building or factory.

(2) But see section 2A of the Acquisition of Land Act 1981 (under which a compulsory purchase order can exclude from this Schedule land that is 9 metres or more below the surface).

2

In this Schedule “house” includes any park or garden belonging to a house.

Counter-notice requiring purchase of land

3

A person who is able to sell the house, building or factory (“the owner”) may serve a counter-notice requiring the authority to purchase the owner’s interest in the house, building or factory.

4

A counter-notice under paragraph 3 must be served within the period of 28 days beginning with the day on which the notice to treat was served.

Response to counter-notice

5

On receiving a counter-notice the acquiring authority must decide whether to—

- (a) withdraw the notice to treat,
- (b) accept the counter-notice, or
- (c) refer the counter-notice to the Upper Tribunal.

6

The authority must serve notice of their decision on the owner within the period of 3 months beginning with the day on which the counter-notice is served (“the decision period”).

7

If the authority decide to refer the counter-notice to the Upper Tribunal they must do so within the decision period.

8

If the authority do not serve notice of a decision within the decision period they are to be treated as if they had served notice of a decision to withdraw the notice to treat at the end of that period.

9

If the authority serve notice of a decision to accept the counter-notice, the compulsory purchase order and the notice to treat are to have effect as if they included the owner’s interest in the house, building or factory.

Determination by Upper Tribunal

10

On a referral under paragraph 7 the Upper Tribunal must determine whether the acquisition of the right would—

- (a) in the case of a house, building or factory, cause material detriment to the house, building or factory, or
- (b) in the case of a park or garden, seriously affect the amenity or convenience of the house to which the park or garden belongs.

11

In making its determination, the Upper Tribunal must take into account—

- (a) the effect of the acquisition of the right,
- (b) the proposed use of the right, and
- (c) if the right is proposed to be acquired for works or other purposes extending to other land, the effect of the whole of the works and the use of the other land.

12

If the Upper Tribunal determines that the acquisition of the right would have either of the consequences described in paragraph 10 it must determine how much of the house, building or factory the authority ought to be required to take.

13

If the Upper Tribunal determines that the authority ought to be required to take some or all of the house, building or factory the compulsory purchase order and the notice to treat are to have effect as if they included the owner's interest in that land.

14

(1) If the Upper Tribunal determines that the authority ought to be required to take some or all of the house, building or factory, the authority may at any time within the period of 6 weeks beginning with the day on which the Upper Tribunal makes its determination withdraw the notice to treat in relation to that land.

(2) If the acquiring authority withdraws the notice to treat under this paragraph they must pay the person on whom the notice was served compensation for any loss or expense caused by the giving and withdrawal of the notice.

(3) Any dispute as to the compensation is to be determined by the Upper Tribunal.”.]

8

The following provisions of the Act (being provisions stating the effect of a deed poll executed in various circumstances where there is no conveyance by persons with interests in the land)—

section 9(4) (refusal by owners to convey);

Schedule 1, paragraph 10(3) (owners under incapacity);

Schedule 2, paragraph 2(3) (absent and untraced owners); and

Schedule 4, paragraphs 2(3) and 7(2) (common land),

are so modified as to secure that, as against persons with interests in the land which are expressed to be overridden by the deed, the right which is to be compulsorily acquired is vested absolutely in the acquiring authority.

9

Section 11 of the Act (powers of entry) is so modified as to secure that, as from the date on which the acquiring authority have served notice to treat in respect of any right, they have power, exercisable in the like circumstances and subject to the like conditions, to enter for the purpose of exercising that right (which shall be deemed for this purpose to have been created on the date of service of the notice); and sections 12 (penalty for unauthorised entry) and 13 (entry on [enforcement officer's or sheriff's warrant] in the event of obstruction) are modified correspondingly.

10

Section 20 of the Act (protection for interests of tenants at will, etc) applies with the modifications necessary to secure that persons with such interests as are mentioned in that section are compensated in a manner corresponding to that in which they would be compensated on a compulsory acquisition of that land, but taking into account only the extent (if any) of such

interference with such an interest as is actually caused, or likely to be caused, by the exercise of the right in question.

11

Section 22 of the Act (protection of acquiring authority's possession where by inadvertence an estate, right or interest has not been got in) is so modified as to enable the acquiring authority, in circumstances corresponding to those referred to in that section, to continue entitled to exercise the right acquired, subject to compliance with that section as respects compensation.

SCHEDULE 21

TRANSITIONAL MATTERS ARISING WHERE A HIGHWAY BECOMES A TRUNK ROAD OR A TRUNK ROAD CEASES TO BE A TRUNK ROAD

Section 265

1

All orders and regulations made, all directions, consents and notices given, and all building lines and improvement lines prescribed, with respect to a highway which becomes a trunk road, either by the former highway authority for the purposes of their functions with respect to that highway or by a council under any enactment to which section 265 of this Act applies, if they were in force immediately before the highway became a trunk road, have effect with respect thereto as if made, given or prescribed by the Minister [or a strategic highways company, whichever is highway authority for the trunk road]; but nothing in this paragraph is to be taken as transferring to the Minister [or the company] any liability not transferred to [it] by or under the said section 265.

2

Any order, byelaw, regulation or other instrument made by a council with respect to a highway which becomes a trunk road, which would, if it had been made after the highway became a trunk road, have required the consent or approval of the Minister, may be revoked or varied by an order made by the Minister in like manner and subject to the like conditions as the original instrument, so, however, that no appeal lies to the Crown Court or to a magistrates' court against any order made by the Minister under this paragraph.

3

All contracts, deeds, bonds or agreements entered into or made by the former highway authority for a highway which becomes a trunk road, or by a council for the purposes of functions in relation to the highway under any enactment to which section 265 of this Act applies, and subsisting on the day on which the highway became a trunk road, have effect, in so far as they

relate to the property and liabilities transferred to the Minister [or a strategic highways company or a strategic highways company] in respect of that highway, with the substitution of the Minister [or the company] for the authority or council and may be enforced by or against the Minister [or the company] accordingly.

4

Where any such contract as aforesaid provides for the execution of works or the rendering of services by a person other than the authority or council in connection with the construction, maintenance or improvement of, or other dealing with, the highway, then—

- (a) if the works or services have been completed before the day on which the highway becomes a trunk road but the price or payment, or any part thereof, has not accrued due before that day, the Minister [or a strategic highways company] may recover from the authority or council the price or payment, or part thereof, as the case may be; and
- (b) if the works or services have not been completed before the said day, the value of any works executed, or services rendered, before that day, shall be ascertained, regard being had to the terms of the contract, and the Minister [or a strategic highways company] may recover from the authority or council the amount of the said value less any sum paid by the authority or council in pursuance of the contract, and if the authority or council have paid in pursuance of the contract a sum greater than the amount of the said value, the Minister [or a strategic highways company] shall repay the excess to the authority or council.

5

Where, before the day on which a highway becomes a trunk road, the former highway authority or any council having functions in relation to the highway under any enactment to which section 265 of this Act applies have been themselves executing works in connection with the construction, maintenance or improvement of, or other dealing with, the highway, but have not completed the works before that day, the Minister shall, if required to do so by the authority or council, purchase all unused materials necessarily acquired by the authority or council for the purpose of the works and hire from the authority or council all plant so acquired which is still necessary for the purpose of the works.

6

In calculating—

- (a) the amount of any sum to be recovered or paid by the Minister [or a strategic highways company] under paragraph 4 above, or
- (b) the price of the materials to be purchased, or the hire of plant to be hired, by the Minister [or the company] under paragraph 5 above,

account shall be taken of any grant paid or payable by the Minister [or the company] to the authority or council for the purpose of the works or services.

7

If any dispute arises under paragraph 4, 5 or 6 above as to the materials to be purchased, or the plant to be hired, by the Minister [or a strategic highways company] from any authority or council, or as to the sums to be paid by any authority or council to the Minister [or the company], or by the Minister [or the company] to any authority or council, it shall be determined by arbitration.

8

All proceedings, legal or other, begun before the day on which a highway becomes a trunk road and relating to any property or liabilities transferred to the Minister [or a strategic highways company] in respect of that highway, may be carried on with the substitution of the Minister [or the company] as party to the proceedings, in lieu of the authority or council from whom the property or liabilities was or were transferred, and any such proceedings may be amended in such manner as may be necessary for that purpose.

9

The provisions of this Schedule, except paragraph 2, apply in a case where a trunk road ceases to be a trunk road in like manner as they apply where a highway becomes a trunk road, with the substitution, for the references to the former highway authority and to a council, of references to the Minister [or a strategic highways company], and, for references to the Minister [or the company], of references to the council who become the highway authority for the road or, as far as relates to functions under any enactment to which section 265 of this Act applies and to property and liabilities vested in or incurred by the Minister [or the company] for the purposes of those functions, to the council who are to exercise those functions in relation to the road.

(2) In this Schedule "fixed penalty notice" means a notice offering a person the opportunity of discharging any liability to conviction for a fixed penalty offence by payment of a penalty.

2

A fixed penalty notice for an offence may not be given after such time relating to the offence as the Secretary of State may by regulations prescribe.

Contents of fixed penalty notice

3

(1) A fixed penalty notice must identify the offence to which it relates and give reasonable particulars of the circumstances alleged to constitute that offence.

(2) A fixed penalty notice must also state—

- (a) the amount of the penalty and the period within which it may be paid;
- (b) the discounted amount and the period within which it may be paid;
- (c) the person to whom and the address at which payment may be made;
- (d) the method or methods by which payment may be made;

(2) The period for payment of the penalty is the period of 29 days beginning with the day on which the notice is given.

(3) The highway authority may extend the period for paying the penalty in any particular case if they consider it appropriate to do so.

(2) The discounted amount for a fixed penalty offence is such amount, not exceeding 25 per cent of the maximum fine for the offence, as may be prescribed.

(3) If the last day of the period specified in sub-paragraph (1) does not fall on a working day, the period for payment of the discounted amount is extended until the end of the next working day.

SCHEDULE 23 TRANSITIONAL PROVISIONS

Section 343(1)

Delegation of functions

1

Section 6(1) . . . of this Act shall have effect in relation to land acquired by a Minister in connection with a trunk road . . . under subsection (5) or (6) of section 214 of the Highways Act 1959 (or . . . under so much of section 13 of the Restriction of Ribbon Development Act 1935 as is re-enacted in those subsections) as [it has] in relation to land so acquired under section 246 of this Act (or, by virtue of paragraph 17 below, under section 22 of the Land Compensation Act 1973).

Trunk roads and related roads

2

Section 11(1) of this Act applies to a highway which at the commencement of this Act is a trunk road as it applies to a highway which becomes a trunk road after the said commencement.

3

(1) The provisions of this Act (except section 19) and of paragraph 5 of Schedule 5 to the Town and Country Planning Act 1971 apply in relation to the trunk roads described in sub-paragraph (2) below, which are trunk roads by virtue of orders made under section 1 of the Trunk Roads Act 1946, as if they were special roads provided by the Minister in pursuance of schemes made under section 16 of this Act for the use of traffic of the classes specified in the third column of the table in sub-paragraph (2) below.

(2) The trunk roads referred to in sub-paragraph (1) above are the trunk roads for which provision was made by the orders specified in the first column of the following table (referred to

below as “the original orders”), as those roads are now constituted, having regard to any orders or schemes varying the original orders:

Original Order	Description of Road	Class of Traffic (as described in Schedule 4)
SR & O 1947 No 2248.	Stevenage By-Pass, part of A1(M) motorway.	Classes I and II.
SR & O 1947 No 1562.	Severn Bridge and adjoining sections of M4 motorway.	For main carriageways: Classes I and II. For cycle track on Severn Bridge: Classes VII, X and XI. For footway on Severn Bridge: Class IX.

SI 1949 No 2459.	Port Talbot By-Pass, part of M4 motorway.	Classes I and II.

(3) Without prejudice to the generality of sub-paragraph (1) above, the power (under section 14 of the Interpretation Act 1978) to revoke or amend schemes under section 16 of this Act includes power to revoke or amend any of the original orders and to amend the provisions of the third column of the table in sub-paragraph (2) above.

4

(1) Any order under section 1(3) of the Trunk Roads Act 1936 (power to provide that a road superseding part of a trunk road should itself become a trunk road) continued in force by paragraph 29 of Schedule 24 to the Highways Act 1959, and still in force (whether or not varied under that paragraph) immediately before the commencement of this Act, continues in force and may be varied or revoked by a subsequent order made in the like manner and subject to the like provisions.

(2) Schedule 2 to this Act has effect as to the validity and date of operation of an order made under this paragraph.

(3) If an order under the said section 1(3) continued in force by sub-paragraph (1) above provides that on a date specified therein a route described therein is to become a trunk road and the order is revoked or varied by an order under this paragraph at any time before the route is opened for the purposes of through traffic, the revoking or varying order is not to be deemed for the purposes of section 2 of this Act to be an order directing that a trunk road is to cease to be a trunk road.

5

(1) Any order under section 4 of the Trunk Roads Act 1946 (certain powers relating to side roads connected with trunk roads) continued in force by paragraph 30 of Schedule 24 to the Highways Act 1959 and still in force (whether or not varied under that paragraph) immediately before the commencement of this Act, continues in force and the provisions of subsections (1) to (3) of the said section 4 continue to apply to them as if that section had not been repealed.

(2) Subject to sub-paragraph (3) below, an order under the said section 4 continued in force by sub-paragraph (1) above may be varied or revoked by a subsequent order made in the like manner and subject to the like provisions.

(3) Parts I and III of Schedule 1 to this Act have effect as to the making of an order under this paragraph as they have effect as to the making of an order in relation to a trunk road under section 14 of this Act; and Schedule 2 to this Act has effect as to the validity and date of operation of an order under this paragraph.

(4) Section 265 of this Act applies in relation to a highway for which any council become the highway authority by virtue of an order under the said section 4 or this paragraph as if it had previously been a trunk road.

Special roads

6

(1) In schemes under section 11 of the Highways Act 1959 made before 30th June 1961 references to traffic in Class VII set out in Schedule 4 to that Act are to be construed as including references to traffic in Classes X and XI set out in Schedule 4 to this Act.

(2) Sub-paragraph (1) above is without prejudice to the operation of sections 17(2)(a) and 23(3) of the Interpretation Act 1978 as respects the construction of references generally in such schemes as are referred to in that sub-paragraph, and without prejudice to the powers under section 14 of that Act and section 17(3) of this Act to amend such schemes and to amend Schedule 4 to this Act.

Vehicle crossings

7

(1) If a person knowingly uses a grass verge or a footway as a crossing as mentioned in subsection (1) of section 155 of the Highways Act 1959 (carriage crossings across grass verges or kerbed footways) in contravention of any condition imposed under paragraph (c) of the said subsection (1) and in force immediately before the commencement of this Act, or knowingly permits it to be so used, he is (notwithstanding the repeal of the said section 155 by the Highways Act 1971) guilty of an offence and liable to a fine not exceeding [level 1 on the standard scale].

(2) As respects any expenses recoverable by a council under subsection (3) of the said section 155 and outstanding at the commencement of this Act, section 305 of this Act has effect as though they were incurred under a provision of this Act to which that section applies.

Maintenance of highways

8

Any question of liability for non-repair of a highway in respect of damage resulting from an event which occurred before 3rd August 1964 shall be determined in accordance with the former rule of law (abrogated by section 1 of the Highways (Miscellaneous Provisions) Act 1961) which

exempted the inhabitants at large and any other persons as their successors from liability for non-repair of highways; and section 58 of this Act does not apply in relation to any such damage.

Cattle-grids etc

9

(1) Without prejudice to the application of this Act to any cattle-grid, works or by-pass provided, or deemed to have been provided, under the Highways Act 1959, sub-paragraphs (2) and (3) below have effect as respects—

- (a) any cattle-grid provided for a highway which consists of or comprises a carriageway,
- (b) any gate or other works on such a highway for use in connection with such a cattle-grid,
- (c) any by-pass for use in connection with such a cattle-grid, and
- (d) any gate or other works for the proper control of traffic passing over such a by-pass,

being a cattle-grid, works or by-pass provided before 28th July 1950, where application is made to the Minister for his approval thereof by the highway authority for the highway.

(2) If, where such an application is made—

- (a) the Minister approves the cattle-grid, works or by-pass unconditionally, or
- (b) he gives his approval subject to conditions as to the carrying out of works, the conclusion of an agreement under section 88 of this Act or any other matter, and those conditions have been complied with,

then, as from the giving of the Minister's approval unconditionally or, as the case may be, compliance with all conditions subject to which he gives his approval, the cattle-grid, works or by-pass are to be deemed to have been provided under this Act by the highway authority for whom the application for approval was made.

(3) Where the Minister gives his approval of the cattle-grid, works or by-pass subject to conditions, the highway authority by whom the application for approval was made may carry out any work, or do any other thing, which is requisite for complying with the conditions; and in particular (but without prejudice to the foregoing provisions of this sub-paragraph) sections 85, 87 and 243 of this Act apply in relation to the exercise of the powers conferred by the foregoing provisions of this sub-paragraph as they apply in relation to the corresponding powers conferred by this Act.

Private Street Works Code

12

(1) Sub-paragraph (2) below has effect where—

- (a) before 1st January 1960 street works were executed under any of the relevant street works enactments with respect to part only of a private street, being a part consisting of the whole or part of a footway on one side only of the street, and those works were

executed only by, or at the expense only of, the owners or occupiers of the premises fronting the footway or part of the footway, as the case may be; and

- (b) the street works authority resolve under section 205(1) of this Act to execute street works with respect to any part of the street constituting or comprising the whole or a part of the footway on the side of the street other than that in which street works were executed as mentioned in paragraph (a) above.

In this paragraph “the relevant street works enactments” means section 150 of the Public Health Act 1875, the Private Street Works Act 1892 and any local Act making provision corresponding to the provisions of that section or of the said Act of 1892.

(2) In the circumstances mentioned in sub-paragraph (1) above, the expenses incurred by the authority in executing the works mentioned in sub-paragraph (1)(b) above with respect to the footway or part of the footway there mentioned shall (notwithstanding anything in section 205(1) or (2) of this Act but subject to the other provisions of the private street works code) be apportioned only between the premises fronting that footway or part, as the case may be, and references in Part XI of this Act to the premises liable to be charged with the expenses of street works under the private street works code are to be construed in accordance with this sub-paragraph.

(3) References in this paragraph to a footway include references to any roadside waste, and to any channel by the side of a footway.

13

(1) Subject to sub-paragraph (3) below, where a highway in existence on 16th December 1949 (the date of the coming into force of the National Parks and Access to the Countryside Act 1949, referred to below as “the 1949 Act”)—

- (a) was immediately before 1st January 1960 a highway repairable by the inhabitants at large by virtue only of section 47(1) of the 1949 Act (which extended to all public paths the then rule of law whereby a highway was repairable by the inhabitants at large), and
- (b) would, if the said section 47 had not been enacted, be a private street for the purposes of the private street works code,

the fact that the highway is a highway maintainable at the public expense by virtue of section 36(1) of this Act shall not prevent its being treated for the purposes of the private street works code as a private street.

This sub-paragraph does not apply to a highway in Greater London other than the outer London boroughs.

(2) Subject to sub-paragraph (3) below, where a highway in existence on 3rd August 1968 (the date of the coming into force of the Countryside Act 1968) would, if paragraph 9(2)(a) of Schedule 3 to that Act (which provides that as from the date of publication of the definitive map and statement in a review carried out by an authority under Part III of that Schedule certain ways shown on the map are to be highways maintainable at the public expense) had not been enacted, be a private street, the fact that the highway is a highway so maintainable by virtue of the said paragraph 9(2) shall not prevent its being treated for the purposes of the private street works code as a private street.

(3) Where the street works authority exercise the powers exercisable by them by virtue of sub-paragraph (1) or (2) above in relation to a highway or part of it, the sub-paragraph in question

shall not thereafter apply to that highway or to that part, as the case may be, so as to enable the authority to exercise those powers in relation to it on any subsequent occasion.

Likewise, where before the commencement of this Act the street works authority exercised the powers exercisable by them by virtue of—

- (a) paragraph 24 of Schedule 24 to the Highways Act 1959 (from which sub-paragraph (1) above is derived) or section 50 of the 1949 Act (from which the said paragraph 24 was derived), or
- (b) section 76(1) of the Highways Act 1971 (from which sub-paragraph (2) above is derived),

in relation to a highway or part of it, sub-paragraph (1) or, as the case may be, (2) above shall not apply to that highway or part, as the case may be, so as to enable the authority to exercise the powers exercisable by virtue of sub-paragraph (1) or (2) above in relation to it.

Acquisition of land

14

(1) Notwithstanding anything in section 1(2) of the Act of 1946 or in paragraph 9 of Schedule 1 to that Act, neither—

- (a) an order authorising a highway authority to acquire a right compulsorily as mentioned in section 242(3) of this Act, nor
- (b) an order made as mentioned in section 254(1) of this Act, or so made and confirmed,

is, where notice of the making or preparation in draft of the order was first published before the 6th April 1976, subject to special parliamentary procedure by reason only of its authorising the acquisition of any such right as is mentioned in the said section 242(3) or, as the case may be, the said section 254(1).

(2) Sub-paragraph (1) above is without prejudice to the operation of section 120 of the Local Government, Planning and Land Act 1980 (which re-enacts with modifications section 41 of the Community Land Act 1975) in relation to any such order as is mentioned in that sub-paragraph where notice of the making or preparation in draft of the order was or is first published on or after 6th April 1976.

Continuing offences

16

Where an offence for the continuance of which a penalty was provided has been committed under any enactment repealed by this Act proceedings may be taken under this Act in respect of the continuance of the offence after the commencement of this Act in the like manner as if the offence had been committed under the corresponding provision of this Act.

General

17

Any reference in this Act (whether express or implied) to a thing done or required or authorised to be done, or omitted to be done, or to an event which has occurred, under or for the purposes of, or by reference to any provision of this Act includes, except where the context otherwise requires, a reference to the corresponding thing done or required or authorised to be done, or omitted, or to the corresponding event which occurred, as the case may be, under or for the purposes of or by reference to the corresponding enactment repealed by this Act.

18

Without prejudice to paragraph 17 above, any reference in this Act (whether express or implied) to a thing done by a highway authority or other authority under a provision of this Act includes, except where the context otherwise requires, a reference to the corresponding thing done, or having effect as if done, by a predecessor authority under the corresponding enactment repealed by this Act.

- (c) in relation to a council, the authority exercising the relevant function before the function vested in the council under the Local Government Act 1972 or, as the case may be, the London Government Act 1963.

19

20
