Dear Sir

Ref: TWAO/175

We strongly object to the proposed order for the right to use land temporarily. We have owned the buildings and land for the past twenty four years and it represents a considerable part of our business as detailed below

1. Container handling and storage
2. Café
3. Garage
4. Residential house

This is shown on your schedule as number 295 on the plan.

The premises are now running at maximum capacity with no space for any rail contractors or their plant equipment etc.
If we lost the right to operate at these premises/land, the business would have to close permanently.

Our contact details as objectors are listed below
