Dear Sirs

**Transport and Works Act 1992
The Transport and Works (Applications and Objections Procedure) (England and Wales)
Rules 2006 – Rule 15(1)
The Northumberland Line Order
Withdrawal of Notice of Objection OBJ19 re Parcel 145 (part only)**

We act for BDW Trading Limited ("BDW") and refer to the Notice of Application dated 27 May 2021 sent to their registered office and their notice of objection.

We have received confirmation that Northumberland County Council will update the application for the Transport and Works Act Order (TWAo) to remove the part of plot 145 in BDW's ownership from the scope of the proposed TWAo and will no longer be seeking any powers in respect of the possession or use of that land in connection with the Scheme.

On the basis of that confirmation, on behalf of BDW we withdraw the objection we lodged in respect of the Northumberland Line TWAo.

Withdrawal of the objection is without prejudice to the rights of BDW or its successors in title to seek compensation for noise, vibration and other deleterious effects of the construction works and increased use of the Northumberland Line.

Yours faithfully

Ward Hadaway
