Subject: CSIE - southern fringe housing figures

Hi Joanna,

These are the housing figures for the Southern Fringe that I gave to the Inspector in my evidence and with a bit more information:

Completions to 31 March 2021:

- Bell School (270 dwellings permitted): all built
- Trumpington Meadows (1,190 dwellings permitted): 1,016 dwellings built and 174 dwellings remaining
- Clay Farm (2,188 dwellings permitted): 2,136 dwellings built and 52 dwellings remaining
- Glebe Farm (317 dwellings permitted): all built

Total of 3,965 dwellings permitted, of which 226 dwellings remaining as of 31 March 2021.

The Bell School site has permission for some student bedrooms (up to 100 rooms) that haven't come forward yet (although they do have permission), these aren't in the figures above as they are not dwellings. So there is a gap on that site, that could come forward at some point, but otherwise all the allocations have all their permissions for dwellings now and it's just a case of finishing the building of them.

Kind regards,

Charlotte
