

Cambridgeshire South Infrastructure Enhancement TWA

As you are aware I adjourned the Inquiry on Friday 25 February in order to allow the submission of a number of outstanding documents.

Network Rail should submit any documents no later than Friday 4 March and these should be accompanied by a covering letter explaining the purpose of each document, with any changes clearly identifiable. The documents should be cross copied to Cambridge City Council and South Cambridgeshire District Council. Any comments on the documents should be submitted to the Programme Officer Joanna.Vincent@gateleyhamer.com and copied to Network Rail no later than 11 March. Network Rail will have the right of reply and should submit any comments no later than 18 March. No documents will be accepted after that date. All documents will be posted on the inquiry website (<https://gateleyhamer-pi.com/en-gb/csie/inquiry-documents/>).

I also note that the Greater Cambridge Biodiversity Supplementary Planning Document (SPD) was adopted by South Cambridgeshire District Council on 7 February 2022 and by Cambridge City Council on 11 January 2022. It is a material consideration in relation to this case. Any comments in relation to the SPD should be submitted in accordance with the above timetable.

Lesley Coffey

PLANNING INSPECTOR
