DAVIES/DCPI/21/00031/VARCON

18th January 2021

Dear Sir/Madam,

Site: London Luton Airport, Airport Way Luton

Description: Variation of Conditions 8 (passenger throughput cap), 10 (noise contours), 22 (car parking management), 24 (travel plan) and 28 (approved plans and documents) to Planning Permission 15/00950/VARCON (dated 13th October 2017) to accommodate 19 million passengers per annum and to amend the day and night noise contours.

Grid Reference: 512184/220748

I have received a planning application in respect of the above proposal and should be grateful for any observations you may have.

The application details can be inspected using Public Access, the on-line planning service at <http://planning.luton.gov.uk/online-applications/> and enter **21/00031/VARCON** into the Application Search. To discuss the proposal, contact the Case Officer on the above number.

I should be pleased to receive your reply by no later than **17.02.2021**. This can be done on-line through Public Access. If I do not hear from you within that timescale (without an agreed deadline), I will assume that you have no comments.

Yours faithfully,

S Sahadevan  
Head of Development Management
