Robin Porter

Chief Executive at Luton Council and London Luton Airport Limited

Chief Operations Officer

London Luton Airport Limited (a wholly owned company of Luton Council)

Apr 2012 – Jun 2019 · 7 yrs 3 mos

In this role I have established and am implementing a 30 year Business Strategy

In 2012 LLA was a 9.7m passenger airport. By 2021 it will handle 18m passengers a year. We have now launched a Vision to move LLA to become a 36-38m passenger Airport by 2040.

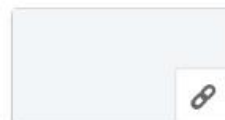

In addition I have delivered a tripling of the return to the Shareholder and diversified revenue streams

Managing the relationship with the Airport Concessionaire; Customers and Stakeholders

Putting in place a growth incentivisation scheme that has contributed to LTN becoming the fastest growing major UK airport. Currently the fifth largest commercial airport in the UK and the third largest in Europe for General Aviation

Leading a £420m infrastructure programme including a mass passenger transit system and over 1m sq ft of commercial development
