Dear Ms Crosby

Thank you for notifying Historic Royal Palaces of this application on 6 May 2021 and for inviting our comments by 13 June 2021.

The applicants consulted with us on the revised scheme for this development in March this year. The new scheme substantially reduces the height and impact from the previous scheme to which we objected on 14 February 2019. Whilst there is still a perceptible impact from view 21, the Inner Ward, north of the White Tower, which is always regretted due to the impact of cumulative harm to the enjoyment of the Inner Ward, we do not object to this application.

Yours sincerely

Adrian Phillips
