Dear Joanna

For the past 20 years I have lived on the Ashridge estate, south west of the airport. During this time we have experienced hugely increased disturbance by aircraft noise, particularly on mornings with westerly winds when it is hard to sleep past 6.30 am.

I object to any further expansion of the airport and fully support the comments by Hertfordshire CPRE. Like them I am especially concerned about Luton Borough Council's dual role as airport owner and monitor of adherence to planning standards. Given the conflict, I believe that an independent body with teeth should be undertaking the latter role.

Best wishes
Jim Jack
