Dear Joanna
Please can you pass on my message of complete horror and sadness at the amount of planes that are roaring over our home at present, polluting our air, raising the temperature of our atmosphere and making sleep impossible. The very idea of increasing Luton Airport's capacity must be made totally illegal. There are no circumstances where more planes can fly. Our Planet is literally on fire, pollution is directly responsible. The burning of Aviation fuel is polluting our atmosphere killing nature and human life.

I have written formal complaints often and attended and spoken at LBC/LA planning meetings.

Thankyou
Sophie
