**Variation of Conditions 8 (passenger throughput cap), 10 (noise contours), 22 (car parking management), 24 (travel plan) and 28 (approved plans and documents) to Planning Permission 15/00950/VARCON (dated 13th October 2017) to accommodate 19 million passengers per annum and to amend the day and night noise contours.**

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

If you are speaking, please arrive at the Town Hall by 5:45pm or ensure you have joined the remote meeting by that time on both evenings (if applicable).

### **How to register to Speak**

Requests to register for the Right to Speak should be submitted by emailing [democraticservices@luton.gov.uk](mailto:democraticservices@luton.gov.uk) , or by written request to the address shown on the link to the procedure below, or by telephone (01582 546032/ 01582 546781/ 01582 547149) , to be received by us before 5.30pm on the 23<sup>rd</sup> November 2021.

If someone submitting a request to speak does not qualify to speak at the Committee Meeting they will be informed on the 24<sup>th</sup> November 2021.

Subject to these Rules, requests to speak received after the time specified above will not be considered other than in exceptional circumstances.

Save for the changes set out in this letter, full details of the Council's Right to Speak procedure for remote and in person attendance can be found at:

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

If you are speaking, please arrive at the Town Hall by 5:45pm or ensure you have joined the remote meeting by that time on both evenings (if applicable).

### **How to register to Speak**

Requests to register for the Right to Speak should be submitted by emailing [democraticservices@luton.gov.uk](mailto:democraticservices@luton.gov.uk) , or by written request to the address shown on the link to the procedure below, or by telephone (01582 546032/ 01582 546781/ 01582 547149) , to be received by us before 5.30pm on the 23<sup>rd</sup> November 2021.

If someone submitting a request to speak does not qualify to speak at the Committee Meeting they will be informed on the 24<sup>th</sup> November 2021.

Subject to these Rules, requests to speak received after the time specified above will not be considered other than in exceptional circumstances.

Save for the changes set out in this letter, full details of the Council's Right to Speak procedure for remote and in person attendance can be found at:

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

**Variation of Conditions 8 (passenger throughput cap), 10 (noise contours), 22 (car parking management), 24 (travel plan) and 28 (approved plans and documents) to Planning Permission 15/00950/VARCON (dated 13th October 2017) to accommodate 19 million passengers per annum and to amend the day and night noise contours.**

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

If you are speaking, please arrive at the Town Hall by 5:45pm or ensure you have joined the remote meeting by that time on both evenings (if applicable).

### **How to register to Speak**

Requests to register for the Right to Speak should be submitted by emailing [democraticservices@luton.gov.uk](mailto:democraticservices@luton.gov.uk) , or by written request to the address shown on the link to the procedure below, or by telephone (01582 546032/ 01582 546781/ 01582 547149) , to be received by us before 5.30pm on the 23<sup>rd</sup> November 2021.

If someone submitting a request to speak does not qualify to speak at the Committee Meeting they will be informed on the 24<sup>th</sup> November 2021.

Subject to these Rules, requests to speak received after the time specified above will not be considered other than in exceptional circumstances.

Save for the changes set out in this letter, full details of the Council's Right to Speak procedure for remote and in person attendance can be found at:

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

**Variation of Conditions 8 (passenger throughput cap), 10 (noise contours), 22 (car parking management), 24 (travel plan) and 28 (approved plans and documents) to Planning Permission 15/00950/VARCON (dated 13th October 2017) to accommodate 19 million passengers per annum and to amend the day and night noise contours.**

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

If you are speaking, please arrive at the Town Hall by 5:45pm or ensure you have joined the remote meeting by that time on both evenings (if applicable).

### **How to register to Speak**

Requests to register for the Right to Speak should be submitted by emailing [democraticservices@luton.gov.uk](mailto:democraticservices@luton.gov.uk) , or by written request to the address shown on the link to the procedure below, or by telephone (01582 546032/ 01582 546781/ 01582 547149) , to be received by us before 5.30pm on the 23<sup>rd</sup> November 2021.

If someone submitting a request to speak does not qualify to speak at the Committee Meeting they will be informed on the 24<sup>th</sup> November 2021.

Subject to these Rules, requests to speak received after the time specified above will not be considered other than in exceptional circumstances.

Save for the changes set out in this letter, full details of the Council's Right to Speak procedure for remote and in person attendance can be found at:

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

**Variation of Conditions 8 (passenger throughput cap), 10 (noise contours), 22 (car parking management), 24 (travel plan) and 28 (approved plans and documents) to Planning Permission 15/00950/VARCON (dated 13th October 2017) to accommodate 19 million passengers per annum and to amend the day and night noise contours.**

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

**Variation of Conditions 8 (passenger throughput cap), 10 (noise contours), 22 (car parking management), 24 (travel plan) and 28 (approved plans and documents) to Planning Permission 15/00950/VARCON (dated 13th October 2017) to accommodate 19 million passengers per annum and to amend the day and night noise contours.**

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

If you are speaking, please arrive at the Town Hall by 5:45pm or ensure you have joined the remote meeting by that time on both evenings (if applicable).

### **How to register to Speak**

Requests to register for the Right to Speak should be submitted by emailing [democraticservices@luton.gov.uk](mailto:democraticservices@luton.gov.uk) , or by written request to the address shown on the link to the procedure below, or by telephone (01582 546032/ 01582 546781/ 01582 547149) , to be received by us before 5.30pm on the 23<sup>rd</sup> November 2021.

If someone submitting a request to speak does not qualify to speak at the Committee Meeting they will be informed on the 24<sup>th</sup> November 2021.

Subject to these Rules, requests to speak received after the time specified above will not be considered other than in exceptional circumstances.

Save for the changes set out in this letter, full details of the Council's Right to Speak procedure for remote and in person attendance can be found at:

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

**Variation of Conditions 8 (passenger throughput cap), 10 (noise contours), 22 (car parking management), 24 (travel plan) and 28 (approved plans and documents) to Planning Permission 15/00950/VARCON (dated 13th October 2017) to accommodate 19 million passengers per annum and to amend the day and night noise contours.**

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm55public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

If you are speaking, please arrive at the Town Hall by 5:45pm or ensure you have joined the remote meeting by that time on both evenings (if applicable).

### **How to register to Speak**

Requests to register for the Right to Speak should be submitted by emailing [democraticservices@luton.gov.uk](mailto:democraticservices@luton.gov.uk) , or by written request to the address shown on the link to the procedure below, or by telephone (01582 546032/ 01582 546781/ 01582 547149) , to be received by us before 5.30pm on the 23<sup>rd</sup> November 2021.

If someone submitting a request to speak does not qualify to speak at the Committee Meeting they will be informed on the 24<sup>th</sup> November 2021.

Subject to these Rules, requests to speak received after the time specified above will not be considered other than in exceptional circumstances.

Save for the changes set out in this letter, full details of the Council's Right to Speak procedure for remote and in person attendance can be found at:

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

**Variation of Conditions 8 (passenger throughput cap), 10 (noise contours), 22 (car parking management), 24 (travel plan) and 28 (approved plans and documents) to Planning Permission 15/00950/VARCON (dated 13th October 2017) to accommodate 19 million passengers per annum and to amend the day and night noise contours.**

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

**Variation of Conditions 8 (passenger throughput cap), 10 (noise contours), 22 (car parking management), 24 (travel plan) and 28 (approved plans and documents) to Planning Permission 15/00950/VARCON (dated 13th October 2017) to accommodate 19 million passengers per annum and to amend the day and night noise contours.**

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

**Variation of Conditions 8 (passenger throughput cap), 10 (noise contours), 22 (car parking management), 24 (travel plan) and 28 (approved plans and documents) to Planning Permission 15/00950/VARCON (dated 13th October 2017) to accommodate 19 million passengers per annum and to amend the day and night noise contours.**

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

If you are speaking, please arrive at the Town Hall by 5:45pm or ensure you have joined the remote meeting by that time on both evenings (if applicable).

### **How to register to Speak**

Requests to register for the Right to Speak should be submitted by emailing [democraticservices@luton.gov.uk](mailto:democraticservices@luton.gov.uk) , or by written request to the address shown on the link to the procedure below, or by telephone (01582 546032/ 01582 546781/ 01582 547149) , to be received by us before 5.30pm on the 23<sup>rd</sup> November 2021.

If someone submitting a request to speak does not qualify to speak at the Committee Meeting they will be informed on the 24<sup>th</sup> November 2021.

Subject to these Rules, requests to speak received after the time specified above will not be considered other than in exceptional circumstances.

Save for the changes set out in this letter, full details of the Council's Right to Speak procedure for remote and in person attendance can be found at:

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

**Variation of Conditions 8 (passenger throughput cap), 10 (noise contours), 22 (car parking management), 24 (travel plan) and 28 (approved plans and documents) to Planning Permission 15/00950/VARCON (dated 13th October 2017) to accommodate 19 million passengers per annum and to amend the day and night noise contours.**

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

If you are speaking, please arrive at the Town Hall by 5:45pm or ensure you have joined the remote meeting by that time on both evenings (if applicable).

### **How to register to Speak**

Requests to register for the Right to Speak should be submitted by emailing [democraticservices@luton.gov.uk](mailto:democraticservices@luton.gov.uk) , or by written request to the address shown on the link to the procedure below, or by telephone (01582 546032/ 01582 546781/ 01582 547149) , to be received by us before 5.30pm on the 23<sup>rd</sup> November 2021.

If someone submitting a request to speak does not qualify to speak at the Committee Meeting they will be informed on the 24<sup>th</sup> November 2021.

Subject to these Rules, requests to speak received after the time specified above will not be considered other than in exceptional circumstances.

Save for the changes set out in this letter, full details of the Council's Right to Speak procedure for remote and in person attendance can be found at:

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

If you are speaking, please arrive at the Town Hall by 5:45pm or ensure you have joined the remote meeting by that time on both evenings (if applicable).

### **How to register to Speak**

Requests to register for the Right to Speak should be submitted by emailing [democraticservices@luton.gov.uk](mailto:democraticservices@luton.gov.uk) , or by written request to the address shown on the link to the procedure below, or by telephone (01582 546032/ 01582 546781/ 01582 547149) , to be received by us before 5.30pm on the 23<sup>rd</sup> November 2021.

If someone submitting a request to speak does not qualify to speak at the Committee Meeting they will be informed on the 24<sup>th</sup> November 2021.

Subject to these Rules, requests to speak received after the time specified above will not be considered other than in exceptional circumstances.

Save for the changes set out in this letter, full details of the Council's Right to Speak procedure for remote and in person attendance can be found at:

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

**Variation of Conditions 8 (passenger throughput cap), 10 (noise contours), 22 (car parking management), 24 (travel plan) and 28 (approved plans and documents) to Planning Permission 15/00950/VARCON (dated 13th October 2017) to accommodate 19 million passengers per annum and to amend the day and night noise contours.**

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

If you are speaking, please arrive at the Town Hall by 5:45pm or ensure you have joined the remote meeting by that time on both evenings (if applicable).

### **How to register to Speak**

Requests to register for the Right to Speak should be submitted by emailing [democraticservices@luton.gov.uk](mailto:democraticservices@luton.gov.uk) , or by written request to the address shown on the link to the procedure below, or by telephone (01582 546032/ 01582 546781/ 01582 547149) , to be received by us before 5.30pm on the 23<sup>rd</sup> November 2021.

If someone submitting a request to speak does not qualify to speak at the Committee Meeting they will be informed on the 24<sup>th</sup> November 2021.

Subject to these Rules, requests to speak received after the time specified above will not be considered other than in exceptional circumstances.

Save for the changes set out in this letter, full details of the Council's Right to Speak procedure for remote and in person attendance can be found at:

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

**Variation of Conditions 8 (passenger throughput cap), 10 (noise contours), 22 (car parking management), 24 (travel plan) and 28 (approved plans and documents) to Planning Permission 15/00950/VARCON (dated 13th October 2017) to accommodate 19 million passengers per annum and to amend the day and night noise contours.**

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

**Variation of Conditions 8 (passenger throughput cap), 10 (noise contours), 22 (car parking management), 24 (travel plan) and 28 (approved plans and documents) to Planning Permission 15/00950/VARCON (dated 13th October 2017) to accommodate 19 million passengers per annum and to amend the day and night noise contours.**

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm55public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

If you are speaking, please arrive at the Town Hall by 5:45pm or ensure you have joined the remote meeting by that time on both evenings (if applicable).

### **How to register to Speak**

Requests to register for the Right to Speak should be submitted by emailing [democraticservices@luton.gov.uk](mailto:democraticservices@luton.gov.uk) , or by written request to the address shown on the link to the procedure below, or by telephone (01582 546032/ 01582 546781/ 01582 547149) , to be received by us before 5.30pm on the 23<sup>rd</sup> November 2021.

If someone submitting a request to speak does not qualify to speak at the Committee Meeting they will be informed on the 24<sup>th</sup> November 2021.

Subject to these Rules, requests to speak received after the time specified above will not be considered other than in exceptional circumstances.

Save for the changes set out in this letter, full details of the Council's Right to Speak procedure for remote and in person attendance can be found at:

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

**Variation of Conditions 8 (passenger throughput cap), 10 (noise contours), 22 (car parking management), 24 (travel plan) and 28 (approved plans and documents) to Planning Permission 15/00950/VARCON (dated 13th October 2017) to accommodate 19 million passengers per annum and to amend the day and night noise contours.**

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

If you are speaking, please arrive at the Town Hall by 5:45pm or ensure you have joined the remote meeting by that time on both evenings (if applicable).

### **How to register to Speak**

Requests to register for the Right to Speak should be submitted by emailing [democraticservices@luton.gov.uk](mailto:democraticservices@luton.gov.uk) , or by written request to the address shown on the link to the procedure below, or by telephone (01582 546032/ 01582 546781/ 01582 547149) , to be received by us before 5.30pm on the 23<sup>rd</sup> November 2021.

If someone submitting a request to speak does not qualify to speak at the Committee Meeting they will be informed on the 24<sup>th</sup> November 2021.

Subject to these Rules, requests to speak received after the time specified above will not be considered other than in exceptional circumstances.

Save for the changes set out in this letter, full details of the Council's Right to Speak procedure for remote and in person attendance can be found at:

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

**Variation of Conditions 8 (passenger throughput cap), 10 (noise contours), 22 (car parking management), 24 (travel plan) and 28 (approved plans and documents) to Planning Permission 15/00950/VARCON (dated 13th October 2017) to accommodate 19 million passengers per annum and to amend the day and night noise contours.**

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

If you are speaking, please arrive at the Town Hall by 5:45pm or ensure you have joined the remote meeting by that time on both evenings (if applicable).

### **How to register to Speak**

Requests to register for the Right to Speak should be submitted by emailing [democraticservices@luton.gov.uk](mailto:democraticservices@luton.gov.uk) , or by written request to the address shown on the link to the procedure below, or by telephone (01582 546032/ 01582 546781/ 01582 547149) , to be received by us before 5.30pm on the 23<sup>rd</sup> November 2021.

If someone submitting a request to speak does not qualify to speak at the Committee Meeting they will be informed on the 24<sup>th</sup> November 2021.

Subject to these Rules, requests to speak received after the time specified above will not be considered other than in exceptional circumstances.

Save for the changes set out in this letter, full details of the Council's Right to Speak procedure for remote and in person attendance can be found at:

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

**Variation of Conditions 8 (passenger throughput cap), 10 (noise contours), 22 (car parking management), 24 (travel plan) and 28 (approved plans and documents) to Planning Permission 15/00950/VARCON (dated 13th October 2017) to accommodate 19 million passengers per annum and to amend the day and night noise contours.**

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

**Variation of Conditions 8 (passenger throughput cap), 10 (noise contours), 22 (car parking management), 24 (travel plan) and 28 (approved plans and documents) to Planning Permission 15/00950/VARCON (dated 13th October 2017) to accommodate 19 million passengers per annum and to amend the day and night noise contours.**

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

I am writing in respect of the above application to inform you that the matter is to be considered at the Development Management Committee meeting on 30th November 2021 and in the case of business not being concluded by 10pm, it will reconvene on 1<sup>st</sup> December 2021. Both meetings will commence at 6pm. The meetings will be hybrid and you are able to attend in person at the Town Hall or join remotely. The officer's recommendation is for **Application Permitted**. The officer's report will be available from 5pm on Friday 19<sup>th</sup> November 2021 and will be found by using the Committees section at:

<https://democracy.luton.gov.uk/cm5public/Home.aspx>

There will be one opportunity for each of the following to speak on the application:

- Interest Groups (comprising someone who has made representations on behalf of a group of people based on technical expertise),
- interested parties
- the applicant

Each party can register to speak regardless of the recommendation. Please note that councillors do not have to accept the officer's recommendation, but where this happens, they must give reasons why they have overturned the recommendation.

Please also note there is limited capacity in the Committee room for people attending in person, therefore priority attendance will be given to those registered to speak. All meetings are livestreamed, therefore, you will be able to watch the meeting online using the link on the agenda. In addition, the Council's preference is for remote attendance and participation due to on-going concerns with Covid transmission and public health and also potential future changes in National policy on attending large meetings at the time.

The time which will be allocated to registered speakers will be determined by the Chair of the committee once the registration process is complete. However, it is anticipated that the time to be allocated to Interest Groups will be higher than for individual speakers due to the numbers of people they represent. Full details about how time will be allocated to speakers and any further information on any changes relating to the consideration of the application at Committee will be found on the Council's website on the link below after 24<sup>th</sup> November 2021.

If you are speaking, please arrive at the Town Hall by 5:45pm or ensure you have joined the remote meeting by that time on both evenings (if applicable).

### **How to register to Speak**

Requests to register for the Right to Speak should be submitted by emailing [democraticservices@luton.gov.uk](mailto:democraticservices@luton.gov.uk) , or by written request to the address shown on the link to the procedure below, or by telephone (01582 546032/ 01582 546781/ 01582 547149) , to be received by us before 5.30pm on the 23<sup>rd</sup> November 2021.

If someone submitting a request to speak does not qualify to speak at the Committee Meeting they will be informed on the 24<sup>th</sup> November 2021.

Subject to these Rules, requests to speak received after the time specified above will not be considered other than in exceptional circumstances.

Save for the changes set out in this letter, full details of the Council's Right to Speak procedure for remote and in person attendance can be found at:
