Panel's initial comments on the draft planning agreement (INQ-39.2)

WITHOUT PREJUDICE

Page numbers are as the PDF.

1. Why has the agreement been prepared as an appendix to another agreement?
2. Pg 7. Is a construction travel plan relevant?
3. Pg 9. Non-residential NIS. How would highest airborne noise levels be determined? The average and mode are different concepts.
4. Pg 10. Non-residential NIS, (b). Clarify reference to restrictions.
5. Pg 11. Residential eligibility criteria. In (a) and (b) should *or* be *and*?
6. Pg 11. Residential NIS, (a). Clarify reference to restrictions.
7. Pg 12. Revised reference required?
8. Pg 16. Schedule 1. According to the definitions the noise insulation schemes are part of the noise management plan, but here they are presented separately.
9. Pg 17. Schedule 1, 1.3. Clarify relationship with noise action plan.
10. Pg 21. Schedule 2 – include comments on traffic & transportation.
11. Pg 21 & 22. Schedule 2, 2.2 & 2.3. should references to construction travel plan be removed?
12. Pg 24. Schedule 4. In para 1 should reference be to just *sustainability strategy*? Elsewhere should references be to updated *sustainability strategy*?
13. Pg 25. Schedule 5. From para 3 should references be to updated employment skills and recruitment plan?

14. Pg 25. Schedule 5, para 2 given that there is an existing mechanism and the importance given to local employment would a shorter timescale be more appropriate? or should it be in place before implementation?
15. Pg 25. Schedule 5, para 3 "The Operator shall promote the Employment Skills and Recruitment Plan..." should there be an explanation or definition of what the minimum extent of promotion is expected?
16. Pg 25. Schedule 5, para 4 – why is this dependent on the Sustainability report?
17. Schedule 2: What is the primary document – is it the Airport Surface Access Strategy or the Travel Plan? Which should appear first in the schedule?
18. What is the role and what are the terms of reference of the Transport Forum? Is it a partnership to oversee delivery of the targets? What is its role in scrutinising the effectiveness and the outcomes of the interventions? What are the sanctions if the outcomes are not achieved?
19. Should parking management be included in the travel plan?
