Dear Case officer,

I would like to draw your attention to our response to planning application **21/AP/4297** which I believe is still pending a decision. Thames Water have requested 1 condition as we have concerns about the existing clean water capacity to serve the development on the above.

Are you able to confirm when a decision is likely to be made on this application and given our response, are you minded to attach our requested condition ahead of those concerns being addressed by the developer with Thames Water?

We are keen to work with the developer so would be happy to liaise with them directly if you are able to provide details of the best point of contact.

I'd be happy to discuss this with you further.

Kind regards,

**Lauren Howe**
