Dear Thomas,

We are writing on behalf of two of our clients, RDI REIT and Blyford Investments, who respectively own the following sites adjacent to Avonmouth House and have received consultation letters regarding a planning application submitted for that site:

1. 73-85 Newington Causeway
2. 63-67 Newington Causeway

The proposals have the potential to affect our clients and their sites in particular their potential for redevelopment. We are now reviewing the proposals with them in detail and will respond on their behalf once the study is concluded.

We would be grateful if you could await this response before progressing with a decision.

Kind regards,

**Tom Hawkley**
