INQ-04 Clarification Note to Mr Dunford's Proof of Evidence

Paragraph 10.10 of Mr Dunford's Proof of Evidence currently reads:

The remaining 2 windows experience proportional reductions in VSC of 49.0%, 41.7% and 27.1% respectively.

Mr Dunford has confirmed that it should read:

The remaining 2 windows experience proportional reductions in VSC of 49.0% and 41.7% respectively.

The 27.1% reduction was discussed in the preceding paragraph (paragraph 10.9).
