Dear Sir or Madam,

Re : London Borough of Richmond Upon Thames (Twickenham Riverside) Compulsory Purchase Order 2021, Compulsory Purchase of Land and New Rights in Twickenham Riverside

I object to the above Compulsory Purchase Order of the lands and New Rights in Twickenham Riverside for the following reasons.

- The site is opposite Eel Pie Island a unique location with the only access via a footbridge falling within the site boundary
- The exchange land contains the Embankment Road, which is my access and highway.
- The application contains a stopping up order of the Embankment Road
- A stopping up order was not included in the recent planning application relevant to the site.
- This road gives safe access for all vehicles to circulate and load and unload and is essential infrastructure for my everyday life.
- This road closure will be detrimental to the public who use currently use this highway.
- The road enables equality of access to the public of any ability to have direct access to the River Thames in Twickenham.
- The purpose for which the Council is proposing to acquire the land can be achieved by other means.

Yours sincerely,

Scott Collins
