Strong Objection to plans to build luxury flats in Jubilee Gardens Twickenham

**Date:**

18 December 2021 18:44:01

---

I strongly object to plans to build luxury flats in a very popular local amenity which is much loved by most, if not all, of the local community. The opportunities for the few who could afford to live in this proposed new development must not be given precedence over the many who enjoyed this area.
