Subject: Twickenham Riverside redevelopment plans
Date: 18 December 2021 13:49:09

I object most strongly to the proposed compulsory purchase of Twickenham Riverside land which has been leased to a local Charitable Trust for 125 years for the express benefit of the local community by way of the lovely Jubilee Gardens. My reasons are listed briefly below.

- The huge costs involved
- Building luxury flats on popular local gardens
- Riding roughshod over a local charity
- Destroying a popular local amenity

I thank you for your attention in this matter.

Susan P. Webb
