Dear Sir,

16th November 2021

The London Borough of Richmond upon Thames (Twickenham Riverside) Compulsory Purchase Order 2021.

-
Compulsory Purchase of Land and New Rights in Twickenham Riverside.

I object to the above for the following reasons:

- The Council's stated aims can be delivered without building on the Diamond Jubilee Gardens using just the derelict part of the site.
- The exchange land offered by the Council is **not** equally advantageous to that which is currently held in trust for 125 years.
- The site will not be equally accessible to all by virtue of the proposed use of the gardens for privately owned flats.

Yours faithfully

Susan Chappell

Please note that I, like many others, have submitted objections to the address that was advertised by LBRuT and have only been made aware of the correct address in the last couple of days from another resident and social media. Could you please confirm that all objections sent to the address shown on the Council's notifications, which are still in place adjacent to the Gardens, will be fully considered.
