Subject: Twickenham Riverside Compulsory Purchase Order 2021
Date: 06 March 2023 10:21:59

Dear Joanna,

I gather you will be reviewing the compulsory purchase order for the Twickenham riverside project.

As a Twickenham resident I wish to support the council in this compulsory purchase. I understand a small group has fought against this order in order to protect the Diamond Jubilee gardens, and I wish to make it clear that many ordinary citizens of Twickenham are happy to see the gardens replaced by the new proposed development.

The Twickenham riverside is ugly, mainly because of the long line of parked cars near the river with an unattractive wall on the landward side. Go up the stairs in the wall are you are on the Diamond Jubilee gardens. Don't be fooled by its grand name. It is an unattractive area of pretend grass and trees.

I have seen the new plans and they seem to address the major concerns. Frankly anything is better than what we have now.

best wishes,

Chris
