Dear Kelly, [REDACTED]

[REDACTED]

I object to the Banwell Bypass road as presented by North Somerset Council on the grounds of the shockingly amateur-like management of the process of planning, its hopeless design, the non-consultations with the public and the hostility shown to those who oppose this joke of a traffic 'solution'. I would like to make clear that I had the published plans checked by a road traffic modelling consultant I know in the Netherlands, who initially was flabbergasted and thereafter quietly scathing.

For that reason I oppose granting North Somerset Council the right to conduct the process to enact compulsory purchase orders for the Banwell Bypass.

Once again my apologies for the delay in responding and my thanks for your patience with me.

Karen, the letter is mine and I agree that Mrs. Pickersgill's letter should not have been attached. I'll resend this letter slightly later today.

My sincere excuses for this oversight.
