Subject: Objection to Twickenham's Diamond Jubilee Gardens being moved/flattened
Date: 09 May 2023 21:08:21

Dear Ms Vincent

I would like to object - in the strongest terms - to Twickenham's Diamond Jubilee Gardens being moved and/or flattened for housing.

Opened by Princess Alexandra - in 2012 - to celebrate the late Queen Elizabeth II's diamond jubilee, it was granted a 125 year lease - in 2014 - for 125 years - and designated the area 'Public Open Space'.

It is a very sad state of affairs that the current Council wishes to bulldoze over this lease - and similarly bulldoze the gardens.

For the current Council to try and use a Compulsory Purchase Order to do this adds insult to injury and should be stopped.

Yours sincerely
Jill Garrow
