Dear Mr Tryfonos,

High Road West Regeneration Proposals

Since we met in February to discuss the options for High Road businesses, we have been working to further develop the regeneration proposals for High Road West.

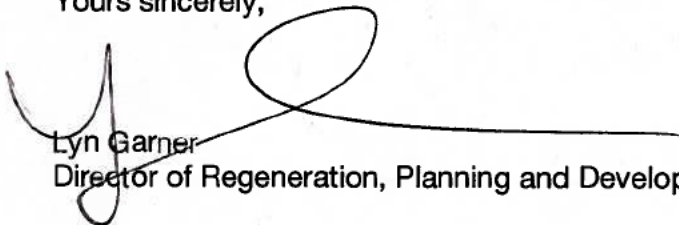

In developing the proposals, we have been committed to working with local businesses and have been undertaking one-to-one meetings with business owners to ensure we fully understand their individual business requirements.

I want to ensure that we build on the discussion we had in February. As such, I would like to invite you and your brother to meet with me to further discuss the developments with the masterplan and how we can seek to meet your business aspirations and include your business within the developing plans.

My PA, Franca Fortunato will be able to liaise with you to arrange a mutually convenient time and date.

I look forward to meeting with you.

Yours sincerely,

Lyn Garner
Director of Regeneration, Planning and Development
