Dear Emily.

On behalf of the Parish Council!

But my personal opinion is a resounding objection against this project, since my health and well-being will be severely compromised by the building of this road. As will the lives of all the people who live on the A4074 in Nuneham Courtenay.

Thanks for highlighting that for me and thanks for passing this extra bit to the committee for me if you are at liberty to do so.

Best regards John Peters.

Dear John,

Thank you for your email. Please can you clarify if your objection is in a personal capacity or if you are objecting on behalf of the Parish Council?

Kind regards

Dear Emily

Please register my strong objection to OCC starting a CPO process on the HIF1 project which is not fully and satisfactorily costed, in advance of planning permission being granted and with no guarantee that there will be capacity to deliver the scheme as currently proposed. Thank you.

Yours

Mandy
