Subject: THE OXFORDSHIRE COUNTY COUNCIL (DIDCOT TO CULHAM THAMES BRIDGE) CPO 2022 - National Grid Electricity Transmission

Dear Sir/Madam

I act on behalf of National Grid Electricity Transmission Plc who have been made aware that a CPO was made which impacts upon it's apparatus and interests. NGET has no record of having received this CPO notice however it was notified by RWE in the last week. NGET has concerns about the compulsory acquisition of land in which it holds interests and therefore wishes to request whether a late objection would be considered? I do appreciate the lateness of this communication but if you could please confirm I will advise my client accordingly.

Many thanks
Laura
