

MR STEPHEN NIGHTINGALE.

18-7-23

I am writing in ref to your letter that I received today in you require me to sign.

But I feel that I require a more explanatory explanation into this matter. On the basis it looks that I'm to sign the rights to my land to my building away.

"SO I DO OBJECT"

I can understand the ground land outside my property but not the land my property is built up on.

So I await your reply. Thank you

Sorry for writing

I am 76 yrs old I just lost my good lady wife of 55 yrs and lived here for some 53 yrs

With respect's

THANK YOU.
