---

Hello,

RE: Network Rail (Leeds to Micklefield Enhancements) Transport and Works Act Order

In relation to proposal for the "Brady Farm Bridge Temporary Compound" section of the line.

I object to proposed outcome of demolishing the bridge on the grounds that I actively use this bridge on average twice a week when walking and more during summer periods.

I would request as part of the installation of the overhead wires the bridge is rebuilt.

Address Details:-

Mr C Gold
