**Subject:** The Network Rail (Leeds to Micklefield) Enhancements Order 2023

I wish to object due to lack of information received regarding the work to be carried out and how it may impact our daily living and any cause for concern for our property.

Only drawings which may be of use to a Quantity Surveyor but not a layman have been received. I understand the need for the work but sometimes something more than the Legal requirements which give the impression you are being bullied into something are required.

James Parkinson
