Comment Reasons:

Comment: This bridge is part of a well worn and commonly accessed route for dog walkers and ramblers alike, enabling access to the pathway alongside Makins farm heading to/from Micklefield and Garforth.

Although unconscionable, the suggested removal of this bridge and therefore access to a safe route would increase the danger for those seeking to make this walk. The A656 linking the motorways to Selby road is a very fast road and would put lives at risk if there is no simple access and crossing point.
